At first there was no clue to the thief, but later Fred Glosson, a young white man employed at Spencer, confessed to the robbery. He had bought some laudanum and intended to commit suicide. William Davis, formerly of Mocksville, better known as "Cotton Bill Davis," is running Mr. Fink's farm this year and pulled the blossom and held it till his arrival. He is quite proud of this and has good reason to believe it is the first of the season in Rowan.

Joe McDaniel, a young white man employed by Ernest Arey as driver, was thrown from his wagon and killed Tuesday evening. He was driving on Long street when his horse took fright and ran away. A High Dive to the Solid Ground.

Will Fesperman, who has made a habit of standing on his head on the top of a thirty-foot pole for a number of years, came very near discontinuing the practice here July 4th. He was to give his usual exhibition at the park and had climbed the pole for so doing, but, owing to being a little limber-jointed and sleepy, he failed to hold with a grip sufficient to assure his remaining at the top of the pole and completing his performance. His descent was very sudden and had it not been for the solid ground below he might have been falling yet. His sudden stop jarred him some and the life fluid that came out of his mouth caused some of the many spectators to imagine that he was injured. But not so. Bill will not allow a little thing like that to stop his sport. He was picked up, taken to the hospital, soon revived, and returned to his home, Friday morning, little the worse because of his experience.

Rev. Robt. L. Coit to Korea.

Recently it was announced from the pulpit of the First Presbyterian church here that Rev. Robt. L. Coit, who is now assistant pastor of the Second Presbyterian church in Charlotte, would go to Korea as a missionary some time this fall. To this end Rev. Coit has made application and at a recent meeting of the foreign mission committee of the Southern Presbyterian Church, held in Nashville, Tenn., it was decided to appoint Rev. Coit to the field he decided to enter. With Rev. and Mrs. Preston already at work in Korea, this will give Salisbury a fairly good representation in the work now going on in that distant land. Splendid results are reported by the workers there.

A Freak Potatoe.

J. P. Webb, who lives in Unity township, was in the city Saturday and brought with him a potatoe freak. It consists of an Irish potatoe vine with a lot of small potatoes growing on the top of the vine. The vine had, beside 25 potatoes on the top, at least a dozen of fine ones on the roots. These potatoes are of the Red Bliss variety and this is something never heard of before. Mr. Webb says his vines were so full that these were just the overflow and were crowded out of the ground.

1804 Dollar Sold for \$3,600

Philadelphia, Pa. June 26.—Three thousand six hundred dollars the price paid for one silver dollar at the auction sale of the Matthew-Siokeny collection of coins recently in Philadelphia Henry Chapman was the bidder for a collector known only as "Hercules." He was the same who paid \$6,200 for the Braasher New York doubloon face value \$16, yesterday. The dollar that sold for \$3,600 was one of the remaining six silver dollars of the mintage of 1804. During the first hour of the sale gold coins were sold. There was spirited bidding for an 1815 one-half eagle \$5, nearly all the coin missions and collectors present contended for it. It was finally knocked down to S. H. Chapman for \$2,000. Mr. Durham of Chicago, paid \$560 for an 1819 \$5 piece and two or more of the same denomination were sold to S. M. Chapman, an 1821 for \$200, and 1824 for \$120. Mr. Brand was the successful bidder for four half-eagle an 1826 for \$300, and 1827 for \$350, and an 1828 and 1829 for \$300 each. Gold pieces of the \$2.50 denomination sold as low as \$2.75 to as high as \$200 for 1797 and \$165 for an 1826, both high prices being paid by Mr. "Dime." The highest price paid for a gold dollar was \$80.

The first dollar sold, a 1794 the first dated dollar issued by the United States, brought \$190 from S. H. Chapman.

The Great Fourth.

Most probably without the least desire to fittingly celebrate the fourth of July, the street car company, the saloons and some friends of both had considerable advertising done purporting Salisbury's great patriotic ambition. A considerable crowd of thrifties and some others duly arrived, and outside of those attracted by the squeaking of the bands a few policemen on horses, some folks in buggies and the hose wagon, the bars and cars, did a land office business, hence they greatly appreciate the opportunity to celebrate. Of course Sister Carrie Nation succeeded in having a crowd and gathering in a quantity of the E. Pluribus Unum coin, that she is now so energetically chasing. And the baseball game, not highball, as the Stateville Landmark insinuates, really took place. It was almost equal to the performances that can be viewed in most any old field about the town at any time you have the time to waste that way. Salisbury made a score of 0, and Lexington 8. The fire works at night are said to have been passable, but liked about \$170 of being \$200 worth. Mr. My Self's speech, of Hickory, was worth a whole heap to any one who does not know anything or had never heard anything. The sham battle was properly named. Hurrah for the fourth of July! May it come every year.

Marriages

Luther Hoffman, Salisbury's clever meat dealer, surprised many of his friends last week by taking unto himself a bride. The ceremony took place at Coolemes last Wednesday. The bride was Mrs. Alice Graham of Woodleaf, Rev. S. J. Brown officiated. Mr Hoffman's many friends all wish him much joy in his new relations.

J. W. Williams, of Danville, Va., and Miss Shelby Tarlton, of Spencer, were married at the home of the bride's mother, Mrs. Bell Tarlton, Tuesday. Rev. J. E. Gay officiated.

The Summer Drink

Pabst Blue Ribbon Beer is the ideal summer drink. Cooling, satisfying and refreshing, it adds to the enjoyment of the outdoor luncheon for it is a food as well as a drink. Pabst brews for food qualities as well as for purity and flavor. Pabst found the only way to get all of the food-values out of the barley-grain was to follow Nature in making the malt, by growing it slowly and scientifically, and he therefore perfected the Pabst Eight-Day Malting Process. Pabst Malt is richer in nutrient than other malts.

Pabst Blue Ribbon!

The Beer of Quality
is a more healthful, wholesome food than other beers. The Pabst Perfect Brewing Process blends the rich food values of Pabst Malt with the tonic properties of the choicest hops under conditions that insure positive purity, while reducing the percentage of alcohol to the minimum—less than 3 1/2%. Pabst Blue Ribbon is the ideal family beer, because of its food values, its purity and its remarkably small amount of alcohol, making it a truly temperance drink.

Made by Pabst at Milwaukee. And Bottled only at the Brewery. J. F. Ludwick, 225 E. Third St., Salisbury. Phone 75.
