## Flavoring Extracts

Made Just for You.

It stands to reason that in making flavoring extracts for our own trade, and requiring only a moderate profit, we can supply better extracts than some distant manufacturer who must provide for two or three profits.

There is a distinct saving here that goes into the quality of our extracts. Try them for cooking and see how much fresher, stronger and more appetizing our extracts are.

## PAIN

Pain in the head—pain anywhere, has its cause. Pain in the head is in blood pressure—nothing else usually. At least, so says Dr. Shoop, and to prove it he has created a little pink tablet. This tablet—called Dr. Shoop's Headache Tablets—solves blood pressure away from pain centers. Its effect is charmingly pleasant. Delicately sweet, though safely, it surely equalizes the blood circulation.  
If you have a headache, it's blood pressure. If it's painful periods with women, same cause. If you are sleepless, restless, nervous, it's blood congestion—blood pressure. That surely is a certainty, for Dr. Shoop's Headache Tablets stop it in 20 minutes, and the tablets simply dissolve the unnatural blood pressure.  
Strike your finger and doesn't it get red, and swell, and pain you? Of course it does. It's congestion, blood pressure. You'll find it where pain is—always. It's simply Common Sense.  
We sell at 25 cents, and cheerfully recommend

### GOLD KNOB.

August 19th.

An excellent rain visited our section Saturday evening.

Corn is looking fine. Cotton is blooming well, but is not bolling as it should. An early frost would cut the crops almost to a point.

Watermelons are ripe and everybody is glad.

Mrs. Jno. L. Waller, who has been sick for a long time, is convalescing, we are glad to note.

Henry C. Park, who has been at home sick with fever, returned last week to Atlanta, Ga. He is field manager for the H. C. Tunison Map Co.

Work will begin today on the Barger school house. The patrons are requested to respond at once and lend a helping hand.

The Morgan Saw Mill Co., of this place, is sawing "going and coming."

James M. Trexler is building a large barn on his farm at this place.

Freddie Klutz, who has been confined to his bed with malarial fever, is able to be out again.

Lewis Lyerly, son of D. M. Lyerly, cut his foot very dangerously several weeks ago.

Harvey Brown is wearing a 4x6 smile this week—it's a boy.

Mrs. Eva Trexler is very sick at her home with la grippe.

Messrs. John C. and Henry F. Morgan spent several days in Franklin last week.

Calvin Earnhardt has something of a curiosity in the shape of a wheat head. It is a double head, having two heads grown out of the same stalk. Mr. Earnhardt also found a raddish in his garden which measured 14 1/2 inches long and 6 inches in circumference. Now, if there is any one that can beat that trot out your raddish.

Gold Knob base ball team crossed bats with Craven last Saturday afternoon at Garfield and the score was 10 to 7 in favor of Craven.

There will be a Sunday school picnic at St. Peter's church on Saturday, August 31st. Everybody is cordially invited. Refreshments will be served on the ground free to the St. Peter's Sunday school. Bring a full basket. The young ladies Guild society will give a box supper that evening, the proceeds to go to foreign missions.

On the first Sunday in September the W. H. and F. M. society and the young ladies Guild society will give a missionary day at St. Peter's church beginning at 10:30 o'clock. Prof. J. H. C. Fisher, of Mt. Pleasant, is expected to be with us on this occasion.

### Married Near Organ Church.

At 8:30 a. m., on Sunday August 11, 1907, at the home of the bride's father, Geo. A. Slough, near Organ Church, S. McKnight Honoyent and Miss Bess Slough were united in the bonds of holy wedlock, Rev. C. A. Brown, pastor of Organ Church, officiating. They left immediately for Landis, Rowan County, N. C. where they will make their home for the present. May their life be a happy and successful one.

A goodly number of the kind and appreciative members of Organ Church have placed a phone in the parsonage at Organ Church for the free use of the pastor, Rev. C. A. Brown, and his family, which is appreciated very much and which will be quite a help in the work.

## A Hair Dressing

Nearly every one likes a fine hair dressing. Something to make the hair more manageable; to keep it from being too rough, or from splitting at the ends. Something, too, that will feed the hair at the same time, a regular hair-food. Well-fed hair will be strong, and will remain where it belongs on the head, not on the comb!

Rev. and Mrs. J. M. Lyerly have gone to Black Mountain to spend a short while for their health.

Rev. A. Shulenburger has been supplying Crescent charge.

Prof. A. W. George came on a flying trip to Crescent.

John Goodman bought some watermelons from M. A. Holehouser. He said he was expecting company.

We wish to correct Xerxes. Mr. Parks' toe has been sore for several years. He was advised to buy salve from his "miller" on factory hill, but doubted its healing power.

M. A. Holshouser and Geo. Peeperman have completed their "lasee" factory.

Miss Vallie Barnhardt has been doing office work for Dr. Lyerly.

Mrs. Mary Lingle and Frank Ward returned from Jamestown, and Ward had to pick up and leave.

Those who cannot take warning can take dangerous stuff, if the Orphons' watermelon patch is troubled any more.

Lajos Birinyi and W. C. Lyerly were elected as delegates from Bethany Sunday School to the County Convention.

Joe Sabo, one of our Hungarian friends, has gone to his uncle in West Virginia. He cannot speak English yet.

School will soon open at Crescent Academy. There is no doubt as to the propriety of patronizing it. A larger number of scholars than ever is expected. The literary societies are very good as past records prove. This is one of the essential parts of a good school. They are controlled alone by the pupils.
