THE CAROLINA WATCHMAN. PUBLISHED EVERY THURSDAY SUBSCRIPTION \$1.00 PER YEAR.

O. E. CROWSON, Manager. THURSDAY JULY 12, 1894.

The county Convention held here Saturday did the nice thing by indorsing Hon. Lee S. Overman for the value of the obligations she held United States Senator to succeed the against the balance of mankind. Jate Senator Z. B. Vance. Mr. Over- This today is the confessed and aman is well known to the Demo- vowed reason for her refusal to join cratic voters of the State and needs in our international conference to esno introduction at our hands, but we tablish the coinage of both metals will at the proper time have more to at an agreed ratio. young Democracy of the State.

If primaries and conventions are not carried out more in accordance with the laws of the plan of organization there is trouble ahead. As we understand it a primary convention is for the purpose of ascertaining who is the strongest man in the county or district. In either case if the law of the party is followed to ing all other kinds of legal tender. the letter it is easily decided. Let

the party law should be tolerated. in paymentany legal tender coin the largest number of Democratic street value of the two coms? votes to be nominated.

Tennessee is about to enter upon a peculiarly hot campaign for governor and other officers. Already the iudicial nominations have been made supreme court positions. But from the best information at hand it is sion party' preliminary to the gubernatorial fight in Normber. If the the state's history

One of the chief ends in view with the fusionists is to secure a majority on joint ballot in the legislature. If profound pleasure in sending Senator Isham G. Harris into private life and substituting for him some "great unknown" whom the fusionists may meanwhile discover in their combined ranks.

The Raleigh New-Observer has the following to say of Wm. R. Aler as Superior court Judge:

Allen, a prominent member of a influential family of Wake county moved to Duplin county, where len moved to Goldsboro, and his sons, O. H. Allen, who is now the Solicitor of the Sixth District, and W. R Allen occompanied him. The latter 1881, and located at Goldsboro where he formed a partnership with Mr. Dortch. He was a candidate for House from Wayne county. In the proceedings of that body he took a doubt will adorn the bench. He will be nominated for the full term at the approaching convention.

dell Saturday all old county officers were renominated and J. B. Holman the objets of desire have seek. endorsed for State Senator. In the congressional race Turner received 53 votes and Henderson 357 and Overman 1. The ballet for Judge resulted in 64% for Armfield and 24% for Long. L. C. Caldwell was manimons Iv endorsed for Solicitor, but as Mr Means had received a few volks in the county Mr. Caldwell asked that Mr. Means be given credit for these votes in the district convention.

Negroes on Railroads.

The Supreme Court of the United railroad trains.

Nearly all the Southern States have laws providing separate cars for white people and negroes and requiring the races to be kept separate on passenger trains.

The Supreme Court has affirmed the right of State to enforce laws of this sort within their own limits.

State can apply such a regulation to nter-state commerce.

an Indiana town to a point in Kentucky. Their tickets called for first class passage and they took seats in 'the ladies' car."

When they reached Kentucky they count of complications. - Charlotte were told that they must move into the car provided for negroes. They refused to do so and were put off the train. They brought suit against the railroad and the case was tried before Judge Barr, of the United States court for Kentucky.

The court held that while Kentucky might enact and enforce such a law regarding people traveling only over lines within the limits of that State, it interferes with inter-state commerce when it dictates to people coming from another State. The Court and the final decision will be Druggists. awaited with interest.

Cotton Seed Meal and Hulls!

WHATIS IT?

IT IS THE CHEAPEST AND BEST FEED KNOWN FOR CATTLE AND SHEEP.

Cotton Seed Meal is a highly concentrated feed, one pound which has more feeding value than three pounds of comme and it will be found more economical to use than any of them rious grain feeds.

COTTON SEED HULLS take the place of hav or any other kind of long or rough feed, and has been proven by analysis, and the practical tests of thousands of feeders, to be worth as much (pound for pound) as any of the forage feeds in general use, in children for \$100,000. Mr. Edward as the cost of HULLS is less than hay, and can be fed without waste, it is far more economical to us than any feed now in and feed in connection with Cotton Seed Meal this feed cannot be equalled when costs and benefits are considered.
