

# Among Our Advertisers.

Dave Oestreicher has a change of ad. to-day. He is offering cloaks at a bargain.

Burt's Boston, the new shoe store at 127 North Main street, has a change of ad. See it.

A little quiet business, a little dead town and merchants who do not advertise, constitutes the debris along the banks of Salt River. Will you take a dug-out or an automobile?

Christmas Tidings! Yes, and bargains for everybody. See the big ad. of the Globe Department Store in this issue. They've got something for you—a Christmas gift. Go get it.

The intelligent, wide-awake and successful business man is ever on the alert for some method by which he can reach prospective customers. Constant advertising is the one idea around which all his efforts crystallize. Its constancy to business is like the growing of a tree. He may not see it grow, he may, at times, think it does not grow, but in the course of a year he knows it has grown.

# SPENCER NEWS NOTES.

**Southern Railway gives \$500 to a church, Work on Water Works Commenced.**

By general report we learn that the Southern Railway has donated \$500 towards the completion of the Presbyterian church at this place. This is a very timely and much appreciated gift, and it puts the Railway company in line with the efforts of the Christian people of the town. This, with the gift to the Spencer Y. M. C. A., shows a very commendable spirit and by contrast is very different from the course generally pursued by corporations.

The artesian well of this place has been sunk to a depth of about 200 feet and is supplying an abundant quantity of good pure water. The report of the State Chemist has been received and the water is pronounced to be excellent.

Pipe for the water mains has been distributed along the main streets and the work of laying same is expected to progress as the weather will permit. Hopes are entertained for its completion before spring.

L. M. Misenheimer has purchased an interest in the grocery business of C. L. Hall. The firm name will hereafter be known as Hall & Misenheimer.
