### ANOTHER OLD SOLDIER GONE.

Peter Ritchie Died Sunday Night. Parsonage Built on Highest Land in County.

Faith, Feb. 8rd.—Peter Ritchie, an old Confederate veteran, died at the home of his son, James Ritchie, Sunday night. He will be laid to rest at Saint Paul's tomorrow, where the funeral will take place. For many years he lived and farmed at his home about five miles west of Salisbury, but at the death of his wife recently he moved to his son's to make his home.

January 27th, 1908, Sadie, the little daughter of Mr. and Mrs. Charley Ross, died. She was four or five years old. The funeral services were held next day.

The new phone that recently ran through Faith is the busiest little line we ever saw and is a great help to the people. It runs into the depot at Granite Quarry and lots of people are paying toll to get to talk to the agent about their freight, etc.

Rev. C. B. Heller and family moved into their new residence here January 29th, 1908. This is the largest residence in Faith and stands on a high knoll overlooking the town of Faith, and a good view of Salisbury and the Blue Ridge mountains can be had from the top of the building. W. N. Kinney, of Lexington, N. C., was the builder.

Mrs. Lawson McCombe has returned home from Morganton and gone to housekeeping. She was glad to see her family and her little children and has been restored in mind and health.

Geo. M. Shuping and Miss Mary Goodman, the newly married couple, are visiting friends in Faith. We hope they will locate here.

D. D. Peeler, one of the oldest citizens in Faith, is confined to his room, sick at his son's, George Peeler's.

Peeler, Bane & Co., with several teams, are hauling granite cemetery curbing to Chestnut Hill cemetery to enclose the family lot of J. F. Rulif's.

Mrs. Nannie Wyatt, widow of Tom Wyatt, died February 2nd, 1908, age nearly 85 years. She lived in the settlement of Saint Matthew's church in her younger days, of which church she was a member and attended regularly, but for many years she had been making her home with her only son, Jesse Wyatt. She leaves six grand children and two great-grandchildren. She was laid to rest in Shiloh church cemetery.

Chas. A. Peeler and brother, J. L. Peeler, have sold their engine and wood shop equipment to Trexler, McCombe & Co. They hope to be running in a short time.

### Neighborhood Favorite.

Mrs. E. D. Charles, of Harbor, Maine, speaking of Electric Bitters, says: "It is a neighborhood favorite here with us." It deserves to be a favorite everywhere. It gives quick relief in dyspepsia, liver complaint, kidney derangement, malnutrition, nervousness, weakness and general debility. Its action on the blood, as a thorough purifier makes it especially useful as a spring medicine. This grand alternative tonic is sold under guarantee at all drug stores, 50c.

### CURE YOUR KIDNEYS.

Do Not Endanger Life When a Salisbury Citizen Shows You the Cure.

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headaches, languor, why allow themselves to become chronic invalids, when a certain cure is offered them?

Doan's Kidney Pills is the remedy to use, because it gives to the kidneys the help they need to perform their work.

If you have any, even one, of the symptoms of kidney disease, cure yourself now, before diabetes, dropsy or Bright's disease sets in. Read this Salisbury testimony.

J. B. Robinson, residing at 121 E. Liberty St., Salisbury, N. C., says: "I recommend Doan's Kidney Pills very highly as I believe them to be exactly as represented. For years I suffered from backache and at times the pain across my back was so severe as to unfit me for work. At night I could not rest and consequently, arose in the morning feeling very tired and listless. After using Doan's Kidney Pills a short time, all these troubles disappeared and I am now in the best of health. I highly recommend Doan's Kidney Pills to others suffering in a similar manner."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

### MINING OPERATIONS AT GOLD HILL.

Still Some Cases of Typhoid Fever. An Old-Time Spelling Bee.

Gold Hill, Feb. 8.—If the ground hog did not see his shadow on yesterday, I guess the Klondike weather we are having was sufficient to intimidate and drive him back to his hole. The thermometer registered 18 above this morning and on yesterday it was 16. This is the coldest morning we have had this winter.

A company of nine of the stockholders in the Southern mine are here from Cleveland, Ohio, and held a meeting, the result of which has not been made public, though it is rumored several changes will be made.

Both the Southern Mining Co.'s stamp mill and the Gold Hill Copper Co.'s mill were in operation last week, but the extreme cold weather prevailing now froze up some of the piping and machinery at the Gold Hill Copper mill which necessitates a temporary shutdown until repairs can be made. Two car loads of gold ore from the 800-foot level taken out of the "Newman shoot" have been shipped to Perth Amboy, N. J.

There was a regular old-time spelling bee held at the Bethany school house last Wednesday night between the members of the Bethany school and the Gold Hill public school. The Gold Hill pupils going to Bethany and defeated them in a contest which was very close. Bethany will come here and the spelling will be repeated in a few days.

Miss Dora Wilhelm is visiting at Miss Clara Proctor's.

Little Sadie Morgan has typhoid fever.

Reme Myers is very sick, she is threatened with fever.

Mrs. Laura Jenkins is very sick with la grippe.

Will Small, wife and baby, are visiting his mother. They have been in Arizona for some time. The baby, which is 18 months old, has taken pneumonia and is critically ill.

Geo. McCarne has another serious attack of his old trouble, kidney and bladder trouble.

Now that the legislature has practically ratified the Governor's rate compromise of 2½ cents per mile, and left the prohibition to the people to vote on, we hope times will get better and more public work start up, but wait, "we shall see what we will see."

Robert Morgan is placing the materials with which he contemplates building a dwelling house on his lot.

Mr. Julia Morgan is having her barn and all outbuildings covered with a nice shingle roof which will greatly enhance their value.

BOSTON'S X ROADS

Feb. 8.—We have had the coldest weather of the winter. The thermometer registered 20 degrees below freezing.

There have been a number of cases of pneumonia in this section during the past three weeks.

Mrs. Rebecca Hill has been very low for ten days with pneumonia, but is a little better at this writing. Her son and daughter, John and Zetta, are also very low at this time with pneumonia. We

wish them a speedy recovery.

Mrs. T. A. P. Roseman, who has been in her bed for two weeks with rheumatism, is able to be out again.

Little Floyd Sides, who had pneumonia, is able to be out again we are glad to say.

Miss Belle Stirewalt, daughter of Mr. and Mrs. M. A. Stirewalt, who was attending school at Mt. Pleasant Seminary, died of typhoid pneumonia there the 27th of January. She was brought to Ebenezer church where the funeral was preached by her pastor, Rev. H. A. Trexler, and her remains were laid to rest in the cemetery.

We hear a few talking about prohibition, but we would rather hear them talking about putting rock in the public road, and meat in the smoke house and bread in the kitchen. We think that bread and meat and good roads are of more benefit at this time to us than prohibition.

We learn that George Shuping and Miss Mary Goodman, of Littaker, went to Concord last week, came back man and wife. We extend best wishes to the contracting parties.

### PAIN

Pain in the head—pain anywhere, has its cause. Pain in conjunction, pain in blood pressure—notching—nothing else usually. At least, so says Dr. Shoop, and to those in his office, he says pain in table. This table is filled with Dr. Shoop's tablets. Table causes blood pressure away from pain centers. Effect—charming, pleasantly delightful. Gently, well, it is equal to the blood circulation.

If you have a headache, it's blood pressure. If you pain in joints with your muscles. If you are sleepless, restless, nervous, it's blood pressure. That's only a part of the table. It's a table. It takes 20 minutes, and the tablets simply distribute the natural blood pressure. You'll find it where pain is, and it's equal to the blood circulation.

It's not red, and swell, and pain you. Of course it does. It's contraction, blood pressure. You'll find it where pain is, and it's equal to the blood circulation.

We sell as 25 cents, and cheerfully recommend
