the question is, shall we nominate Julian and Pethel-one from Salisbury and one from the countyor shall we nominate two men from Salisbury? Will the farmers, working men and business men be

Rev. G. H. Cornelson and Rev. satisfied without representation? Surely not. It is true that Mr. Julian and Mr. Pethel are both 27. working men and that Mr. Pethel was raised on the farm and works for his living, and that they are both poor, but they can't help that they are poor, neither can

Pethel help that he was born in An enthusiastic meeting in the the country on a farm and interest of Statesville Female Col lege was held and the Presbyterv he was grown and then ran an enseems to be determined to pay off gine to- make an honest living, the debt on the college and secure and instead of all this being used against them it should be to their

Permission was given the ladies credit that they spent their youthful days in work instead of idleness and lottering around street corners and stores of our town. It may be that on account of not having legalized primaries, Julian or

Pethel will suffer some, but whose fault is it that we have not legalized primaries? Think for one moment. Last legislature I passed a bill in the Senate giving Rowan county legalized primaries, and when that bill. struck the

other branch of the legislature it was collared, choked, knocked down, trampled upon and put to an untimely death. Now who did this and why was it done and who was your legislator, eh? In conclusion I desire to ask my friends all over Rowan county to go to their primaries on May the 12th and do all in their power to nominate John Julian and W D. Pethel for the legislature.
