CHRISTIANA.

Feb. 17.—Rev. L. B. Spracher, of Virginia, has accepted the call extended to him by the Union-Christiana pastorate. He will be ready to begin work about the first Sunday in March. We are exceedingly glad he has decided to cast his lot among us for we were very favorably impressed with his ability as a pulpit orator when he visited us some time ago.

Misses Eltha Lingle and Beulah Lyerly took advantage of the leap year and paid "Xerxes" a visit. Like Luther Barger of old, "Xerxes" is very fond of the ladies.

There was a valentine party at Crescent, on the 14th ult. Cupid was there and it is feared he did much mischief. It was an occasion of much pleasure.

A mad dog made its appearance in our neighborhood. No one was bit by the dog, but it bit several dogs and attacked Luther Cable, of Granite Quarry, at his home. Being driven off with a stick the dog started down the big road. A crowd soon started in pursuit and after chasing it about two miles they succeeded in killing it.

Items are very scarce now, due, we suppose, mostly to the panic. Yes, everything has the panic lately. Even Xerxes has the symptoms of it. Therefore you must excuse him if he gets wobbly in his running gear.

One day not long since a great, big, powerful built, red headed, wild looking feller come blowing an snorting into Crescent. The humble law abiding citizens wuz mity nigh skeered as he wuz so wild an fierce looken. After while some uv the braver wuz reconitered out so far az to git in speakin distens uv him an axed him who he wuz, an what he wuz doin thar. He tolfd them he wuz Rucker what rites for the WATCHMAN and that he wuz comin to skool. This humble correspondent approached him and found he wuzent dangerous but on the other hand he wuz the most kind uv a feller. Since then thur never wuz better chums than us Rucker is all rite and we air glad to hav him with us.

XERXES.

SHAVERTOWN.

Feb. 21.—Miss Lillie Arey, daughter of Mr. and Mrs. D. C. Arey, was happily married to Mack Shaver, son of Mr. and Mrs. Vance Shaver, Rev. I. M. Shaver officiated. Those present at the marriage were Misses Minnie and Flora Arey, sisters of the bride, and Harvey Wyatt and James Morgan. We extend our congratulations to the happy pair. A crowd of friends gave Mr. and Mrs. Mack Shaver an old time belling. How did you enjoy it, Mack?

There is a lot of sickness in our community. Mostly lagrippe and pneumonia.

Sunday morning, February 16th, Miss Lizzie Morgan was united in marriage to Love Hill, both of Rowan county. Rev. I. M. Shaver officiated. We wish them a long and happy life. That he may make a good husband and she a good wife.

BROWN-EYED GIRL.

PINEY WOODS.

Emeline Fry died February 1st. She was 62 years old. She was never married. Her home was near Jackson Hill, Davidsen county, but for the past year she has been living in this community with relatives. The funeral services took place at Poplar Grove, near her home. Pneumonia is supposed to be the cause of her death.

W. H. Fry's whole family, except one little child, have been confined to their beds for the past week. Archie, Mamie and Esther had pneumonia and Mr. Fry and wife, la grippe. They are getting along fine now, we are glad to note.

Rev. I. M. Shaver has been confined to his bed some time with a severe case of grippe, also W. C. Lisk's whole family.

Uncle Charlie Morgan, one of the oldest citizens in this section, was painfully bruised last Wednesday. He was chopping, and by some means, a tree struck him, bruising him badly. Mr. Morgan is about 90 years old and does a lot of work. We hope his injuries are not serious.

Clayton Trexler lost \$200 the other day, while on his way to Ivy Miller's. He says, when he left home he put his money in his buggy, being afraid to leave it while he was gone. It was found later by Adam Ketchie.

"Mike" visited in our section recently. A move has been made to build phone line from Pool and connect with Parker, Lisk & Co.'s line in our community. If the people will take enough phones to justify the above company a switchboard will be erected at M. L. Parker's. A phone is great help and the people ought to take advantage of the cheap rates that the company is offering.

GOLD KNOB.

Andrew Barger has been on the sick list but is improving.

Rev. Lee Trexler has purchased a camera and has gone to work. He said he was getting a lot of work to do, but said no one had broke his glass so far. Look out, boys, or he will get you.

Some of our young men have almost gone crazy over the telephone, one young man found out that F. M. Tyack is getting one, so he got one too, Andrew, you are in the boat now.

A. L. Klutz is getting ready to build a new barn.

John Barger has bought a riding plow, he means to plow rain or shine.

Everybody is welcome when we feel good; and we feel that way only when our digestive organs are working properly. Dr. King's New Life Pills regulate the action of stomach, liver and bowels so perfectly one can't help feeling good when he uses these pills. 25c at all drug stores.

DIED WITH \$680 IN HER BED.

She Would Curse Her Cats and Did Not Like to Leave Her Lousy Kinfolks.

Gold Hill, Feb. 17.—Wiley Earnhardt, who was killed by the Yarkin train, was interred at St. Paul's, 4 miles from here.

Matthew Small and wife, who moved to Virginia some two months ago, have returned and taken up their residence here. Matthew says its too cold for him in Virginia.

Owing to suspension of work in the Albemarle furniture factory, C. L. Basinger and wife have moved back to John Shaver's farm and will farm this year.

C. A. Hilderman has the brick and shingles on his lot just opposite the Gold Hill depot, and will build a nice residence on same in the early spring.

Robert Mergan will commence building his residence this week, material for same has already been placed.

Will Jenkins and his mother are both confined to their bed with fever. Edna and Clyde are about well.

John Casper is having his house repaired which was recently vacated by J. G. Moose.

The mines here experience great difficulty in securing wood and coal to keep their plants running, in fact, they were forced to shut down the stamp mill and all work, except pumping with until their coal arrives.

Pleas Stokes, of the county, near the Yarkin river, and his wife both died within 2 of hours each other last week with pneumonia. They were buried in the same grave at Lane's chapel last Sunday, so I have been informed.

Emily Miller, an aged maiden lady, probably 80 years old, died last Tuesday at her residence near Millertown. She had lived there alone with her cats for about 40 years. Miss Miller was a very wicked old woman. It is said she would sit in the house and curse her cats when no one was about. She said just before she died that it was bad to have to die and go to hell and leave her lousy kinfolks. They found \$500.00 in an old coffee pot in the bed after her death, also about \$180.00 gold sewed up in her bed tick. She was interred at the old Miller burying ground.

If you have Catarrh, rid yourself of this repulsive disease. Ask Dr. Shoop, of Racine, Wis., to mail you free, a box of his Dr. Shoop's Catarrh Remedy. A simple, single test, will surely tell you a Catarrh truth well worth your knowing. Write today. Don't suffer longer.

YOST.

Mrs. Rufus Stirewalt is quite ill with pneumonia.

Miss Cora Troutman, while crossing the ford below Yost Bros. store, fell in the water and lost her parcels, but we are glad to say that she escaped from being drowned.

There was preaching at Phaul's Baptist Church last Sunday at seven o'clock.

Charlie and John Rimer and William Saffert are sick with the grip.

Catarrh

To prove unquestionably, and beyond any doubt, that Catarrh of the nose and throat can be cured, I am furnishing medicine through drug stores, small free Trial Boxes of Dr. Shoop's Catarrh Cure. I do this because I am so certain, that Dr. Shoop's Catarrh Cure will bring actual substantial help. Nothing certainly, is so convincing as a physical test of any article of real scientific merit. But this article must possess true merit, else the test will fail, rather than advance it. Dr. Shoop's Catarrh Cure is a snow white, healing antiseptic balm, put up in beautiful nickel capped glass jars at 5c. Such soothing agents as Oil of Eucalyptus, Thymol, Menthol, etc., are incorporated into a velvety cream like Petroleum, imported by Dr. Shoop from Europe. If Catarrh of the nose and throat has extended to the stomach, then by all means also use internally, Dr. Shoop's Restorative. Stomach distress, a lack of general strength, bloating, belching, biliousness, bad taste, etc., surely call for Dr. Shoop's Restorative. For uncomplicated catarrh only of the nose and throat, nothing else, however, need be used but
