before you buy or sell.

When buying from a Jewelry Store wouldn't you consider it very important to feel there is absolutely no question about quality.

When you buy here in the house of GORMAN & GREEN you don't pay any more, perhaps less, than in an indifferent store, but you are certain about quality. That point alone in choosing diamonds, Jewelry, Watches, Silverware and Cut Glass is more important than any other merchandise.

We have an array of gift-giving Goods. Not only beautiful but useful and durable.

cial circles. The Democrats, high Gasky. The Kluttz school and low, lay it all to one Theodore Roosevelt and are trying to Miss Ida Julian is teaching at make a political issue of it next Faith. These are home schools year. No doubt that is their way of scaring Teddy from running again. Teddy (we are prophecying) will not run again unless the Democrats do something like this. Nothing but a national calamity will induce him to run again. As for the panic we go so far as to say it is in great part caused by Roosevelt's attacks on the trusts and combinations. He is altogether right in this and we cheer him on. Where is the man that has not been affected by our great trusts. Where is the man with any considerable capital that will do business but as he wants to. the good, and his flocks congratu-The threatened panic is due to acts of exsentment of ou great trusts. Roosevelt has determined to punish evil doers, be they great or small, and he will con-

quer nor will he die politically in doing so. Foreign capital is welcome to this state, but if we have to yield up our dearest rights, we say keep it out. If foreign capital can not work reasonably in our state then we say let them hold their money. No doubt this checking of trusts and corpora- era.

tions will cause our great fianciers to hold their money, but we gladly bear any temporary Brown's Nov. 5th.

panic if we can only check this eternal grasping for money by our financiers. The fact that a few ;men can cause a panic so wide spread and complete as was threatened proves that we are practically living in bondage. Then let us be up and doing, that

we may help Roosevelt in his struggle as he is looking for the common good of all and not the privileges of a few.
