

The Carolina Watchman.  
Established in 1832.

Cotton is opening very fast and is being picked in good condition.

Mr. P. H. Thompson we learn will build a fine roller flour mill here this fall.

The many friends of Miss Mary Julian will be glad to know that she is convalescent.

The different schools of the town opened Monday morning, all being well attended.

Mrs. W. E. Durham has opened a boarding house in the T. P. Johnston house on main street.

Fodder pulling has begun in this county. Several loads were in town Saturday.

Sunnyside is the name by which the Edmiston post office will be known hereafter.

The Church High School, Prof. J. M. Hill, master, opened Monday with 23 students and flattering prospects.

Julian Wichard, the little son of the editor of the Herald, fell from the door steps of his father's residence Monday and broke his arm.

Mr. J. F. Hedrick is having the store room formerly occupied by Baker & Neave, nicely fitted up for a dry goods store.

Several months ago Isaac Hoover, colored, made his escape from the jail at Lexington. Sheriff Monroe ran up on him near the city Sunday and captured him.

Thirteen cows have died recently in the pastures in East Salisbury. They are supposed to have been poisoned by drinking water contaminated by city sewage.

A man calling himself John Gowan, from Danville, Va., was arrested here Saturday charged by parties at Danville with the larceny of money. Officers came over and took him to Danville Wednesday for trial.

Salisbury Y. M. C. A. was yesterday State Secretary Coulter Monday. The Association decided to invite the district convention to be held October 5 to 7, to meet here and it is probable that the invitation will be accepted.

Now that the tickets have all been named and the conventions over, there should be organized, at once, a Democratic Club at each precinct in the county. Steps should be taken in that direction at once.

The ticket nominated Saturday is one that every man in the county can cheerfully support regardless of party affiliations. They are all good safe business men and those who have been tried have proven themselves obliging and faithful officers. They will all be elected by handsome majorities.

That picturesque tramp and accomplished liar, Henry Thompson, struck Salisbury Wednesday night. He is a fraud of the first water. He claims to be walking for a large purse against time from San Francisco to New York. He is simply a tramp, nothing more and this tale is his stock in trade.

The Pops put in an appearance before the Board of County Commissioners Monday and wanted their men appointed poll holders. But the Commissioners went ahead doing their duty. The Pops were given a respectful hearing, but the Board obeyed the law.

The First Bale of Cotton. Mr. J. H. Heilig, of Litaker township, sold the first bale of this county's new crop of cotton, on this market Tuesday. It was classed as good middling and was bought by Mr. J. M. Cabbins for 7.04. The bale

Killed By a Train.

While walking on the track of the Mocksville & Winston railroad near Mocksville Tuesday morning, Mr. Andrew Sappenfield was struck by a train and so badly hurt that he died in three hours. Mr. Sappenfield was very deaf and did not hear the train. He was 75 years of age.

Almost A Fire.

The spoke and handle factory of Mr. J. M. Peacock in East Salisbury had a narrow escape from destruction by fire Tuesday. One end of the building was in flames before the fire was discovered. The hands, however, succeeded in extinguishing the flames without giving an alarm.

Veterans Reunion.

THE ANNUAL REUNION OF CHAS. F. FISHER CAMP.

The annual reunion of the Chas. F. Fisher Camp, Confederate Veterans, will be held next Thursday at the Farmer's Warehouse. The occasion promises to be of unusual interest this year. A dinner will be served and an interesting programme has been arranged.

Capt. C. R. Barker has received a letter from Capt. Marcus Hofflin, captain of the Rowan Rifle Guards during the war, who says he will be present at the reunion. Capt. Hofflin now lives in Milwaukee, Wis.

Fire at Norwood.

The handsome high school building at Norwood, Stanly county, was totally destroyed by fire Monday night. All the school furniture, including an organ, was burned up in the building. The loss amounts to about \$1,200, with no insurance. The fire was discovered shortly after midnight, but had made such headway that nothing could be saved. The cause of the fire is a mystery.

The Wounded Convict.

As our readers remember, Jule Smith, colored, one of the county convicts, was shot by two of the chain gang guards August 6th. He was desperately wounded and has been lying in jail here in a critical condition since. One of the balls from the rifle of one of the guards lodged in Smith's abdomen and could not be found or extracted. On Saturday Dr's. Whitehead, Dorset and McKenzie located the ball and cut it out. It had passed through the man's body and lodged in his back. After the ball was removed the physicians passed a drainage tube through the body. There are but slight chances for Smith's recovery.

A Noted Murderer.

Mr. Alex. Perry, of Burke, passed through town Monday morning, having in charge Hoke Secrest, whom he was carrying to McDowell county. A few years ago Secrest murdered his wife and child in Burke county while on their way to Rutherford College, because she would not deed him certain property. The case was removed from Burke to McDowell and there he was tried and sentenced to be hung, but after the trial was judged insane and sent to the Asylum from which he escaped but was captured again and replaced there but again escaped and made his way to South Carolina and stole a cow for which he was sent to the penitentiary and had just completed his sentence when the authorities of this State had an officer on the ground to bring him back to this State, and if not found to be insane he will be resented at next term of McDowell superior court.

A BIG HAUL.

A special from Greensboro to the Raleigh News and Observer Tuesday says: Dr. J. M. Worth, of Asheboro, one of the wealthiest and best known in North Carolina, was visited last night while nearly drunk at a cash and \$15,000 of notes. While reclining upon a sofa sitting room Dr. Worth and three negro men enter and make to blow out the lamp, but Worth once hurled some pieces of the thieves, who replied to him, the ball narrowly missed and seizing the box in which valuables were, the rogues fled. One of them, a man named arrested and put in jail, Dr.

Saturday's Convention's Good Work.

A TICKET THAT IS A CERTAIN WINNER.

The populist who happened to be in the neighborhood of the court house Saturday heard something drop. There was enough in what he heard and saw to give him the chills, for he knew his political doom was sealed.

The convention of Democrats which assembled at noon was one of the largest and most enthusiastic that ever met in Rowan county. At noon precisely, Dr. W. L. Crump, in the absence of Mr. A. H. Boyden, chairman of the county executive committee, called the convention to order.

Col. F. E. Shober was made temporary chairman with Messrs. C. N. Brown and W. H. Crawford secretaries. Col. Shober on taking the chair addressed the convention, his ringing speech eliciting great applause.

Mr. C. H. Bruner's motion that the temporary officers be made permanent, was unanimously adopted.

The roll of townships was called and all were found to be represented.

A resolution was unanimously adopted commending the administration of Mr. A. H. Boyden, chairman of the executive committee, and asking the committee to re-elect him to that position.

Nominations were declared in order and the convention with wonderful self-abnegation decided to dispense with nominating speeches and got right down to business.

The following nominations were made unanimously with enthusiasm:

For Clerk of the Court—W. G. Watson. For Sheriff—J. M. Monroe. For Register of Deeds—H. N. Woodson. For Treasurer—J. Samuel McCubbins. For Coroner—Dr. E. Rose Dorsett. For Standard Keeper—Chas. F. Baker.

All of these gentlemen are the incumbents of the offices to which they have been nominated.

Mr. T. C. Linn offered the following resolution, which was unanimously adopted with great enthusiasm:

Resolved that our members who are to be nominated to the Legislature are hereby instructed to vote for Hon. Lee S. Overman for United States Senator and to use all honorable means to secure his election.

The first contest before the convention was upon the nomination for Representative. Messrs. D. R. Julian, J. H. McKenzie and Walter Murphy were placed in nomination. The vote stood; Julian 72½; McKenzie 62½; Murphy 33½.

Mr. Murphy's motion to make the nomination of Messrs. Julian and McKenzie unanimous was adopted with enthusiasm.

Mr. J. B. Kerns was nominated for cotton weigher on the third ballot, the vote standing; Kerns 65; Briggs 26, each having a fraction of a vote in addition.

Messrs. Miller, Sifferd and Klutz, were placed in nomination for Surveyor. Mr. Miller was nominated on the first ballot the vote being: Miller 56½; Sifferd 27½; Klutz 7.

Mr. T. C. Linn's motion to make the nominations of Messrs. Kerns, for cotton weigher, and Miller for surveyor, was adopted without a dissenting vote.

The nominees were called before the convention and made short addresses accepting the nominations.

Dr. W. L. Crump, in a ringing speech, thanked the Democrats of Rowan for the support given him in the senatorial convention.

Hon. Lee S. Overman, in one of his usual happy efforts, thanked the convention for the endorsement given him. After ratifying the nominations of the different townships for constable, the convention adjourned.

The County Commissioners.

At their regular meeting Monday, all the members of the Board of County Commissioners were present.

The tax books were ordered delivered to Sheriff Monroe for collection.

Mr. A. M. Brown, superintendent, reported 23 inmates in the county home during August—11 white and 12 colored.

Mr. Martin E. Miller, supervisor, reported the roads in Gold Hill township in good condition.

County Executive Committee.

The township Democratic executive committees met Monday and elected the following county executive committee: A. H. Boyden Chairman; J. R. Wichard, Secretary; M. C. Quinn, Dr. W. L. Crump, J. H. L. Rice, N. L. Sifferd, W. A. Steele, J. K. Goodman, S. F. Baker, J. L. Pipe, J. W. Butler, P. A. Sloop, J. H. Heilig, F. H. Mauney, Dr. L. W. Coleman, W. A. Kirk, P. D. Linn, Tobias Lyerly, D. A. The results of the experiments of the New York health department with Prof. Koch's antitoxine treatment for diphtheria are of a most encouraging and extraordinary character. Out of 250 treated, 100 per cent. recovered where inoculation took place on the first day of infection, and 97 and 87 per cent. respectively recovered where the inoculation took place on the second and third days. One of the notable features of the new remedy is its absolute harmlessness. It is said that no matter what the condition of the patient may be, if the remedy does not accomplish a cure, it at least leaves no injurious effects.—Sayanahu News Dem.

Which is worse, imprisonment for life or a life-long disease, like scrofula for example? The former, certainly, would be preferable were it not that Ayer's Sarsaparilla can always come to the rescue and give the poor sufferer health, strength, and happiness.

Six negro barn burners, at Millington, Tenn., were taken from the custody of the officers and shot to death by a mob of unknown men last week.

A hacking cough keeps the bronchial tubes in a state of constant irritation, which, if not speedily removed, may lead to chronic bronchitis in a state of constant irritation, which, if not speedily removed, may lead to chronic bronchitis.

No prompter remedy can be found than Ayer's Cherry Pectoral. Its effect is immediate and the result permanent.
