Change of Date.

The date of the Litaker township Sunday School Convention has been changed from Tuesday, August 7th, to Thursday, August 9th, and will be held at St. Paul's E. L. church. The change in date was made because the former date would conflict with the educational rally to be held at Faith, on August 7th.

Negro Killed by Train.

A negro named Bud Foster, of Greenville, S. C., and who has lately been at work near Linwood on the double tracking force, was killed by a train Saturday night near Sumner. He had with him a lot of whiskey in flasks and the inference is that he was engaged in the illicit sale of liquor. It is presumed that while drunk he sat on the track, with the usual result.

H. G. Miller Dead.

H. G. Miller, of Franklin township, died at his home last Friday morning at 6 o'clock. The funeral was held from Bethel Lutheran church on Saturday afternoon. Eleven children survive him. Mr. Miller was an old Confederate soldier, and was always a prominent figure at the reunions of the old veterans. The deceased had many friends who sincerely mourn his death.

Judge Council Was There.

The Hamlet correspondent of the Charlotte Observer says, of the recent railway wreck near Hamlet:

Judge W. B. Council, of Hickory, who was on the wrecked passenger train, and Conductor J. D. Bowen both proved heroes in the terrible wreck near here Sunday. Judge Council was injured, but despite this, when the wreckage took fire he saved the debris from fire by putting it out with wet sand. Conductor Bowen, though badly hurt, worked until exhausted. Both these men deserve great praise. There were many other people who did all they could and people came from nearby to help.

Sawed Way To Liberty.

Two white prisoners made their escape from jail here shortly after noon by sawing iron bars in two with a hack saw. How and when they obtained the saw is a mystery. They made good their escape. The country is being searched by sheriff and deputies.

One of them, Robert Thompson, was in for illicit distilling. It is claimed that bond would have been given to-morrow. The other, Hudson, was in for forging an order for a jug of whiskey on an express agent. There are no tidings of the escaped prisoners up to this hour. They had been given the freedom of the corridors. Fayetteville, N. C., dispatch.

Concord Braiding Factory.

A Concord special to the Charlotte Observer states that the Concord Braiding Factory is now in operation. The first shoe string was made this morning when a portion of the machinery was put into operation. The Observer's correspondent saw the first specimen of shoe string made by this new enterprise. Only a portion of the machinery is as yet operated, but in a short time the full capacity will be going.

Frightfully Burned.

Chas. W. Moore, a machinist, of Ford City, Pa., had his hand frightfully burned in an electrical furnace. He applied Bucklen's Arnica Salve with the usual result: "a quick and perfect cure." Greatest healer on earth for Wounds, Sores, Eczema and Piles. 25c at all druggists.

A woman worries until she gets wrinkles, then worries because she has them. If she takes Hollister's Rocky Mountain Tea, she would have neither. Bright smiling faces follow its use. 35 cents, Tea or Tablets.—T. W. Grimes Drug Co.
