Flavoring Extracts

Made Just for You.

It stands to reason that in making flavoring extracts for our own trade, and requiring only a moderate profit, we can supply better extracts than some distant manufacturer who must provide for two or three profits.

There is a distinct saving here that goes into the quality of our extracts. Try them for cooking and see how much fresher, stronger and more appetizing our extracts are.

Weak Women

To weak and ailing women, there is at least one way to help. But with that way, two treatments, must be combined. One is local, one is constitutional, but both are important, both essential. Dr. Shoop's Night Cure is the Local. Dr. Shoop's Restorative, the Constitutional. The former—Dr. Shoop's Night Cure—is a topical mucous membrane suppository remedy, while Dr. Shoop's Restorative is wholly an internal treatment. The Restorative reaches throughout the entire system, seeking the repair of all nerve, all tissue, and all blood elements. The "Night Cure," as its name implies, does its work while you sleep. It soothes sore and inflamed mucous surfaces, heals local weaknesses and discharges, while the Restorative, causes nervous excitement, gives renewed vigor and ambition, builds up wasted tissues, brings about renewed strength, vigor, and energy. Take Dr. Shoop's Restorative—Tablets or Liquid—as a general tonic to the system. For positive local help, use as well.

DR. KING'S NEW DISCOVERY

Will Surely Stop That Cough.

SHAVERTOWN.

Everybody is busy getting timber ready for sawing.

The protracted meeting will begin at Zion M. E. church the second Sunday in September. Everybody is cordially invited to attend.

Mr. and Mrs. Charley Miller of Salisbury visited Mr. and Mrs. Vance Shaver a few Sundays ago.

There was an ice cream supper at I. C. Shaver's Saturday night. A large crowd attended and all report a nice time.

Miss Mary P. Eagle, of Salisbury returned home Saturday. She has been spending a few days with relatives and friends.

Samuel C. Lisk has returned home from Atlanta. His many friends are glad to see him looking so well. A large crowd of friends and relatives visited him Sunday. We are glad to have Sam with us again. Sam reports having a good time while in Atlanta.

Our school teacher, W. A. Stokes, of Davidson county, returned home Sunday. He has been visiting friends in our vicinity.

Mr. and Mrs. John I. Kirk, of Stanly, who have been visiting friends and relatives in and around Shavertown, returned to their home last week.

Mr. and Mrs. Cal. Eagle, of Salisbury, visited relatives and friends in our community Saturday and Sunday. We were glad to have them with us again.

A. W. Shaver and daughters, Minnie and Addie, spent Saturday in Salisbury.

Mr. and Mrs. Jones Kirk, of China Grove, are visiting friends and relatives in our community.

Misses Ida Eagle, Carrie and Ada Shaver left for Stanly today where they will spend a few days visiting.

A crowd of young people visited at Calvin Arey's Sunday evening. We all had a nice time.

Yes, Uncle Josh, there is something doing around here. Everybody is trying to see who can wear out the most shoe leather. BROWN-EYED GIRL.

ROCKWELL.

We are having fine weather for corn and cotton now. Hope to see the good season continue.

Mrs. Hoover, of Thomasville, is visiting her sister, Mrs. W. W. Rowe, this week.

The brick yard company started to make brick this morning for the cotton factory which is to be erected here in the near future.

Lyerly & McCombs will complete the store building of B. A. Fesperman this week in which Mr. Fesperman will move his goods.

Mr. and Mrs. H. L. McCombs went to the show at Gold Hill last week. They went to see the elephant, but didn't get to do so.

The Rockwell and Liberty base ball teams crossed bats last Saturday evening on the latter's diamond. The score was 4 to 7 in favor of the home team.

We have a new painter in town this week of whom we are proud. He is now painting the big two-story building which is about completed. B. A. Fesperman is the painter. We don't know how long he will continue his trade, for he says he feels funny when he gets off of the ground.

The entertainment, which was given in the Jr. O.-U. A. M. hall last Thursday night, was well attended. The hall was full and many could not get inside. It was estimated that about 400 people was present. The entertainment was given by Rev. C. L. Brown, of Japan, which was very interesting.

Cyrus Trexler has bought himself a new buggy. Guess he is going sporting. So look out girls he is coming sooner or later.

Henry Park, who has been in the map business for several years, came home last week sick with typhoid fever, but we are glad to say he is better today.

Joe McCombs, while creeping through a bobwire fence, caught his clothes and hung himself, but after a desperate struggle he managed to get loose. Joe, I would go around the fence next time.

LIBERTY X ROADS.

John Morgan and wife visited his father-in-law, Moses Troutman, in Cabarrus last Sunday.

Richard Frick has treated himself to a top buggy. Black Hawk said he would not visit at the bachelor's as they don't eat any chicken. We think a Hawk gets lots of chicken to eat and the bacheling crowd had better keep their chickens in the coop or Hawk might eat them.

Gumpy is getting fat since he gets plenty of "watah millions" to eat.

There were four threshing machines in this neighborhood nearly at the same time and the fifth one in hearing distance.

We are having a good school at Liberty this summer, but the girls get sleepy.

Pole Trexler has been having boils on his feet to beat the band.

There is a man going around selling washing machines, and we believe he is hunting one of another kind at the same time.

The meeting at the Holiness church closed last Sunday night. The number of conversions are not known yet, as they say, the Lord will take care of that.

Uncle Thomas Jackson died last Saturday at the age of 86 years and 3 months. Mr. Jackson was one of our soldiers and was loved by all who knew him. His remains were interred in the Liberty cemetery. Peace be to his ashes. Romulus Huffman conducted the burial service.

A series of meetings will begin at the new Holiness church August 8th. A good time is expected. One and all is invited to attend the meetings.

Thomas Morgan has a cancer on his hand from which he is suffering very much.

C. A. Campbell and Nat. Troutman went fishing last week down on the Yadkin river. They had very good luck.

Nat. Troutman has been having a very sore finger from getting bit by a milk a few weeks ago.

Henry Holshouser broke his buggy last Sunday. GUMPY.

POOL.

August 6th. Clyde Bringle traded his banjo to Master Casper for a goat, but Clyde is to wait twelve months for said goat. This seems a trifling new in trading circles.

The white caps passed Mr. Bringle's, John Hoffman's, Birk Bringle's and John W. Miller's recently. One of them lost his cap and was discovered. It is likely he will not try to scare people about here again soon.

Eq. Hoffman was knocked down by a windlass last Friday. He was pretty badly hurt, having received quite a blow on the head.

Ely Foil is in poor health. We hope for his early recovery.

Julius Reid is afflicted with a sore leg which he got poisoned in some way.

Mrs. Gobble is afflicted with a sore eye. Her friends hope the trouble will soon be removed.

Geo. Lentz was out plowing during the rain and hail storm last Saturday, and failing to come in, his family went to the barn to learn of his whereabouts. His delay, however seemed to be the providential saving of the life of his wife and children. He came up just as lightning struck the chimney to his house, went down the chimney, tore up the mantel-piece, scattered brick and dirt over the room and broke the looking glass. Around this hearth the family had been sitting before going to the barn. Thus most likely their lives were saved. ROFFREN.
