

Woodmen Go to Davie County.

On Sunday last the members of Rosewood camp, Woodmen of the World, accompanied by a number of other citizens went to Davie to be present at the unveiling of a monument erected over the grave of the late Sovereign Samuel Pickler. An interesting programme had been arranged, consisting of music, recitations, etc. Addresses were made by the Consul Commander and Sovereign E. B. Lewis.

The New Hospital.

A handsome engraving of the proposed new city hospital is on exhibition at the drug store of Klutz & Co. It shows up most attractively and it has been commented upon most favorably. A sum of money, said to amount to \$10,000, is needed to make the necessary alterations in the building and the mayor will soon start a vigorous canvass to raise the needed cash.

Officers After Manly.

A reward has been offered by the Virginia Safety and Deposit Company for the arrest and delivery to the sheriff of Rowan county, of W. W. Manly, the recent manager of the Robert Portner Brewing Company's business here. Mr. Manly is accused of being short in his accounts to the extent of \$1,700. He was given a certain time to make good, until Monday the 10th. He was in town that day but has not been seen since by any of his acquaintances. Mr. Manly may possibly be away endeavoring to arrange for a satisfactory settlement of the matter.

Following The Flag.

When our soldiers went to Cuba and the Philippines, health was the most important consideration. Willis T. Morgan, retired Commissary Sergeant U. S. A., of Rural Route 1, Concord, N. H., says: "I was two years in Cuba and two years in the Philippines, and being subject to colds, I took Dr. King's New Discovery for Consumption, which kept me in perfect health. And now, in New Hampshire, we find it the best medicine in the world for coughs, colds, bronchial troubles and all lung diseases." Guaranteed at all druggists. Price 50c and \$1. Trial bottles free.

Captain And Son Lost.

Washington, N. C., Dec. 11.—A small fish boat was picked up at 9 o'clock tonight off Core Point, 15 miles down Pamlico river from this city by the Prudence, of Philadelphia, who on hearing of her distress lent assistance, and found her bottom up. Capt. Silverthorne, and son, of South Creek, composing the crew were lost, leaving no traces except a hat, box meat and bed clothes. The fish boat was towed to this city and is now lying at the Crystal Ice Company's dock. The boat was probably capsized by heavy seas and heavy wind. There is no news of the lost men.—Special to Charlotte Observer.

In Memory of Washington.

Fredericksburg, Va., Dec. 18.—Tomorrow being the anniversary of the death of George Washington, the Masonic lodge of this place has arranged to pay its customary tribute by placing a wreath of flowers on the tomb of the first President at Mt. Vernon. It was in the Fredericksburg lodge that General Washington was made a Mason, and the old record books of the lodge containing the minutes of the meeting at which Washington received his degrees are still preserved by the lodge, as well as a number of other relics of Washington as a Mason.

Another Delay.

... has been talk of a new depot here. Recent alleged arrangements have led citizens to believe that this depot was only a question of a very short time. It is now stated that the Mayor has received a letter from General Manager Ackert in which that official says, that the completion of the new depot will be delayed by reason of the fact that the offices of some of the division superintendents will be located here, and the management has decided to make the depot a two-story building. Citizens generally hope all these delays will finally cease, and that the much talked-of new depot will take on substantial form.

Wreck at Woodleaf.

A freight wreck on the Carolina Midland Railroad yesterday afternoon, near Woodleaf delayed the two passenger trains for several hours. Capt. Morrison's train which left here at 2:45 for Charlotte, and the Mooreville train leaving at 5:30 p. m., were held at the wreck until 1 o'clock the following morning. Passengers for Charlotte and other Southern points were transferred at Barber's Junction. Outside of blocking the track very little damage was done. About three coal cars were derailed.—Winston Sentinel.

MRS. SARAH J. WINDROM

Mrs. Sarah J. Windrom of Chicago, cousin of Zachary Taylor, twelfth president of the United States, and grandniece of Alexander Hamilton, who signed the Declaration of Independence, says:
"Vinol is a Godsend to old people. I am 76 years old, but have a hearty appetite, sleep soundly, and feel active and well today, thanks to Vinol. When I was young cod liver oil was dispensed in a greasy, unpalatable form, and it fairly gagged me to get it down. Vinol is entirely different, very palatable and nourishing to impoverished blood. It is the finest tonic and strength creator I ever used in my life."
"Vinol is a real cod liver preparation from which the useless oil has been eliminated and tonic iron added. Try Vinol on our guarantee."
