### The New Hook Spoon Free to All.

I read that the Christian Standard would give an elegant spoon to any one sending ten 2-cent stamps. I sent for one and found it was a beautiful one. I showed it to my friends and made them in two hours, taking orders for the same. The hook spoon is a new and necessary. It cannot slip into the dish or cooking vessel. The spoon is something that has been long needed ever since the first spoon was invented. Any one can get a sample spoon by sending ten 2-cent stamps to Miss Fritz. This is a splendid way to make money around home.

Very truly,  
JEANNETTE S.

### How the Dipper Saved the Farm.

Father was sick and the mortgage on the farm was coming due. I saw in the Christian Advocate where Miss A. Fritz, of Station A, St. Louis, Mo., would send a sample combination dipper for 18 two-cent stamps, and I ordered one. I saw the dipper could be used as a fruit jar filler, a plain dipper, a fine strainer, a funnel, a strainer funnel, a sick room warming pan, a pint measure. These eight different uses makes the dipper such a necessary article that I went to work with it and it sells at very nearly every house. And in four months I paid off the mortgage. I think I can clear as much as \$200 a month. If you need work you can do well by giving this a trial. Write to Miss A. Fritz, Station A, St. Louis, Mo., will send you a sample for 18 two-cent stamps—write at once.

## Notice.

**NORTH CAROLINA,** In Superior Court, Rowan County, Bingham & Co., vs. Cal Mingis.

YOU are hereby notified and commanded to appear before the Clerk of the Superior Court of Rowan county, North Carolina, on Monday, the 15th day of February, 1897, and show cause, if any, why a judgment duly docketed in the Superior Court of said county for the sum of forty-nine dollars and ninety-three cents in favor of Bingham & Co., and against you should not be revised, and why execution should not be issued on said judgment for the amount still unpaid and have you then and there this notice. Witness: W. G. Watson, Clerk of the Superior Court of Rowan county, said State, on this 31st day of December, 1896. W. G. WATSON, C. CLERK. LEE OVERMAN, ATT'Y.

### Make Your Own Lantern.

Your home is incomplete without it, and the price is within reach of all. I ordered one for my own use and it was so handy and convenient I went to taking orders for them and sold 51 in one day, making over \$5 clear. It gives a beautiful white light, chimneys never break from heat, it is always clean and ready. Francis Casey, St. Louis, Mo., will send a sample for 13 two-cent stamps, plus 1 cent. I got my start from him.

### Marry this Girl Quick.

I saw in your paper that a 13-year old boy made \$1.25 the first hour he worked selling the Perfection etal Tip Lampwick. I ordered a sample and went to work and the first week I cleared \$10, the second week I cleared \$15. I expect to run up to \$25 a week in the near future as the Perfection Medal Tin Lampwick makes such a beautiful white light and does away with smoky chimneys and bad odor and saves oil; it is easy to sell. If you wish to try it send 13 two-cent

stamps to Miss A. M. Fritz, Station A, St. Louis, Mo., and she will send you a sample outfit. This is a good way to make money around home.  
Miss TINA M.

### A Chance to Make Money

I read how one of your subscribers made money selling Dish Washers; I ordered one, and my lady friends were charmed, as they hate dish-washing. My brother and I commenced selling them, and have made \$1,700 after paying all expenses. We don't canvass any. Our sales are all made at home. People come or send for them. The Mound Dish Washer is the best dish washer on the market. Our business is increasing, and we are going to keep right on until we make ten thousand dollars. We sell from 5 to 15 machines every day, and some days more. The dish washer is loved by every housekeeper who uses one. There is no excuse to be poor when so much money can be made selling Dish Washers. For full particulars address The Mound City Dish Washer Co., St. Louis, Mo. They will start you on the road to success.
