It stands to reason that in making flavoring extracts for our own trade, and requiring only a moderate profit, we can supply better extracts than some distant manufacture who must provide for

Stomach trouble is but a symptom of, and not in itself a true disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain specific Nerve sickness—nothing else.

It was this fact that first correctly led Dr. Shoop in the creation of that now very popular Stomach Remedy—Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought that success and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishments were ever to be had. For stomach distress, bloating, biliousness, bad breath and sallow complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. of leading scientists of Germany, France, Austria and England, and their action in conferring the Grand Prize on Pabst Blue Ribbon Beer establishes Pabst as the leading brewer of the world.
