WM. H. STEWART, Ed. and Pub.

Published Every Wednesday at 130 West Inana Street

Subscription Price \$1 per year strictly cash in advance

Entered as second-class matter Jan. 19th, 1906, at the post office at Salisbury, N. C., under the act of Congress of March 3rd, 1879.

SALISBURY, N. C., April 18th, 1906.

This is the wrong time of year to complain of bad weather or rejoice over good. It is at present something like the Irishman's flea, when you go to put your hand on him he is not there.

If you are not in favor of wasting \$12,000 or \$15,000 for a new county jail, now is the time to make the issue. See your candidate for county commissioner and get his promise, yea or nay.

Shall we elect men to the house of Representatives from Rowan who will represent the people or the boss? That is the most important question before the people in the coming election. The people of Rowan are as good as any on earth and they deserve to have the very best government and representation that can be had. Down with boss rule!

Give us good men for office and decent Democracy and all will be well, but a boss ridden Democracy is as vile and as much to be despised as the rule of negroes and carpet baggers. Let the people arise in their wrath and see that they have representation in the lower house of the next legislature and force the boss to take his vile hands off the law-making positions that are the only safeguards of the people's rights.

If the good people of Salisbury and Rowan county wants representation in the lower house of the next legislature they had better see that they have candidates in the field who do not wear the collar or livery of a boss. There will be important matters, bond issues, the creation of new offices and other schemes put upon us if we are not awake to the preservation of our rights and the welfare of our country. Away with the boss and his tools!

The Chicago Evening Post in an effort to prove the extravagance of municipal ownership of public utilities points out the fact that the indebtedness of municipalities of Great Britain has increased from \$965,000,000 in 1884 to \$1,350,000,000 in 1894, and this is acknowledged by all sensible people as a most convincing argument, but there are a few spend-thrift sap-heads in most all communities who say that no town is prosperous unless it is heavily in debt.

**OUR HONOR ROLL GROWS.**

Actual Names That Go to Show the Great Preference for the Watchman.

Our honor rolls is a little short this week which is accounted for owing to the fine weather our friends are having to get in their crops. This is the first opportunity of the season to turn the mellow sod and it is being done with great energy and much enthusiasm, but still we are not forgotten and make a showing nevertheless. These are all good people, but the size of this list is only a pop-gun to what we shall expect before our special offer closes in June. Wait and hear the cannon roar, and those who have failed to renew or subscribe will realize how utterly desolate and lonesome they are. The cannon will be fired twice, once for the week ending May 12th, and once on Saturday, June 2nd. See that your name is in it. See that in the 800 names for each of these occasions your name is in the list: John Harkey, J Lawson Klutz, G H Boger, James A Klutz, C E Bost, J D Goodman, Charley Fisher, J Gilbert Isenhour, Mrs Mary E Powlas, G A Barringer, Benjamin Brady, H M Pethel, M L Sink, Mrs Anna Trexler, Jno I. Trexler, M N Hall, G W Bruce, John A Sloop, N W Menius, Rev P M Traxler, David T Peeler, J A Rendleman, C F Rink, H C Leutz, H J Freeze, Geo F Brown, Adam Leutz, L I Cauble, Julius A Eller, M W Barber, John L Lefler, C E Morgan, R L Morgan, Loveless Bame, O A Luther, J A Eller, Zeb Morgan, J C Wyatt, D C Morgan, C M Morgan, Baxter Leonard, G L Walker, J W Felker, W R Felker, B A Knox, M A Plyler, H B Foutz, M A Klutz, J A Nail, J L Nail, T J Waller, Miss Emaline Lyerly, Mrs Lillie Albright, C R Wood.

We have omitted our large ad this week, but the propositions are still in full force and will be till June 2nd. Don't delay but send or bring in your subscription as early as possible. Let us have your name for next week.

**A Junior Council at Union.**

Another council of the Jr. O. U. A. M. will be instituted in the school house at Union church Saturday night, April 21st. T. D. Brown, one of the most enthusiastic Juniors in the county, has charge of the work and will see that the boys will be started off in good shape.

**Late Items From Faith.**

Another granite company has been organized at Faith. It is composed of the following men: D. I. Hinceman, president; Murry Peeler, manager; J. L. Shuping, secretary; Gim Jones, treasurer; J. W. Jones and John Heller. They have bought out J. T. Ariz, have secured a fine granite quarry from Dave Risher and gone to work. There is such a great demand for granite they will get all they can do.

There was a big family reunion at the home of Mr. and Mrs. Moses Peeler Monday. Mr. Peeler had just recently past his 79th year. A large crowd was present. Richard Peeler, who is out with his carnival, run in on a short trip from Tennessee to be present and to take the pictures of the family, kindred, children and grandchildren, all of whom were there except eight of the grandchildren. We hope the old people will live many more long and happy years.

The exercises of the mission band here Monday night were largely attended and was a great success. Rev. W. W. Rowe was present and made a fine address to the large congregation at the Reformed church.

VENUS.
