Chip

CHIP TOBACCO is one of the best and largest plugs of fine-cured goods ever offered the consumer at 10c. It is manufactured by a strictly INDEPENDENT firm, a concern depending solely upon the good will and patronage of the people at large; a patronage only desired upon the strength of the superior quality of their tobacco. That it has earned this appreciation is amply proved by the tremendous and rapidly increasing demand for CHIP. In fact, wherever their tobacco come into competition with other makes, whether with the people or before judges of the world's great exhibitions, they are invariably winners. Call for CHIP and save the tags as they are valuable.

A copy of our 1907 premium catalogue, which is one of the largest and most attractive ever gotten out by a tobacco manufacturer, will be mailed to any address in the United States on receipt of only 4c in postage stamps or 5c of the tags we are redeeming.

A DANGER TO THE SOUTH.

Something Greater, Better and More Valuable than Progress to be Sought.

The editor of the Biblical Recorder, having written an article on the danger to the South from a misuse of the present great prosperity, received a letter on the subject from Richard H. Edmunds, editor of the Manufacturer's Record, the able exponent of Southern material progress, in which he says:

"I am sure you will agree with the statement that the South's prosperity is its greatest danger and that it behooves the Christian people of the South to be much in prayer that this prosperity of which we have seen only the smallest beginning shall not prove our greatest curse. What we see today, here and there, in Southern upbuilding, in the growth of towns and cities and the advance in wealth, is as nothing compared with what we shall see during the next five or ten years. All the progress since 1880 is to be more than duplicated within five or ten years, and it will come so rapidly that it will tax the strength of character and the religious life of the South to a far greater extent than war or poverty. We are at the crucial point in Southern life. Prosperity is coming. We could not stay it if we would. There is no question as to the almost limitless developments ahead of us, but it is a question of profound interest whether the people of the South shall become so mad with money-chasing as to forget the higher things of life."

We have tried to point out this same fact frequently; that money seeking and getting as a mere end won't bring happiness in an individual, and the same thing is true of a section. If the South is to remain as happy with its money as it has been without it, the better things—religion, morality, charity, benevolence, hospitality, unselfishness, generosity, consideration, education and culture, philanthropy and sincerity—must still be cultivated.—Monroe Journal.

CHRISTIANA.

July 15th.

The farmers around Christiansa are about through with the main rush of work and are beginning to take things more easy.

There will be a public missionary day at Christiansa on the fourth Sunday of July. Rev. Kinard of Salisbury will deliver a missionary address at 2:30 p. m. Rev. Kinard is a fine orator. The public is cordially invited to attend these exercises. Dinner will be served on the ground.

Will Fesperman, the ex-dead man, was at Granite Quarry Saturday evening. He seems as peart as ever.

We notice the Editor wrote a flattering editorial about the 4th of July celebration in Salisbury. It certainly is amazing how some people try to celebrate a day like that.

The Children's Day exercises at St. Luke's recently were fine and were witnessed by a very large crowd.

A large number of boys and girls of this vicinity took the school teachers examination in Salisbury last week.

The Providence Township Sunday School Convention will be held at St. Luke's Saturday, August, 8th. An interesting programme has been arranged.

The boys around Biltmore have organized a good ball team, and have been doing nice practice work on Saturday evenings.

XERXES.

The Doctor Away From Home When Most Needed.

People are often very much disappointed to find that their family physician is away from home when they most need his services. Diseases like cramp colic and cholera morbus require prompt treatment, and have in many instances proven fatal before medicine could be procured or a physician summoned. The right way is to keep at hand a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. No physician can prescribe a better medicine for these diseases. By having it in the house you escape much pain and suffering and all risk. Buy it now; it may save life. For sale by James Plummer, Salisbury, and Spencer Pharmacy, Spencer, N. C.

MISENHEIMER.

July 18th.

The farmers of our section are laying by their crops and the wheat threshers are starting out in every direction.

A good many town-folks are visiting Misenheimer Mineral Springs this season. A large crowd were present at the Springs on July 4th and enjoyed the speaking, balloon ascension, ball playing, eating ice cream, &c.

Mrs. Lalah Misenheimer has been having chills and light attacks of malaria fever. We are glad to learn that she is recovering.

Henry Blackwelder's little baby died recently.

C. C. Misenheimer and Company's big new threshing and traction engine arrived at Misenheimer yesterday.

Chas. W. Wagoner had his big barn rolled back further from his fine dwelling house, and away from the road, to give room for wheat threshing.

John Smith, G. W. Culp and Geo. W. Wagoner, all carpenters, are at work on Charlie Ritchie's dwelling house at Richfield.

Miss Laura Misenheimer, of Dunn's Mountain, is visiting her brother, Charlie Misenheimer, this week.

We haven't had any rain much in our community for the last few weeks, but I tell you we are getting a soaker today.

CLOWN.

I will mail you free, to prove merit, samples of my Dr. Shoop's Restorative, and my Book on either Dyspepsia, The Heart or the Kidneys. Troubles of the Stomach, Heart or Kidneys, are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak Stomach nerves—the inside nerves—mean Stomach weakness, always. And the Heart, and Kidneys as well, have their controlling or inside nerves. Weaken these nerves and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves." Also for bloating, biliousness, bad breath or complexion, use Dr. Shoop's Restorative. Write me today for sample and free Book. Dr. Shoop, Racine, Wis. The Restorative is sold by Grimes Drug Store.

NATURE'S

GREAT BLOOD TONIC

Piedmont-Bedford Concentrated Iron & Alum Water

(Representing the Famous Bedford Alum & Iron Springs of Va.)

contains 17 of the most powerful Mineral Tonics.

An 18-oz. bottle contains all the minerals in a barrel of the average water. We furnish the minerals, you furnish the water.

We have certificates both from the public and from eminent physicians, telling of its virtue in **Dyspepsia, Rheumatism, a large variety of Female Diseases, Chronic Diarrhoea and Dysentery, General Debility, Anaemia, Malaria, Ulceration of the Throat, Diabetes, Piles, Chronic Eczema, Nervousness, Chronic Constipation**, and many showing the wonderful cures in that dreadful disease, **Scrofula**.

Dr. T. L. KABLER, for fifteen years a resident at the Springs, says: For *Scrofula*, that fearful destroyer of human health and happiness, we have in this water a remedy which neither science nor fortunate accident has hitherto found an equal. It is in this malady, and some forms of secondary and tertiary Syphilis, that this water when carried to its full alterative effect, displays its highest curative powers. In all forms of diseases peculiar to females, this water will be found to exert a curative influence second to none in Virginia.

I have given your Concentrated Water a fair trial, and say with pleasure I have been greatly benefited. For some years I have suffered more or less with Indigestion, followed by Constipation and other attendant ills. Within the past two months I have found such relief from your remedy that I have improved in strength and weight; have eaten what I have not dared to do for a long time, and have done harder work than I have been able to do before for years.

Rev. OSCAR LITTLETON,
Presiding Elder, Lynchburg, Va.

Since 1894 I have been afflicted with Chronic Diarrhoea. About six months ago I commenced using your Concentrated Iron and Alum Water with the most wonderful and satisfactory results. For three or four years past I have been deprived of the privilege of visiting friends or going to church, as my trouble kept me in constant apprehension having lost almost entirely the control of my bowels; but now I am happy to state that after using about a half dozen bottles of your remedy I am entirely cured, not having used any for the last four months. I can confidently and most gladly recommend your remedy for Chronic Diarrhoea.

CAPT. RUFUS AMIS, Virgilina, Va.

I was an intense sufferer for some months with Indigestion, and could get no relief from the ordinary remedies. During the month of January I began the use of your Concentrated Water, and one bottle has entirely relieved me. I can now digest any diet and am entirely free from suffering. I take great pleasure in giving this testimonial.

Rev. H. M. BLAIR,
Editor N. C. Christian Advocate,
Greensboro, N. C.

I have used and prescribed waters from several Iron and Alum Springs, but none of them begin to come up to your Concentrated Water in all that goes to make the ideal alternative, strengthener, appetizer and restorative. It is at once a fine tonic and flesh-builder. Have advised several recently to try it, and always with fine and quick results. In January I had a bottle sent from one of your dealers to a lady, with the understanding that if it did not at once improve her digestive apparatus, I would pay the \$1.00 myself. She not only willingly paid the bill, but used a part of one-half dozen more bottles, and is now completely cured of a long and annoying Stomach Trouble. This seems to be the case with all who try it.
