

A Criminal Attack.
on an inoffensive citizen is frequently made in that apparently useless little tube called the "appendix." It's generally the result of protracted constipation, following torpid liver. Dr. King's New Life Pills regulate the liver, prevent appendicitis, and establish regular habits of the bowels. 25c at all druggists.

PINEY WOODS.
November 4th.—We are rejoic-
ing over the good rains that are
visiting us today. Dry weather
has prevailed through our section
for some time which makes the
ground so hard the farmers can't
plow and get their land in fix for
sowing. More than an average
crop is being sown by most of the
farmers and the soil is being put
in better shape, which goes to
prove that farming is coming to
the front.

Southern has been 'possum
hunting so long he has been ab-
sent from the columns of the
CAROLINA WATCHMAN for some
time. He caught one last night
that weighed 10 pounds, and
Wednesday night he captured five
of the sick-tailed tribe, and many
others too numerous to mention.

Thursday evening, October 31,
cupid bent his bow and bound
two fond hearts together. The
contracting parties were David
Foil, of Craven, and Miss Avaline
Whitley, of this community.
Rev. J. P. Miller, of Palmerville,
tied the knot which bound the
two happy souls together forever.
This was somewhat of a surprise
wedding as their courtship had
not existed for only a short time.
May the mystic cords of love so
increase and twine around about
their hearts that this life may be
one grand panorama of joy. The
happy couple will reside with Mr.
Foil's father near Craven.

A few of our people attended
the Yackin Valley Fair and their
reports are that it wasn't what
they expected.

Julia, the little daughter of J.
G. Arey, has been quite sick, but
is improving at this writing.

Miss Sallie Mae Snider, of Sil-
ver Hill, Davidson county, will
teach the Parker public school
this winter. Miss Snider has
proved to be an efficient teacher
in our community.

Paul Goodman, of Liberty X
Roads, will teach at Prosperity,
which has been so faithfully
taught by W. A. Stoker, of Fair-
mont.

Chal Whitley has rented Mc-
Cane Morgan's place. He must
aim to take a step in the right di-
rection.

Tige's tail-pulling, as we all
call it, has been the most popular
entertainment at most of the corn
shuckings. We have a pretty
good team.

There will be a sale by the ad-
ministrators of W. L. Kirk, de-
ceased, at the Jno. W. Miller
place, near Millertown. A lot of
pine and oak timber will be sold.
Some of the finest crosstie timber
in the township. November 16th
is the day set.

A Significant Prayer.
"May the Lord help you make
Bucklen's Arnica Salve known to
all," writes J. G. Jenkins, of
Chapel Hill, N. C. "It quickly
took the pain out of a felon for
me and cured it in a wonderfully
short time." Best on earth for
sores, burns and wounds. 25c at
all drug stores.

CHRISTIANA.
Nov. 4.—The Union Christiana
pastorate has not yet secured a
regular pastor. The change was
made vacant by Rev. Bodie, resign-
ing to go to South Carolina on
account of Mrs. Bodie's illness.

The play at Crescent last Sat-
urday night, entitled "Jane,"
was the best ever played at
Crescent, and was witnessed by a
large crowd. It will be played in
Albemarle some time in the near
future. Between the three acts
performances were given which
were easily worth the admission
fee.

And so Salisbury's first Fair is
now over. The Fair part was all
right, but there were many other
things there that were enough to
insult the modesty of any one. If
we could only have the fair and
leave out these debating elements
how much more pleasant it would
be. Gambling was carried on in a
wholesale manner. In the award-
ing of prizes Crescent came in
for the lion's share. The Crescent
School received the prize for mak-
ing the best appearance and in
other things. The Crescent Art
Department received first prize,
and Miss Sudie Lyerly's picture
received first premium. The Cres-
cent Implement Co. received first
and second prizes on their wagons.
This speaks well for Crescent,
but it is nothing unusual for it is
not the first time Crescent has
shown her worth to the world.

Miss Julia Pless has returned
from Mont Alto Seminary, of
Mt. Pleasant where she has been
in school. She will teach school
this winter in Salem Academy.

One day last week, while hunt-
ing, Fred Reed, shot Louis Jack-
son, Charlie Lingle and Charlton
McKnight. None was seriously
hurt. It's the same old story of a
careless boy with a gun in a crowd
so there is no use give particulars.

School at Rowan Academy will
begin next Monday Nov. 11.
John C. Peeler will be principal
and Miss Vida Trexler assistant.
So parents be ready to give your
children an equal start.

Last Thursday some one took a
bundle of cloth, through mistake,
from Klantz & Bendleman's store.
The bundle had the name "Emma
Brown" written on it. Will the
party that got it be so kind as to
return it, thereby bestowing a
great favor upon the purchaser.

Misses Jennie Frick and Sophia
Lyerly started to school this week
at Crescent.

Rev. J. P. Miller, of Mt. Pleas-
ant, preached an excellent sermon
at Christiana last Sunday Novem-
ber 3.

Appendicitis
Is due in a large measure to
abuse of the bowels, by employ-
ing drastic purgatives. To avoid
all danger, use only Dr. King's
New Life Pills, the safe, gentle
cleanser and invigorator. Guar-
anteed for headache, biliousness,
malaria and jaundice, at all drug
stores. 25c.

LIBERTY X ROADS.
We are having fine weather
along now and the farmers that
are not done with their work are
making good use of the time.

Rev. James Wilson, preached
his farewell sermon at Liberty
last Sunday for this year.

While returning home from a
cornshucking one night recently
some of the boys and girls fell in
the creek, the hand pole broke and
they were baptised. Pretty cold
to hit the water wasn't it?

Most of the cotton is picked and
the children are about ready for
school.

Billy had the pleasure of meet-
ing sister Chatterbox recently.

Post cards are taking the order
of the day down with us. One boy
sent off seven one day and another
sent five. Golly, that's sending
some isn't it?

W. C. Ketchie, has returned
home from the Jamestown ex-
position. Mr. Ketchie says he en-
joyed his trip fine and saw so much
that he can't tell all he did see.

We think that we can report
another wedding by Christmas or
before.

Corn shuckings will soon be
over in this neighborhood.

Misses Mary and Josephine
Brady visited at O. N. Morgan's
last Sunday.

What has become of Sam Suig-
leton? Come on Sam and give us
more news if you are not too
sleepy.

William Morgan, is working at
A. H. Graft's lumber shop in
Salisbury.

Napoleon Trexler is having
boils to beat the band. Mr. Trex-
ler has been having lots of trou-
ble with boils this year.

Are there any of the correspon-
dents that have Billy's birthday.
November the 6th?

BILLY.

A tickling cough, from any
cause, is quickly stopped by Dr.
Shoop's Cough Cure. And it is
so thoroughly harmless and safe,
that Dr. Shoop tells mothers
everywhere to give it without hesi-
tation even to very young babes.
The wholesome green leaves and
tender stems of a lung-healing
mountainous shrub, furnish the
curative properties to Dr. Shoop's
Cough Cure. It calms the cough,
and heals the sore and sensitive
bronchial membranes. No opium,
no chloroform, nothing harsh used
to injure or suppress. Simply a
arsinous plant extract, to heal
aching lungs. The Spaniards
call this shrub which the Doctor
uses, "The Sacred Herb." De-
mand Dr. Shoop's. Take no
other. Grimes' Drug Store.

POOLE.
John C. Bringle was married to
Miss Lizzie Hoffer last week at
the home of the bride's father,
John H. Hoffer. A big dinner
was fixed and a big crowd was
present to take it in. Rev. J. F.
Hodge officiating. We wish them
all a happy life.

John Bame is very feeble and
his condition is very serious as he
is very old and his recovery is
not expected. He is 86 years old
next birthday.

E. H. Bean, Esq., of Salisbury,
visited people here Saturday and
Sunday.

John W. Bean who has been
laid up with chills is about stra-
ight again.

J. D. Callicott, who has been
down with chills is not able to be
out yet.

Mrs. John Shepard is on the
sick list, she had something like a
light stroke of paralysis, but is
some better now.

The school will begin at Pool
November 10th. Miss Hattie Ward
will teach this winter. This makes
her third year to teach here.

Heart Strength

Heart Strength, or Heart Weakness, means Nerve
Strength, or Nerve Weakness—nothing more. Pos-
sibly, not one weak heart in a hundred is, in it-
self, actually diseased. It is almost always a
hidden little nerve that really is all at fault.
This obscure nerve—the Cardiac, or Heart Nerve—
simply needs, and must have, more power, more
ability, more controlling, more governing
strength. Without the heart must continue
to fail, and the stomach and kidneys also have
these same controlling nerves.
This clearly explains why, as a medicine, Dr.
Shoop's Restorative has in the past done so much
for weak and ailing hearts. Dr. Shoop first sought
for and found this powerful, purifying, suffocant
heart distresser. Dr. Shoop's Restorative—this
popular prescription—is alone directed to these
weak and wasting nerve centers. It builds
strength; it opens real, genuine heart help.
If you would have strong hearts, strong di-
gestion, strengthen these nerves—re-establish
them as needed, with
