

Weak Women

To weak and ailing women, there is at least one way to help. But with that way, two treatments must be combined. One is local, one is constitutional, but both are important, both essential. Dr. Shoop's Night Cure is the local. Dr. Shoop's Restorative is the constitutional. The former—Dr. Shoop's Night Cure—is a topical mucous membrane suppository remedy, while Dr. Shoop's Restorative is wholly an internal treatment. The Restorative reaches throughout the entire system, seeking the repair of all nerve, all tissue, and all blood elements.

Made Just for You.

It stands to reason that in making flavoring extracts for our own trade, and requiring only a moderate profit, we can supply better extracts than some distant manufacturer who must provide for two or three profits.

There is a distinct saving here that goes into the quality of our extracts. Try them for cooking and see how much fresher, stronger and more appetizing our extracts are.

SOUTH ROWAN.

June 24th.

There will be preaching at Organ Church on Saturday before the second Sunday in July at 8 p. m. Communion services will also be held.

Miss Valda Shuping visited Miss Cora Shuping last Saturday night.

ROCKER.

POOL.

Mr. and Mrs. P. H. Crook, who have been visiting relatives here for a week, returned Sunday to their home in Troy N. C. Their baby was very sick during their stay here but was some better when they left for home.

We had the severest storm of this summer Saturday evening. The wind did damage to wheat that was standing and blew down what was on shocks. Roby Crook's stove-flue was blown off level with the roof and many fruit trees were blown down.

Raus Briggs is very sick at this time with malarial fever. His condition does not seem to improve.

Miss Mamie Morgan one day last week thought she would get rid of the chicken mites in her coop and filled it up with straw and applied the match, and since then the chicken roost "on de fence" We don't think she had any insurance on the coop.

Walter Burrage has corn tassels in his corn patch. They are the first we have seen. Soon be "rosen ear time."

John W. Morgan has the finest corn in this community. The wind blew it down in last Saturday's storm very bad, but as there was no hail the damage was light.

To Sam Sniggleton, Jr.: We would like to play your team a game of ball July 4th, on yours or our ground either. If you can play let us know this week as we are thinking of playing New York as soon as we think we can win.

A Mitchell County Fire-Eater.

Andy McGee who carries the mail from Magnetic to Bakersville, is a monstrosity. He can eat live coals of fire with impunity, and with a spoon. If you doubt this just bring him a live coal and a nickel and he will masticate the coal and pocket the nickel. This is not all, for he told us for one dollar he would pour a spoonful of molten lead in his mouth and let it cool and then take it out and wipe off the spittle and give it to us a solid piece. What can the devil do with such a man?—Bakersville Observer.

Sensational Surprise at Lenoir.

Lenoir, N. C. June 21.—There occurred a sensational surprise here today, when A. W. Dula, jeweler, had his clerk, H. H. Tomberlain, arrested for stealing several watches and some small pieces of jewelry. He was bound over in \$200 bond until court, which was quickly given.—Special to Charlotte Observer.

June 20th.
John A. M. Brown, who has been working for the Crescent Manufacturing Company, is at home this week cutting wheat and oats.

Will Josey, our merchant, enjoyed himself very much at the district Junior meeting in Salisbury, but not as much as Monroe Peeler, of Faith, did at Whitney, where he had such good lemonade.

R. F. Crooks goes to Davidson the first and third Sundays of each month to preach for the people in the upper Davidson charge.

Lightning's Strange Freak.

A whole family was stunned by lightning at Janvier, four miles from here during Sunday's storm. The family of David Runge was sitting about the room talking when, according to narrative of the persons involved, a bolt of lightning came down the chimney, entered a cupboard and shattered many glasses and dishes, passed across Mr. Runger's arm and killed a valuable dog he was patting on the head. Mr. Runger's arm was paralyzed and useless for three hours. Then the bolt ran across the floor and affected the knees of Mr. Runger's daughter, then paralyzed the son's leg and finally jumped to the cradle, making a red streak across the baby's breast.—Clayton correspondence Philadelphia Public Ledger.

A Necessity, not a Vice.

Officials here declare the use of tobacco to be not a vice but a necessity, in a decision by the comptroller of the treasury today. The question arose through a number of laborers employed for the construction of the Panama canal, who had been in quarantine, demanding tobacco during their confinement. The comptroller says in allowing the charge for supplying this tobacco, that it has long been recognized as a necessity and not a luxury among laboring men, and like coffee, while it may be deleterious to health, man has been accustomed to its use and when such laborers are confined tobacco is as necessary as meat and drink to them.—Washington dispatch.

I will mail you free, to prove merit, samples of my Dr. Shoop's Restorative, and my Book on either Dyspepsia, The Heart or the Kidneys. Troubles of the Stomach, Heart or Kidneys, are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak Stomach nerves—the inside nerves—mean Stomach weakness, always. And the Heart, and Kidneys as well, have their controlling or inside nerves. Weaken these nerves and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves." Also for bloating, biliousness, bad breath or complexion, use Dr. Shoop's Restorative. Write me today for sample and free Book. Dr. Shoop, Racine, Wis. The Restorative is sold by Grimes Drug Store.
