

Cortelyou Changes Offices.

Washington, March 4.—George Bruce Cortelyou, at a few minutes before 8 o'clock this afternoon, relinquished the office of Postmaster General to George Von Lengerke Meyer, of Massachusetts, recently American ambassador at St. Petersburg, and soon thereafter proceeded to the Treasury Department, where he took the oath of office as Secretary, in succession to Leslie M. Shaw.

UNION CHURCH.

March 4.

Now is the time to get busy and quit singing "Everybody works but Father."

Several of our young men from this vicinity went to the exhibition at Rowan Academy last Saturday. They report a very nice time.

Mrs. Peeler, mother of W. L. Banket, was buried at Union church cemetery last Sunday. The funeral services were conducted by Rev. N. D. Bodie.

John Earnhart is very sick at present. We wish him a speedy recovery.

The school at Union Academy will close March 8th. Several prizes will be awarded to those who make best use of their talents. Arrangements are being made for an exhibition on Saturday, March 9th. A very interesting program has been arranged. Come out and lend your attention. Rev N. D. Bodie will deliver the address of the day. Now don't forget to bring your baskets well filled. Everybody welcome, Mr. Editor, too.

HUSTLER No. 2.

Two States Storm-Swept.

New Orleans, March 2.—Southern Mississippi and Louisiana have for two days experienced the worst storm of the winter, the disturbance manifesting itself in torrential rains, electrical displays and cyclonic winds. At least one death was caused by the storm in Mississippi and thousands of dollars damage has been done. Philadelphia, Miss., reports a tornado which damaged small buildings. At Meridian, Miss., more than five inches of rain fell, making Sowashe creek a river half a mile wide. At McNeill, Miss., many bridges were washed away, and in the vicinity of Laurel planting has been temporarily abandoned. The railroads have suffered many washouts.

SUR HONOR ROLL.

A Few of the Good People who have Recently Paid Up.

The WATCHMAN is always glad to chronicle the acquisitions of good substantial people to its ever increasing subscription list, especially those who pay as they go. The man who pays is the one who counts most in anything. Actions are always worth more and go farther than promises. There would be no need of laws to enforce the collection of debts, if all men would "toe the mark" squarely and promptly as they should, and many homes would be made happier and brighter thereby. The following have recently paid something on their subscription to this paper:

Mrs Catharine Ruffy, W R Bean, Melton Shepherd, Abe Knox, A H Price, Henry A Winsol, Prof A W George, J F E Brown, A O Grubb, J Frank Wilhem, C E Miller, Ian Miller, L A Holshouser, A C McDaniel, D R Simpson, J C Trexler, W R Owen, C L Brittain, J S Blackwelder, J A Morgan, J F Cline, David Gobble, J M A Bost, J L Shuping, M L Parker, Mary I C Peeler, Jno D A Fisher, Stephen Davis, L M Peeler, Jno A Peeler, W L Safrit, A L Lyerly, Wm M McCambs, R Lee Wright, L J Klutts, Stephen Kirk, H C Kirk, J L Hartson, C B Welb, W D Rwe, W T Braisington, Rev J C Clepp, W T Barber, G o F Brown, Henry Young, W A Brady, Long Miller, C A Crowell, H C Vanhoey, J A Miller, Riley Morgan, B E Drake, L A Drake, J N Rimer, Tobias Holshouser, W C Rose, W H Goodman, R J Hart, Myrtle Kerr, J F Goodman, John Goodnight, R W Owens, Mrs Robt J Blair, C W Albright, J H Misenheimer, John Shepherd, John A Hedrick, T C Correll, Peter E Swink, J W Kepley, R M Trexler, Joseph Howard, B S Howard.

Oliver Don't Get It.

It has been definitely settled, that Oliver, the Southern man, is not to get the contract for building the Panama Canal after all. The government has given up the idea of giving out the work by private contract and will itself undertake to construct the waterway. This has been Mr. Roosevelt's idea all along. He wants to boss the job and is going to do it. Oliver had given every guarantee of his responsibility for the contract. He was turned down in his first bid to do the work for 67.5 per cent. of the cost, because his partner, Mr. Braga, was not satisfactory to the government. Then he got up a new company with a capital stock of \$1,500,000. The guarantee was absolute, but after holding Oliver in suspense for several weeks, he was finally notified that the government had decided to do the work itself. It is understood that Oliver is to be paid \$250,000 as a release for his claim. It is now up to Roosevelt, Root and Taft to proceed with the digging of the canal. Roosevelt had his way as between the sea level and the lock system, he has had his way about the contract for the work and the American people have now only to watch and wait for him to make good.—Charlotte Observer.

To Test Asiatic Feeling.

A bill, which has for its purpose the expression of the people on Asiatic immigration, was introduced in the state senate by Senator Keane, of San Francisco, by unanimous consent.

The bill will be rushed through the legislature. It provides that thirty days before the Presidential election in 1908, the governor shall issue a proclamation requesting voters to give an expression on the regular ballot for or against Asiatic immigration. Chinese are already excluded.—Sacramento, Cal., dispatch.

Cause of Stomach Troubles.

When a man has trouble with his stomach you may know that he is eating more than he should or of some article of food or drink not suited to his age or occupation, or that his bowels are habitually constipated. Take Chamberlain's Stomach and Liver Tablets to regulate the bowels and improve the digestion and see if the trouble does not disappear.

LOOK OUT FOR IMITATIONS

With Tags About the Same Color and Design As

This REYNOLDS SUN CURED Tag

The quality of the genuine sun cured tobacco used in REYNOLDS' Sun Cured and grown on soil where the best sun cured tobacco grows, has caused imitation brands to be brought out and offered as the genuine Reynolds' Sun Cured to unsuspecting dealers and chewers who do not look closely at the printing on the box and on the tag.

These brands only imitate the outward appearance and do not possess the genuine inside quality that has been found in Reynolds' Sun Cured ever since Reynolds' Sun Cured was introduced and which has so increased the chewing of sun cured tobaccos and proven so popular, that the word "Sun Cured" is now printed on tags or in the advertising of many brands claimed to be genuine sun cured tobacco.

Did you ever see the word "Sun Cured" used in any chewing tobacco advertisement, or on any chewing tobacco tag or label, or in any other way, before it was introduced and used to identify the genuine Reynolds' Sun Cured? You see it frequently now, because many imitation brands are being made to appear as nearly like Reynolds' Sun Cured as they dare—with tag, shape of plug and style of package so similar that experienced buyers sometimes accept these imitations as the genuine Reynolds' Sun Cured.

Don't be deceived into taking imitation brands for the genuine. Be sure the letters on the tag spell "R-e-y-n-o-l-d-s' Sun Cured," and you get the best value in sun cured chewing tobacco that can be produced for chewers. Sold at 50c. per pound in 5c. cuts; strictly 10c. and 15c. plugs, with chewing qualities like that which was sold from 60c. to \$1.00 per pound before Reynolds' Sun Cured was offered to the trade.
