Chip

CHIP TOBACCO is one of the best and largest plugs of fine-cured goods ever offered the consumer at 10c. It is manufactured by a strictly INDEPENDENT firm, a concern depending solely upon the good will and patronage of the people at large; a patronage only desired upon the strength of the superior quality of their tobacco. That it has earned this appreciation is amply proved by the tremendous and rapidly increasing demand for CHIP. In fact, wherever their tobacco comes into competition with other makes, whether with the people or before judges of the world's great exhibitions, they are invariably winners. Call for CHIP and save the tags as they are valuable.

A copy of our 1907 premium catalogue, which is one of the largest and most attractive ever gotten out by a tobacco manufacturer, will be mailed to any address in the United States on receipt of only 4c in postage stamps or 5c of the tags we are redeeming.

FARMERS INSTITUTES.

Salisbury, Tuesday, July 30; China Grove, Friday, Aug. 2, 1907.

It is quite certain that a large majority of our farmers are not getting as good results from their farming operations as is possible without increasing either labor or expense.

Take for instance our great crop, corn. Do the 2,750,000 acres planted in corn produce what they should? Can we not increase the yield and the net profit by better methods? Do we select the seed in the best way? Do we plant the best varieties? Are the right kinds and amounts of fertilizers used and applied in the best way? Is our method of cultivation the best and done at the least expense? Is the crop harvested so as to secure the greatest feed value from it and at the least expense?

As long as the average yield for the State remains below fifteen bushels per acre it is certain that the average man still has much to learn about growing corn and it is probable that the best corn grower can also learn something and still improve his methods.

The purpose of the farmers institute is to discuss just such questions relating to corn culture and similar questions about all other crops and farming operations. If the farmers of the county will come out and discuss such questions with a view of increasing their knowledge and improving their farming this institute may be of untold value to the county.

ROCKWELL.

July 4th
The glorious fourth was celebrated by the boys of Rockwell with foot races, and prizes were awarded to the winners as follows:
50 yard dash, won by Chas. Holshouser.

8-legged race, by Hilbert Lyerly and John Linn.
Potato race, by Chas. Holshouser.

Sack race, by Chas. Holshouser.
Egg race, by Clarence Peeler.
Relay race, by Joe Misenheimer and Chas. Holshouser.

The performances were witnessed by many of the people of the town and surrounding country and much interest was shown. The boys all did good running, but of course all could not be winners.

The threshers passed through town yesterday evening and threshed H. L. McCombs' wheat crop without stopping. Pretty good for the first of the season.

B. A. Fesperman & Co., will begin the erection of their new store building next week. Lyerly & McCombs are the successful contractors.

McCombs, Linker & Co., will soon begin making brick for the big cotton factory which is to be erected here.

One of our local saw mill companies has moved their mill on J. S. M. Miller's place, just at the edge of town and we expect to hear the hum of the saw by the last of the week.

The Lutheran congregation, recently organized here, will begin work on their new church in a few weeks.

Mrs. Ratley, wife of Section Master J. H. Ratley, and her sister, saved a train from running into a burning trestle, on the Atlantic Coast Line, 11 miles this side of Wilmington, last Saturday. Seeing the trestle burning they went down the road and flagged an approaching accommodation train with a red skirt. The train stopped within 20 feet of the burning trestle.

The Doctor Away From Home When Most Needed.

People are often very much disappointed to find that their family physician is away from home when they most need his services. Diseases like cramp colic and cholera morbus require prompt treatment, and have in many instances proven fatal before medicine could be procured or a physician summoned. The right way is to keep at hand a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. No physician can prescribe a better medicine for these diseases. By having it in the house you escape much pain and suffering and all risk. Buy it now; it may save life. For sale by James Plummer, Salisbury, and Spencer Pharmacy, Spencer, N. C.

WOMENS INSTITUTES.

Salisbury, Tuesday, July 30; China Grove, Friday, Aug. 2.

Those not familiar with the purposes of the institutes being held by our State Department of Agriculture for the benefit of the women in the farm homes may be interested in knowing something of the class of subjects discussed at these meetings. Any or all of the following may be discussed if those present desire:

The farm fruit garden, the farm vegetable garden, farm poultry, farm butter making, beautifying the home surroundings, home conveniences, literature for the farm home, home making, home nursing, cooking meals, vegetables, etc., bread making, educating the girls on the farm.

These are a fair sample of the questions that may be discussed at these womens institutes; and surely they are practical subjects and an intelligent discussion of them cannot fail to be of much benefit to those who attend. If sufficient interest is manifested by the women of this county in these institutes it is the purpose of the Department of Agriculture to make them regular features of the annual Farmers Institute for this county. It will benefit every woman in the county to attend this institute. She may hear facts that will be of value to her in her work, but if she does not she will still be benefited just the same, for she needs the day's outing. We hope there will be a large attendance at this Institute.

Sensation at Bamberg, S. C.

Columbia, S. C. July 6.—A gentleman who left Bamberg late this afternoon says that the town is intensely excited over the action of an unknown white man who yesterday afternoon on meeting three ladies outstrolling in the suburbs drew a revolver on them and marched them out of town ahead over a wire fence into a pasture where in a secluded spot he compelled the three to take a seat on the grass. At this juncture the strangely acting man was frightened away by three negro wood choppers passing through the pasture.

The ladies hurried back to the city and gave the alarm. Searching parties have been out all day with hounds, the chase being started last night. The man was finally tracked back to the city to-day and the general belief is that he is a resident of the place. The Columbian is of the opinion that if the man is caught he will be lynched. The ladies say they will be able to positively identify the right man. —Correspondent of Charlotte Observer.

I will mail you free, to prove merit, samples of my Dr. Shoop's Restorative, and my Book on either Dyspepsia, The Heart or the Kidneys. Troubles of the Stomach, Heart or Kidneys, are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak Stomach nerves—the inside nerves—mean Stomach weakness, always. And the Heart, and Kidneys as well, have their controlling or inside nerves. Weaken these nerves and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves." Also for bloating, biliousness, bad breath or complexion, use Dr. Shoop's Restorative. Write me today for sample and free Book. Dr. Shoop, Racine, Wis. The Restorative is sold by Grimes Drug Store.

NATURE'S GREAT BLOOD TONIC
Piedmont-Bedford Concentrated Iron & Alum Water

(Representing the Famous Bedford Alum & Iron Springs of Va.)
contains 17 of the most powerful Mineral Tonics.
An 18-oz. bottle contains all the minerals in a barrel of the average water. We furnish the minerals, you furnish the water.

We have certificates both from the public and from eminent physicians, telling of its virtue in **Dyspepsia, Rheumatism, a large variety of Female Diseases, Chronic Diarrhoea and Dysentery, General Debility, Anaemia, Malaria, Ulceration of the Throat, Diabetes, Piles, Chronic Eczema, Nervousness, Chronic Constipation,** and many showing the wonderful cures in that dreadful disease, **Scrofula.**

DR. T. L. KABLER, for fifteen years a resident at the Springs, says: "For Scrofula, that fearful destroyer of human health and happiness, we have in this water a remedy which neither science nor fortunate accident has hitherto found an equal. It is in this malady, and some forms of secondary and tertiary Syphilis, that this water when carried to its full alterative effect, displays its highest curative powers. In all forms of diseases peculiar to females, this water will be found to exert a curative influence second to none in Virginia."

I have given your Concentrated Water a fair trial, and say with pleasure I have been greatly benefited. For some years I have suffered more or less with Indigestion, followed by Constipation and other attendant ills. Within the past two months I have found such relief from your remedy that I have improved in strength and weight; have eaten what I have not dared to do for a long time, and have done harder work than I have been able to do before for years.

REV. OSCAR LITTLETON,
Presiding Elder, Lynchburg, Va.

Since 1894 I have been afflicted with Chronic Diarrhoea. About six months ago I commenced using your Concentrated Iron and Alum Water with the most wonderful and satisfactory results. For three or four years past I have been deprived of the privilege of visiting friends or going to church, as my trouble kept me in constant apprehension having lost almost entirely the control of my bowels; but now I am happy to state that after using about a half dozen bottles of your remedy I am entirely cured, not having used any for the last four months. I can confidently and most gladly recommend your remedy for Chronic Diarrhoea.

CAPT. RUFUS AMIS, Virginia, Va.

I was an intense sufferer for some months with Indigestion, and could get no relief from the ordinary remedies. During the month of January I began the use of your Concentrated Water, and one bottle has entirely relieved me. I can now digest any diet and am entirely free from suffering. I take great pleasure in giving this testimonial.

REV. H. M. BLAIR,
Editor N. C. Christian Advocate,
Greensboro, N. C.

I have used and prescribed waters from several Iron and Alum Springs, but none of them begin to come up to your Concentrated Water in all that goes to make the ideal alternative, strengthener, appetizer and restorative. It is at once a fine tonic and flesh-builder. Have advised several recently to try it, and always with fine and quick results. In January I had a bottle sent from one of your dealers to a lady, with the understanding that if it did not at once improve her digestive apparatus, I would pay the \$1.00 myself. She not only willingly paid the bill, but used a part of one-half dozen more bottles, and is now completely cured of a long and annoying Stomach Trouble. This seems to be the case with all who try it.
