## PINEY WOODS.

July 1st.  
The nice weather we are having now is favorable to the farmers. We have been having nice showers occasionally which have made the corn grow. Some of our people are turning their fields of wheat ground and planting corn and peas. Harvest is a thing of the past.

A number of youngsters gave an ice cream supper at A. W. Shaver's Saturday night. We had plenty of cream and a good time.

Mrs. Linda Arey, who has been confined to her bed for a few weeks, is able to be up and about.

The annual protracted meeting at Corinth Baptist church will commence the third Sunday in August. We are informed that Rev. Sims, of Albemarle, will assist the pastor, Rev. J. R. Miller.

There will be an ice cream supper at C. G. Morgan's Saturday night.

H. S. Trott, of New London, will move his saw mill near J. A. Lisk's and will saw some of the blown down timber for E. C. Shaver and others.

Lewis Frick, who has been in the employ of the Southern for several years, was hurt near New London, on the 28th. He was freeman on the work train and by some means a tie fell on his shoulder inflicting severe bruises. He was taken to the sanatorium at Salisbury.

J. N. C. Morgan, one of our most progressive farmers, has harvested 700 shocks of wheat.

The poor Pineywoods is well blessed with agents of all kinds. Within the last week we have been visited by agents for tombstones, fruit trees, maps and other things too numerous to mention. One kind that has never visited us before is the well curbed agent. Any one desiring most any sort of an article can come to the Pineywoods and he can find an agent for it.

J. I. Basinger & Co. will start to threshing wheat in a few weeks. They will have to go out of our section to get much to thresh as the storm did so much damage.

Chal Whitley and Love Hill were visitors at C. G. Morgan's Sunday. Wonder which got the dollar?

I. Cowan Shaver, adjuster for the Rowan Mutual Fire Insurance Company, has been around adjusting the damage to buildings of those who were insured.

We are getting fat now since we are getting plenty of beans and cabbage to eat. Come around Trotter, I will not fool you as you did me about that fish.

Uncle Josh, of Millertown, visited in our section Saturday night and Sunday. Come again Bud.

Crops are looking slim in our community. The Irish potato crop is fine.

Blackberries are plentiful and ripening very fast. We girls will soon have to get out and pick them, for they are all the fruit we will have.

There will be an ice cream supper at Bud Morgan's next Saturday night. Girls, let's all go and have a nice time.

Misses Bessie Lisk, Addie Shaver and Esther Parker visited Miss Mary Shaver Saturday night. Harvey Wyatt was also a pleasant visitor.

Miss Earnie Shaver and Burdette Shaver visited at A. W. Shaver's recently.

Miss Ada Eagle, of Salisbury, is visiting relatives and friends in our community. We are glad to have our cousin with us again.

W. C. Lisk is going to move his saw mill on A. W. Shaver's place in a short while.

Luther and Lee Miller, Misses Freda Kirk and Pearl Miller visited Misses Dovie and Lillie Shaver Saturday and Sunday.

Messrs. Neely Lisk, Love Hill and C. L. Basinger gave an ice cream supper at A. W. Shaver's Saturday night, which was much enjoyed by all. There were about 75 present.

Mrs. M. M. Shaver and little son, Curtis, have returned from Salisbury where they have been visiting relatives and friends.

Aaron Russell and brother were visiting at Hardy Whitley's Sunday. Guess there must be something doing down there.

Milas Arey was a pleasant visitor at I. C. Shaver's Sunday. Come again, Milas, we are always glad to see you.

Mrs. Jim Arey is able to be up and about again, we are glad to say.

### ROCK.

July 1st.  
Farmers are getting along nicely with their work, considering the rains we are having.

Much of the wheat has been hauled in and it will all be in in a few days.

Fulcaster wheat is good this year.

John Shuping's spring wheat is just turning. The green bugs bothered it some, but what is still on the ground is good.

A. W. Shuping has a pig seven weeks old which weighs 49 pounds. Corn has a good color and is growing nicely.

D. C. Powlas' baby is quite ill.

J. R. Stadler is preparing for an extended fishing trip.

J. L. Stirewalt has a fine crop of early potatoes.

Your brain goes on a strike when you overload your stomach; both need blood to do business. Nutrition is what you want, and it comes by taking Hollister's Rocky Mountain Tea. 85 cents, Tea or Tablets. T. W. Grimes Drug Co.

## FAITH.

The service of the holy communion will be celebrated in Shiloh Reformed church at Faith on the first Sunday in July. Service preparatory to the communion will be held on the Saturday preceding at 8 p. m.

Pastor Heller, of the Reformed church, exchanged pulpits with Rev. Shuford Peeler, pastor of the first Reformed church, of Greensboro, on the fifth Sunday in June.

The stand and the seats in the grove have been placed where the speaking will take place the Fourth of July. Professor W. H. Swist, of Greensboro, will be the speaker of the day and a large number of people will be here as usual. People from Concord will be here with their refreshment stands. They were here and made arrangements.

John W. Frick, of Granite Quarry received the contract from C. C. Wyatt for the lumber for his new residence and is delivering it. Work has commenced on the building. It is near Daniel Hinceman's, between Faith and Granite Quarry.

Several of our people have gone to Salisbury to hear Carrie Nation speak, the lady we read so much about, the great saloon smasher.

Holt, Slower and Hall, of Albemarle, went down the road with a new threshing machine today.

Mr. and Mrs. H. C. Farmer's little boy is not quite nine months old and it is now commencing to walk alone. If anyone can beat that trot out your boys next issue.

We had another gully-washer rain Friday.

Peeler, Bame & Co., have been awarded the contract for all the granite that goes in the new front of the Central Hotel in Salisbury, that is now being put in.

Mrs. George Hoffner is the administratrix of her husband's estate. The big plantation will be divided up between the heirs.

## SOUTH ROWAN.

July 1st.  
The rains that we have been having is just the thing to make the crops grow. Cotton has started to grow very fast, but we will not have any blooms until the Fourth of July.

Everybody is making preparations to go to Faith on the Fourth. John Jackson got a bruise while playing baseball three weeks ago and is yet unable to do anything.

Miss Mader Yost, daughter of J. B. Yost, has been very low with typhoid fever for a short time. We wish her a speedy recovery.

The blackberry crop seems to be very plentiful, and some of our neighbors are devoting much of their time to picking them. We have not picked many yet as we are too busy farming.

Marshal Holshouser purchased an Aberdeen bull, four months old, that weighs 880 pounds for \$20. Who can beat that?

As I made a mistake in the paper last week I will correct it. In the place of communion services being held on Saturday before the second Sunday in July it will be held on Sunday following. There will be preaching on Saturday afternoon at 8 o'clock.

The Rock boy's second nine will play a game of baseball with the Klutz boys in Daniel Beaver's pasture next Saturday afternoon.

### When to Stop Advertising.

"When the population ceases to multiply and the generations that crowded on after you and never heard of you stop coming on."

"When you have convinced everyone whose life will touch yours that you have better goods and lower prices than they can get anywhere."

"When you stop making fortunes solely through the direct use of this mighty agent."

"When you forget the words of the shrewdest and most successful men concerning the main causes of their prosperity."

"When younger and fresher houses in your line cease starting up and using the trade journals in telling people how much better they can do for them than you can."

"When you would rather have your own way and fail to take advice and win."—The advertising Agent.
