

LYERLY.

September 4th, 1906.

We thought it was going to be dry, but we had a shower yesterday.

Mrs. C. L. Walton, has been quite sick with typhoid fever, but is convalescing.

R. C. Miller is quiet sick. Have not learned the trouble. We wish him a speedy recovery.

If the fogs in August count for the snows this winter, boys get your guns ready, for there will be a rabbit time.

J. A. Boger, and family visited their parents last Sunday and Monday. Come again, always glad to see you.

Many of our young people are going to get good, attending the meeting at Trading Ford. Time to make a change.

A double wedding to report, but unable to give each one's name. A Miss Pepper, of one couple and a Mr. Harrison, of the other. The nuptials were performed by Rev. Bodie, last Sunday evening.

W. F. Ruffy is hauling logs for C. M. Lyerly's new dwelling house. Look out Ruffy, he will give you your right load. Wants to try your new wagon.

Gee whiz! G. A. Boger is invited to a wedding in Franklin township. I believe he is going to watch out Mr. Boger, and don't let the young people take your eye.

Mrs. M. C. Parks is critically ill, but we hope her a speedy recovery.

Nat B. Drury and David M. Keeler, of East Salisbury Council No. 38, Jr.-O. U. A. M., have transferred and united with Rowan Council No. 196. We extend to each of them a hearty welcome.

We understand that the school committee have employed their teachers for this winter, as principal, Miss Eltha Lingle and assistant, Miss Mary Barringer. We trust they will teach a successful school.

Bro. Bartlette, do you mean to say that the correspondents are going to have their pictures taken? Gee! won't that be a lot of square faces together? Probably make jar heads plentiful.

A very unfavorable day, for the flag raising at Union. A right good crowd was present if the day was gloomy. None of the speakers were on hand. Rev. N. D. Bodie, conducted the devotional exercises. Just before dinner an address of welcome was made by G. T. Frick. At 12:30 a very sumptuous dinner was spread and all were invited. After all had eaten, basketfuls of the good things remained. About 1:30 the crowd re-assembled and short talks were made, then the flag and bible was presented to the school. Just about 4 o'clock, the flag was ascending and floating high in the air. The remainder of the evening was spent in pleasure out in the open air.

Rufus A. Eller is sick with typhoid fever. A. L. Lyerly visited him last Sunday evening. We hope to see him among us soon.

A very busy time with the farmer now, cotton to pick, hay to make, tops to cut, oats to sow and a lot of other things too numerous to mention.

By the way, didn't Sam Short fool you? But perhaps some one else more. We wish you much joy and pleasure.

Well! well! I must pull to the side for this time and remember THE WATCHMAN in the future.

September 10th.
A little sunshine and a little cool weather. It won't be long until cold weather.

You don't need to make any more goo, goo, eyes, for the busy time is here to gather in the crop, cotton and many other necessary products. It seems that laborers are very much in demand.

The health of this community is very good at this writing.

Jno. Goodman, Sr., visited M. J. Poole last Sunday.

G. A. Boger was visited by A. L. Lyerly's last Sunday evening.

The Hartman-Tippett Co., have opened another new quarry, very fine granite, and seems to give good satisfaction in working and quality. Glad to know that they have struck the right spot. (Thousands of square yards there.)

R. A. Eller, who is sick with typhoid fever, was paid three weeks sick benefit, by Rowan Council at Union. Mr. Eller is recovering fast. Trust he will be with us soon.

A Mr. Klutz, of Florida, is visiting at G. M. Barringer's this week.

Rowan Council, No. 196, will have ice cold lemonade next Saturday night for all members present.

Well, Bro. Bartlette, how are times serving you, or are you serving a new business, at Spencer, N. C? Right in line.

The regular fall communion will be held at Union E. L. church next Sunday, September 16th. Preparatory services on Saturday before at 2 o'clock p. m. Wish to see a large congregation present. Rev. N. D. Bodie, pastor.

This is a cotton county, what do we care for expenses, give us another brown's worth of crackers, or cigars on ice.

"THIS IS A HORSE" ONCE there was a small boy who wrote "This is a Horse" after trying for hours to draw a copy on his slate of a thoroughbred racer. He admired the horse, wanted it, but had neither the ability nor the experience to get him. He therefore tried to draw one. When his labors were complete, he looked first at the genuine article, then at the miserable imitation, and after long deep study wrote THIS IS A HORSE, realizing his failure and inability to reproduce the genuine, and he knew without "This is a Horse" written below, no one would recognize what he had tried to make. Would-be competitors have tried for years to imitate Grape Tobacco. They make big k plugs of similar size, but of less weight, and put in it all sorts of various concoctions, mixtures and kinds of tobacco, but all failed to get the business and hit upon the small boy's plan, and printed on the tag "SOMEBODY'S SUN CURED." They all advertise and tell you that SOMEBODY'S SUN CURED tag is valuable. Of course it is (it cost about 15 cents per thousand) but how about the miserable imitation of Grape Tobacco the tag is on? Somebody's Sun Cured tag is more valuable than any other tag. This is a HORSE makes a valuable genuine horse. MORAL: CHEW GRAPE TOBACCO—MADE IN RICHMOND
