

Indigestion

Stomach trouble is but a symptom of, and not in itself a true disease. We think of dyspepsia, heartburn, and indigestion as real diseases, yet they are symptoms only of a certain specific nerve disease—nothing else.

It was this fact that first correctly led Dr. Shoop in the creation of that now very popular Stomach Remedy—Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought that success and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishments were ever to be had.

For stomach distress, bloating and gas, head, breath and sallow complexion, try Dr. Shoop's Restorative—Stomach Remedy—and see how well it will do for you. We sell and cheerfully recommend.

HIE HOUSE.

July 4th.
R. Frank Miller, of Granite Quarry passed through our town this morning en route to Pool to spend the Fourth with relatives.

The Bean Threshing Machine Co., has employed A. L. Ketchey to do some work on their boiler, Saturday, July 13th, so as to have all things in readiness for starting out Monday following.

Crops are looking fine. Wheat is good, fall oats are not much, but corn is growing very fast.

We had a good rain Tuesday.

Mrs. A. L. Ketchey visited David Ketchey Sunday, July 6th.

Eli Morgan has corn silks already dry. I think he has "roasting ears."

We visited the section where the hail beat the vegetation to pieces some weeks ago. The corn has come out and looks very well, only a little ragged near the ground.

We people of this section would be glad for the road supervisor to have some work done on the Gold Hill road. People along the road have to fill up gullies and ruts before they can haul their wheat.

Most people have their wheat hauled and ready for the threshing machine.

Blackberries are ripe and a good crop.

Luther Eagle, of Salisbury, spent Saturday night and Sunday with his father, Daniel Eagle.

CLAW HAMMER

GOLD HILL.

July 8th
Levi Trexler had a call in Providence township last week to doctor on a sick horse for Libress Ludwig.

Pola Trexler and family visited at J. T. Crauford's Saturday night.

We think Dr. Morgan is going into the huckleberry business as he comes down in the burned woods quite often, lookout Doctor, you will get full of red "chiggers."

We see Mr. Tyack's clerk did not heed our warning as he went across the creek again Sunday. If you get drowned Thaddeus don't blame us, we told you in time.

We think the panthers got after Roby Hill as he does not go down as usual.

There is a rumor that two parties near Liberty X Roads will go into cohort and trap this winter. You will hear more later.

Tell Klutz, visited at Geo Trexler's Saturday night.

Walter Ribelin and Walter Eagle went to an ice cream supper Saturday night at Joseph Poole's in Providence township.

Theo. T. exler went to Richfield Saturday evening to see his sister Mrs. N. J. Arey.

Mrs. A. T. Klutz and daughter have been canning blackberries.

LITTLE BOY.

Fish Worth Catching.

The talk around the club table shifted to fish and fishing, with the usual astonishing consequences. "Well, gentlemen," said the man who was fortunate enough to tell the last story, "the best day's sport I ever had was off the coast of southern California. There were three of us in the boat, each of us had three lines out, and we simply couldn't pull them out fast enough."
"What kind of fish were biting?" asked an indulgent listener.
"I don't know what the natives called them," said the fisherman, "but they were big enough to be iothysauruses."
"Maybe they were whales," Frank," suggested an ironical member.
"Whales?" exclaimed Frank, with a look of disdain, "whales indeed! Why, man, we were baiting with whales!"

SHARK ATTACKS BATHER.

Fireman's Experience Turns His Hair From Black to White in a Day.

The arrival of the big steamer Arizonan yesterday brought a harrowing tale of a battle between Frank Fonda a member of the crew and a shark in the water at Salina Cruz, in which the shark with his teeth tore the fore arm off the unfortunate sailor. Three fingers were ground in the massive jaws of the big fish, while Fonda's right foot was almost severed.

The tragedy occurred on a hot day while the Arizonan was lying at Salina Cruz, about forty members of the crew went bathing among the breakers. Fonda's companions observed him waving his arms wildly in the air as if to beat off something and their sink beneath the waves. They thought however that he was playing the drowning trick and laughed.

Soon the water where Fonda had been swimming became dyed a blood red and the man's companions secured a boat and put out to save him. As they approached the spot where the blood colored the water there was a splash and the shark coming to the surface rolled over displaying its glittering belly. In its jaws the men could plainly see a piece of Fonda's foot. Two of the men beat the shark off with oars and then diving brought to the surface the mutilated body of the fireman.

He was taken ashore and was found to be still living. A litter was made upon which Fonda was placed and taken to the hospital. He is now at the hospital at Salina Cruz fighting between life and death. His hair had turned from a jet black to white. It is expected that he will lose his foot and several fingers. The shark measured ten feet in length.

LIBERTY X ROADS.

Poole and Jackson College base ball teams played a match game Saturday. The score was 13 to 18 in favor of the Poole boys. "Big Tom" was Poole's crack pitcher. Other teams desiring to hire a pitcher will do well to get "Big Tom."
