### LIBERTY X ROADS.

Joseph Eagle had a big barn and shop covering recently.

Rev. Wm. C. Cruse preached a very interesting sermon at the Holiness last Sunday.

W. C. Ketchie has been very sick with the grip, but is somewhat improved, we are glad to note.

There will be preaching at Liberty next Sunday at 8 p. m.

Samuel Morgan visited in Cabarrus recently.

Ed Shepherd is doing Geo. Trexler sawing at the saw mill.

F. M. Tysack and wife visited at N. G. Arey's last Sunday at Richfield.

We think that we can report another wedding soon if all reports are true.

Uncle Abe, you had better stay away from down along Dutch creek, as you was about to cause some serious trouble. The boy that got scared at you is said to have run so fast that the dogs couldn't have caught him and thought you was a wild man and a searching party went in pursuit but failed to find anyone.

Hog killing is about over in this section and ground hogs are getting scarce.

The farmers are holding their cotton for a better price and we believe they are going to get it.

BILLY.

### SALEM CHURCH.

Owing to the fine weather and sunshine, our roads are getting in tolerably good shape.

The inside painting of the parsonage is done and is a fine job.

Our farmers have taken advantage of the fine weather we have had for a few weeks in breaking their corn land.

J. E. Briggs has gone to Raleigh to look after his job.

Willie Briggs is in Salisbury where he has a position as conductor on the street car.

The panic has struck Salisbury. People are leaving. Three or four have been in this neighborhood hunting places to go to.

Ernest Redwine, of Chestnut Hill, has rented Jake Manius' land and will move out in the near future.

Dan Cross, Charlie Safrit and L. M. Safrit are going to leave Chestnut Hill and will move into the country.

C. W. Grahm has bored a well in his barnyard as a convenience in watering his stock.

Lingle & Bro. have shipped two car loads of cotton seed.

The women's convention met at Mrs. John Harkey's last Saturday.

Robert Webb has had a new chimney built to his house.

JOHN.

If a cough once gets into your system it acts on every muscle and fibre of the body and makes you ache all over. It especially affects the intestines and makes you constipated, so in order to get rid of a cold thoroughly and without delay you should not take anything that will tend to constipate. Kennedy's Laxative Cough Syrup acts upon the bowels and thereby drives the cold out of the system. It contains no opiates—it is pleasant to take and is highly recommended for children. Sold by James Plummer and all druggists.

### Henry Grady on the Whiskey Traffic.

Tonight it enters an humble home to strike the roses from a woman's cheek and tomorrow it challenges this Republic in halls of Congress.

Today it strikes a crust from the lips of a starving child and tomorrow it levies tribute from the government itself.

There is no cottage humble enough to escape it, no palace strong enough to shut it out.

It defies the law when it cannot coerce suffrage.

It is flexible to cajole, but merciless in victory.

It is the mortal enemy of peace and order, the despoiler of men and terror of women, the cloud that shadows the faces of children, the demon that has dug more graves and sent more souls unshrined to judgment than all the pestilences that have wasted life since God sent the plagues to Egypt, and all the wails since Joshua stood beyond Jericho.

It comes to ruin, and it shall profit mainly by the ruin of your sons and mine.

It comes to mislead human souls and to crush human hearts under its rumbling wheels.

It comes to bring gray-haired mothers down in shame and sorrow to their graves.

It comes to change the wife's love into despair and her pride into shame.

It comes to still the laughter on the lips of little children.

It comes to stifle all the music of the home and fill it with silence and desolation.

It comes to ruin your body and mind, to wreck your home and it knows it must measure its prosperity by the swiftness and certainty with which it wrecks the world.

### IS CONSUMPTION INHERITED?

Opinion of a Prominent Bacteriologist Given at a Recent Lecture at Harvard College.

Prof. H. C. Ernst in a recent lecture before Harvard Medical school discussed this theory at length. He claims that consumption is not inherited disease, and that the children of parents who have had tuberculosis are as likely to grow up strong and healthy as children of parents who have not. Dr. Ernst further claims that the cardinal means for curing this dread disease are plenty of fresh air, sufficient nutritious food, rest and exercise.

For centuries physicians everywhere have recognized the value of cod liver oil in the treatment of consumption and all wasting diseases, but unfortunately few could take it with benefit on account of the indigestible oil.

Vinol has solved the problem. It is the modern cod liver preparation without oil, made by a scientific, extractive and concentrating process from fresh cod's livers, combining with phosphate of iron, all the medicinal, healing and body-building elements of cod liver oil, but no oil or grease. As a specific and as a strength creator and body builder Vinol is unexcelled. Try it on our offer to return your money if it fails to give satisfaction. T. W. Grimes Drug Co., Salisbury, N. C.

When you want the best, get DeWitt's Carbolic Witch Hazel Salve. It is good for little or big cuts, boils or bruises, and is especially recommended for piles. Sold by James Plummer and all druggists.

The Panic Reduction Sale at N. Lutfy's is moving goods fast. You should not fail to take advantage of this opportunity to save money.
