

**Brighter Prospects**

We have many actual photographs of cotton fields on which no fertilizers were used and pictures of fields on which "other makes" of fertilizers were used. Results of these crops were dismal failures. There are much "brighter prospects" ahead for the progressive farmers of the South. Two and three bales to the acre are only ordinary yields where

**Virginia-Carolina Fertilizers** are used with proper cultivation. Make your cotton mature early, and thus escape the boll weevil and other damaging insects. You can easily do this, as well as increase the number of bolls (and their size) on your plants by plentifully using Virginia-Carolina Fertilizers. This method will tremendously "increase your yields per acre." Don't be fooled into buying a substitute.

**NOTICE TO HORSE OWNERS.**

Owing to the fact that many horses are shipped to Rowan county and sold for \$500 and more each, and believing that harder and better horses can be produced here, we have purchased a French Coach Stallion, at a cost of \$3,200. This horse was bred under the supervision of the French government with a view to the combination of speed, power and elegance, which places the French Coach horse easily in the front rank among all breeds of the world. They are known to transmit their qualities to their colts with a surety that cannot be excelled.

This horse will be in Salisbury at Fisher Bros.' stable on the following dates: April 19th and 20th and May 8th, 17th and 27th.

Very respectfully,

**CHRISTIANA.**

P. Thomas Bangle moved into his new residence last Wednesday, and has gone to house keeping in big style.

A debating society was organized at Rowan Academy last Saturday night. The society was named St. Mary's in honor of the late Miss Mary Goodman, who taught two very successful schools there, and who is held in such high esteem by all who knew her. Eleven members were present who have started the society in full swing. John Peeler was elected president, L. A. Thomas, secretary and Edgar Peeler, janitor. The question chosen for next Saturday night is: Resolved, that intemperance has caused more sorrow than war. Everybody is cordially invited to attend these meetings.

Mrs. Strickler and children, of Concord, were visiting in this community last week.

**PAIN**

Pain in the head—pain anywhere, has its cause. Pain is congestion, pain is blood pressure—nothing else usually. And there is a sure way to cure it. It is to take Dr. Shoop's Headache Tablets. These tablets are made of pure vegetable matter and they act directly on the blood vessels, causing them to contract and thus reducing the blood pressure. The effect is charming, pleasantly delightful, though it is so powerful as to equalize the blood circulation.

If you have a headache, it's blood pressure. If it's painful periods with women, same cause. If you are sleepless, restless, nervous, if your blood is impure, if you are suffering from any of these ailments, take Dr. Shoop's Headache Tablets. They will cure you. They are made of pure vegetable matter and they act directly on the blood vessels, causing them to contract and thus reducing the blood pressure. The effect is charming, pleasantly delightful, though it is so powerful as to equalize the blood circulation.

**Relief From Rheumatic Pains.**

"I suffered with rheumatism for over two years," says Mr. Roland Curry, a patrolman, of Key West, Fla. "Sometimes it settled in my knees and lamed me so I could hardly walk, at other times it would be in my feet and hands so I was incapacitated for duty. One night when I was in severe pain and lame from it my wife went to the drug store here and came back with a bottle of Chamberlain's Pain Balm. I was rubbed with it and found the pain had nearly gone during the night. I kept on using it for a little more than two weeks and found that it drove the rheumatism away. I have not had any trouble from that disease for over three months." For sale by James Plummer, Salisbury, and Spencer Pharmacy, Spencer, N. C.

**ROWAN ACADEMY.**

May 11th, 1907.

We are having plenty of rain along now and cotton is coming up nicely. Wheat is coming out in heads and the song of the reaper will soon be heard.

The health of the community is very good at present.

D. T. Peeler left last Wednesday for Burlington, N. C., to attend the Classis of the Reformed church. Mr. Peeler went as a delegate from St. Luke's.

Frank Agner and family visited Mr. Agner's brother, of near Faith, last Sunday. Mr. Agner says that his brother told him he sold strawberries this season and only got 2c per quart. Gracious! Wouldn't we eat a long time at a quart if we had to pay that.

Little Misses Louana and Callie Frick, visited their brother, H. F. Frick, of Crescent, last night.

Several of the pupils of this vicinity attended the exhibition at Barger's, May 9th, and report a nice time. We didn't go, we went fishing and we caught some fish too. We had to hire a horse and wagon to bring us part the way home.

Seems that some of our people are getting scared up a little. Guess it is time to get scared when you see a light and when say something it comes right to you and you find it is only the little light alone.

Mr. and Mrs. D. L. Cauble and two little sons, of Granite Quarry, were welcome visitors in this neighborhood last Saturday, night and Sunday.

The CAROLINA WATCHMAN comes to every home in our community and all are anxious for its arrival. We believe that there are families which have never taken any paper except the WATCHMAN. Ask them why they like it so well, and they will tell you because it stands for the right. Success to the WATCHMAN and its many readers.

PATSEY.

**GRANITE QUARRY.**

Arthur G. Hudson and Miss Lillian G. Dry were married Sunday at Blacksburg, S. C. There was objection by the bride's parents and then South Carolina was not far away. They will live in Granite Quarry.

Mrs. Eunice Cody has been confined to her home by illness for several days.

Dr. J. H. Peeler's little daughter Evaline is confined to her bed with measles.

Miss Ellen Barringer of Union church, is visiting Rev. Geo. H. Cox.

Prof. William Fesperman is painting L. J. Klutz's new, large two-story store house outside and inside. A large stock of goods will soon be opened up in this store.

Brother Bartlett was in town Monday.

Sister Patsey let us hear from you.

SADIE.

**Hotel Property Sold.**

The Hotel Jackson property sold at auction last Tuesday, was purchased by D. L. Gaskill for \$26,800. The present proprietor of the hotel has a lease on the property which will not expire until July of next year and he will remain in charge of the business until that time. Mr. Gaskill will hold the property, for a time at least.

**Re-Union at Organ Church.**

The annual re-union of Confederate veterans was held at Organ church last Thursday. The Camp was well represented and a large gathering of people was present. Rev. Geo. H. Cox, chaplain of the Camp, presided. Addresses were made by John D. Barrier, of Concord, and A. H. Boyden of Salisbury. The following officers were elected for the ensuing year: Geo. A. Barger, chaplain; P. A. Sloop, 1st lieutenant; Wm. Beaver, second lieutenant; Rev. Geo. H. Cox, D. D., chaplain; A. W. Klutz, adjutant; J. A. Eddleman, sergeant-major; Jacob Stine, treasurer. There are about forty old soldiers buried at Organ church and their graves were decorated with flowers. A beautiful dinner was served.

**Memorial Day.**

May 10th, Memorial Day, was appropriately observed here. The exercises of the day took place at the graded school building. Quite a number of old veterans from different sections of the county were present. Capt. James R. Crawford was master of ceremonies and he introduced Rev. M. M. Kinard, pastor of St. John's Lutheran church, who offered the opening prayer. After some finely rendered music Hon. John S. Henderson called the original roll of the Rowan veterans. Col Paul B. Means, of Concord, was the orator of the day and he made a speech which charmed all who heard it. A dinner was served by R. W. Price under the auspices of the local chapter of the Daughters of the Confederacy. Early in the afternoon the pupils of the school marched to the three city cemeteries and decorated the graves of veterans with flowers.

**Please Take Notice.**

Last week we received a notice of the marriage of a couple in Morgau township, but the name of the writer did not accompany the notice and it was not published. The same notice was sent a second time and still no name with the communication. We are glad to get matters of news of this nature, but we must say, for something like the thousandth time, that we cannot publish an item unless we know who it comes from. We might publish a marriage notice like the one referred to, and cause a lady considerable embarrassment. We presume it is all right; but we must know who sent it before it will be published. All correspondents will please remember this in future.

**Canning and Preserving.**

The State Department of Agriculture has just published a thirty-seven page bulletin on the above named topics. The bulletin deals extensively with the canning of fruits and vegetables, and the fletthods of preparing sauces, catsups and pickles. Vinegar and wine making and the preparation of pure, unfermented fruit juices; the pickling of meats and fish and the manufacture of sausage are also dealt with. It is estimated that one-fourth of the vegetable and fruit crops of the State are annually wasted because the growers are for one cause or another unable to preserve the surplus crop which can not be consumed or sold in the fresh state. This bulletin is intended to teach how to utilize such fruit. It is written in plain, intelligible language and contains ample instructions to enable any intelligent farmer or housekeeper to preserve all our more important fruits and vegetables, so that what is now wasted in seasons of plenty may be kept for seasons of scarcity. This bulletin is sent only to those who write for it. The edition is limited and those who want it should apply at once. Address Department of Agriculture, Raleigh N. C.
