### YADKIN VALLEY RIPPLES.

March 28rd,  
Farmers have taken advantage of the few days of good weather to rush their spring oats in.

The American Bridge Company has almost completed a new bridge across the river. There will soon be triplet bridges under the shadow of General Wheeler's camping ground.

W. P. Hackett, who has had a long seige of pulmonary troubles, is able to be about.

J. T. Yarbrough lost most of his sweet potatoes last winter, but nothing daunted, is preparing for another large crop.

The family of R. B. Lockhart will move from Asheville to the pump house residence soon.

Fletcher Young, one of our neighbor boys, surprised us all last Monday by getting married and going to Lexington on his honeymoon trip.

There is only one old bachelor left in the neighborhood and he has a bad case of spoons.

The former night pumper has resigned his position and is now tickling the earth, instead of the pump house crew. He says there is no money or telephones, but lots of fresh air and Irish potatoes in it.

Sam Snort, the former correspondent at Trading Ford, has moved to Spencer. He says that he sees so much in town to excite his dissipation that graphophone sociables, singing bees, spelling matches and journalism, have all lost their charms. Lets drop a tear of pity for him brother pencil pushers. The poet Laureate of the valley has dedicated the following lines to him:

Absent brother, leave the greedy marts of streets,  
And again tell us the county news,  
Hasten back to sylvan retreats,  
And court the journalistic muse.  
Deluded brother, thy gifted pen  
Bespeaks thy wondrous power,  
In the backwoods make thy den,  
We need thee every hour.

UNCLE TOM.

### UNION CHURCH.

March 25.  
Seems as if spring time is soot here according to the animated forests.

Just listen, several of the farmers of this vicinity contemplate planting corn this week. Hurrah for the early bird; he gets the worm.

John A. Boger, of Salisbury, visited G. A. Boger Sunday last. We always know you.

Services were held at the Kern's-Trexler school house yesterday morning at 11 o'clock by Rev. D. R. R. Myers. His talk was very interesting to all present. The house was crowded. Services again the fourth Sunday in April.

Capt. John H. Tippett was a visitor in the Trading Ford neighborhood last Sunday. Did you see him, Bro. Snort?

M. C. Parks has moved from this community to the Lintindry town, where he will resume his old trade.

We understand that the Hartman shops will now be managed by J. H. Tippett. Good for him, he'll see that things are done right.

What is it, and how is it? A big egg hunt will be held at John Goodman's, (near Union Church) on Easter Monday, commencing strictly at 2 p. m. Everybody invited to come and bring a handful of eggs, not less than two. This is a game probably every one don't understand and for full information see the instigators, Misses Beulah Mahaley and J. V. Goodman.

We understand that the Dunn's Mount series of services will begin Friday, March 29th, and continue for more than a week, day and night, Rev. Davis, pastor.

As it has been quite a while since I last scribbled, I've forgot-

ten my non de plume, but you bet I haven't forgotten the dear, WATCHMAN, just been lying low and reading what the other brothers have to say. With regards for editor, I am,  
CHUB.

### GOLD KNOB.

March 25, 1907.  
Who could wish for better weather in July than we have now.

Peach trees are blooming, doves are cooing, whippoorwills are singing and everybody is looking for spring.

Wm. Morgan has resigned as miller at the Dutch Creek Roller Mills and Wm. Aldreds has succeeded him.

The school at this place has closed. An interesting exhibition was given to the public. Rev. R. E. Neighbors, of the First Baptist church of Salisbury, and J. M. Proctor delivered addresses for the occasion.

The Rockwell base ball team crossed bats with Gold Knob last Saturday and the game was won by the Rockwell team.

Wm. T. Morgan is building a nice residence near this place.

The members of St. Peters church elected officers for the ensuing year as follows: Elders, Prof. L. H. Rothrock and Arthur Kluttz; Deacons, Jno. L. Trexler and Jno. M. Brady. The newly elected officers will be installed at the communion services Easter Sunday.

Mrs. Jno. L. Waller still improves, but slowly, and will perhaps be sometime before she will be able to be out.

Hello! Like to forgot. N. C. Park has traded horses and he now has the champion horse of the world.

We've got something at our house but we are not going to tell it.

Coming! Coming! the greatest exhibition of the age, and will be held at Barrier's school house Ascension day, May 9. Watch for programme.

Archie Holsouser and Harvey Brown have moved into their new residences.

We were sorry to notice that Bro. Bartlette suffered damage from the recent storm which passed through his place. Have patience, dear brother, we must take some bitter with the sweet of this world.

Murray Trexler visited at Henry Earnhart's last Saturday night.

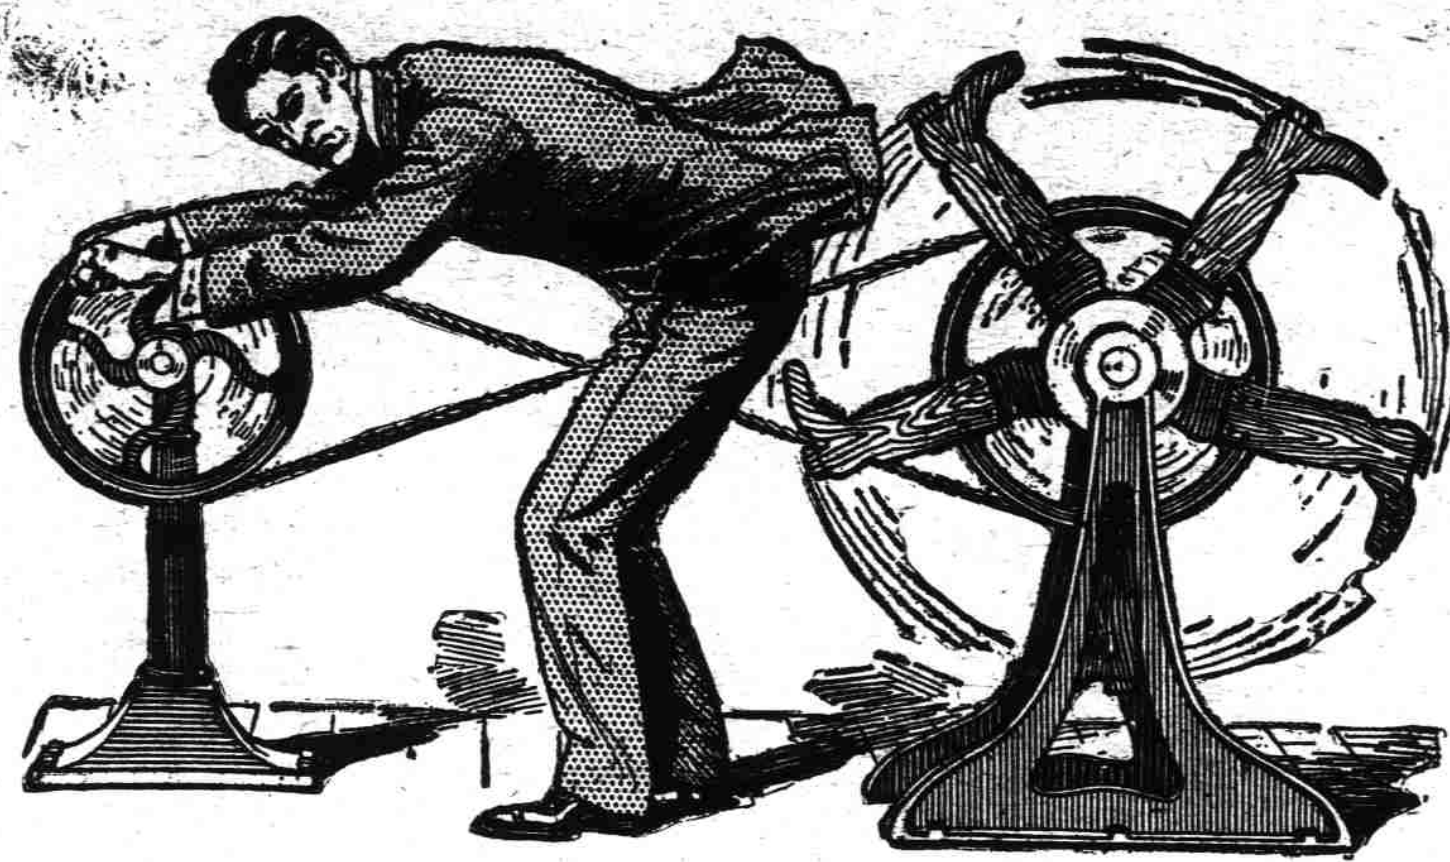

Sunday School was reorganized at St. Peter's last Sunday, March 24, and resulted with the election of the following officers: Superintendent, Arthur L. Kluttz; Assistant supt., F. A. Earnhardt; secretary, Jno. K. Linn; assistant secretary, Harvey A. Park; organist, Miss Roxie L. Trexler; assistant organist, Miss Maggie Park; treasurer, Jno. M. Brady. Sunday School will begin the first of April.

### A Humane Appeal.

A humane citizen of Richmond, Ind., Mr. U. D. Williams, 107 West Main street, says: "I appeal to all persons with weak lungs to take Dr. King's New Discovery, the only remedy that has helped me and fully comes up to the proprietor's recommendation." It saves more lives than all other throat and lung remedies put together. Used as a cough and cold cure the world over. Cures asthma, bronchitis, croup, whooping cough, quinsy, hoarseness and phthisis, stops hemorrhages of the lungs and builds them up. Guaranteed by all druggists. 50c and \$1.00. Trial bottle free.

### Cause of Stomach Troubles.

When a man has trouble with his stomach you may know that he is eating more than he should or of some article of food or drink not suited to his age or occupation, or that his bowels are habitually constipated. Take Chamberlain's Stomach and Liver Tablets to regulate the bowels and improve the digestion and see if the trouble does not disappear. Ask for a free sample. Sold by James Plummer, Salisbury, and Spencer Pharmacy, Spencer, N. C.

This man bought a supply of tobacco without acquainting himself with the distinctive taste of SCHNAPPS Tobacco, which has the cheering qualities that gratify his desire to chew, and at less expense than cheap tobacco.

SCHNAPPS has been advertised in this paper so that every chewer has had an opportunity to get acquainted with the facts and know that drugs are not used to produce the cheering quality found in the famous Piedmont country flue-cured tobaccos, and that SCHNAPPS is what he ought to chew. Still there are chewers who accept other and cheaper tobaccos that do not give the same pleasure.

Some day they'll get a taste of the real Schnapps—they'll realize what enjoyment they've missed by not getting SCHNAPPS long ago—then they'll feel like kicking themselves.

SCHNAPPS is sold everywhere in 5 cent cuts, and 10 and 15 cent plugs. Be sure you get the genuine.
