CHRISTIANA.
March 2.—Rev. L. B. Spracher will preach his first sermon at Christiana next Sunday, March 8, at eleven A. M. Sunday School will be 9:30. Everybody invited to come and hear him.

Mrs. Luther Lyerly is quite sick, with neuralgia of the nerves, at this writing. We hope for her a speedy recovery.

Miss Etha Lingle's school, at Peeler's school house, closed last Friday evening.

Junius M. Lyerly will return to Wellford, S. C., next Monday to resume his work at the depot.

Hon. Locke Craig has been secured to make the Literary address at the Crescent commencement this spring.

As mentioned before, the school at Rowan Academy will terminate with an exhibition, on Saturday March 7. It will consist of songs, recitations, dialogues, negro sermons, and an address delivered by Prof. A. W. George, of Mt. Pleasant. That night, the St. Marions, will give a public debate, on the following topic, Resolved, That the People of North Carolina Should be Permitted to Vote on Prohibition. A. J. Brown and L. A. Thomas will represent the affirmative, with A. J. L. Thomas and J. C. Peeler the negative. The public is cordially invited to attend and spend the day pleasantly with us. Don't forget the date and place. Rowan Academy, Saturday March 7.

We advise every body to subscribe to the WATCHMAN. If you are an old subscriber hurry and renew your subscription and get your neighbors to do likewise, for there is going to be something "didding" this summer. Every correspondent we have talked to, proposes to do his part in making the WATCHMAN the best and most widely read newspaper in the state. Item sandwiches will be served up to the minute. XERXES.

YOST.
March 2.—There are lots of people sick with pneumonia in our community.

J. L. Sifford's son and daughter are very sick yet.

We are here having a fine school at the Sloop school house with W. R. Lentz, of Rimer town, as teacher.

Miss Pearl Eddleman was taken ill at school and compelled to go home.

Daniel Roseman is very sick with the grip.

We have some fine taffy cooks at Yost, they cook, pull and eat almost at the same time.

J. M. Clark had a chopping last Wednesday, guess he is ready for cold weather.

Miss Ella Dry has been very sick with the grip.

J. L. Yost has treated himself and wife to a new cook stove, guess they will do lots of cooking.

John Saffort's wife, of Rimer town, was buried at Prosperity church.

The oldest daughter of J. B. Yost, who is working in Salisbury, is very sick with measles. THE MILLER.

SOUTH ROWAN.
A beautiful wedding occurred Sunday morning, February 28th, when Christi Miller and Miss Valder Shuping were united in the holy bonds of matrimony, at the Organ Church parsonage, Rev. H. A. Trexler pronouncing the vows that made them man and wife. The bride was one of beauty and has many near and dear friends who congratulate her as she starts on a new life. Mr. Miller is a well known citizen and has many friends who congratulate him. They will, for the present, make their home at A. W. Shuping's, at Rock Grove. They have a host of friends who wish them a long and happy life.

Rev. W. S. Nicolson preached a most excellent sermon, February 28th, at Rock Grove, M. E. Church. He will hold services there again, on the third Sunday in March, at 8 o'clock, p. m.

Henry, the little son of A. A. Easter, was right painfully injured last Sunday evening. While crossing a fence he fell and broke his arm.

Owing to the bad weather, farmers have not yet done any plowing, but will start this morning, and if the weather remains favorable, a considerable amount will be done in the next few days.

The roads seem to have completely lost their bottom. To-day a number of farmers will go before the county commissioners to see if they can get the county road force to extend their work of macadamizing and grading down as far as Organ Church. The farmers have volunteered to give many days of work and probably enough of hauling to supply the road with rock, from the Faith line, on down.

Charlie Miller, and his young wife, visited Burth Carter and family last Tuesday.

Geo Carter has been confined to his room for the past few days but is able to be up now, we are glad to note.

Miss Bell and Minnie Bostain took advantage of the leap year and visited Lewis Josey last Sunday.

We are glad to note that Brother Xerxes takes heed to a person so quick but certainly he was scared so bad that he could not tell who he saw.

For the last while we have heard much said concerning the prohibition election that is coming in the near future and we have heard arguments by many different people, some in favor of prohibition and others against it. Now people of North Carolina, has not liquor proven to you to be one of the most destructive medicines that you have ever taken? Just look at the number of suicides annually and the number of deaths due to heart trouble, all caused by the poisonous liquors you buy and drink. It stands before the people of North Carolina as to whether or not they will have prohibition laws, and it should be the duty of every temperance man to do all in his power to have prohibition. To have prohibition is just simply to Scatter shunshine All along the way, Cheer and bless and brighten Every passing day. Slightest actions often Meet the sorest needs, For the world wants daily, Little kindly deeds. Oh what care and sorrow You may help remove With your sorrows and courage Sympathy and love—give alcohol a shove. BOOKER.

GOLD HILL.
March 2d.—Two car loads of coal arrived last Wednesday and the stamp mills both resumed work. The Gold Hill mill is running night and day and the South ern runs only by day. The Gold Hill mill, in addition to the gold amalgamated on the plates, is making and saving the concentrates which are being shipped north to be treated.

Dr. Stokes and some capitalists from Joliet, Ill., were here last week to examine the Sapphire mine recently bought from the Earnhardt sisters and will probably operate same this spring.

W. F. Leonard has moved his family back to his farm, about one mile from his Gold Hill residence.

J. G. Moose has moved in the house vacated by W. F. Leonard.

David Morgan will move into John Casper's house this week, which has recently undergone some needed repairs.

John Arey is building a barn on the lot in the rear of his store.

Robert Morgan has about finished his ell and will probably move in this week.

Thomas Vandeburg, who has recently been having some trouble here, while under arrest gave the officers the slip, he threw off his overcoat and made gravel fly, and although pursued by Mat Hedrick's blood hounds and a posse, made good his escape.

Will Jenkins was in a critical condition again last week, having had a hemorrhage caused probably by eating a piece of orange.

Mrs. Marshall Sell is rejoicing over the advent of a young over the advent of a young blacksmith in the family. Both son and mother are doing well and Marshall is wearing the usual smile appropriate to such occasions.

Miss Clara Proctor and Miss Margaret Newell gave a spider web party week before last, and some mischievous boys, probably envying the good time the others were having, procured some green paint and made a liberal application of same to the front gate thereby causing serious damage to certain young ladies and gents clothing as they returned to their respective homes.

Considerable agitation has manifested itself here the past week over the attempt of the people living in the upper end of town to have the post office removed from the present location to a more central point. The proposed move would eliminate the carrier, who is paid \$178 per year for delivering the mails from the cars to the post office which is a little over a mile distant, and the patrons in the north end have to walk over a mile to get their mail.

Richard Sparnell died Friday night about 9 o'clock with pneumonia, he was taken with a chill Monday night and the end came Friday night. Mr. Sparnell was the last of the old English miners who came here about 50 years ago and was about 75 years of age. He was a man of strong constitution and fine physique. He spent his entire life working in the mines and held several important jobs as underground fireman, pump man, etc. He leaves a son and two daughters, Richard Sparnell, Jr., and Mrs. W. T. R. Jenkins and Mrs. M. L. Cauble, of Salisbury, N. C. The remains were interred in the Gold Hill

GRANITE QUARRY.
March 2.—It seems somewhat natural around Granite Quarry again, as the quarries are going to work. Boys, get ready there is plenty of work to be done. If you want to get a job go see Douglas Smith. Some of the boys went to him last week for a job and this was the reply he made them, "I can not work you all now, but I will place your application on file and as soon as I can use a man of your ability I will communicate with you." So see Douglas for a job.

The new telephone line, known as the Independent line, is doing splendid work in our little town and through the surrounding country, we already realize the good it will do us all.

A curious noise was heard on the wire a few days ago, Come to find out that it was Andrew Brown talking on his papa's new phone. I guess he enjoyed it as it was his first trial at such business.

Mrs. Henry Seaford has been very sick for the past week, but we are glad to say she is improving at this writing. We wish her a speedy recovery.

Lewis Klutz has been swapping horses, he has swapped one of his fine horses for a finer one. So if you don't think Mr. Klutz wont swap with you, please try him a crack.

Mrs. Vance Fisher has been very sick for the last few days.

Jones Shepherd has his new house about completed which is located on Main street, guess he will move in it soon.

Joe Frick has had luck with his rabbits, he says that three died from the effects of eating too much baking powder. Guess he wanted to raise them too fast. Be careful, Joe, and don't feed much baking powder as you might loose more of them.

Mrs. Luther Lyerly, who has been sick for the past week, is not improving very much. Hope she will be able to be out soon. JACK.

cemetery, yesterday evening at 8:30 p. m. A large concourse of people attending.

There will be an old time fiddlers convention held here in the school house on the night of the 27th of this month. All are cordially invited to attend. MIKE.

Plain Talks on Fertilizers
Improving and Increasing Tobacco Crops

No soil is rich enough in all the foods the tobacco plant needs to produce it at its best. Many tobacco soils, however, contain natural elements, rich in certain valuable plant foods, but lacking in others. And just as a dead or dying soil must be fed with a complete plant food, so these partially fed soils need specially prepared food to supply what they lack, and balance the unequal fertilization supplied by nature.

When these special nourishing elements are added to the soil, crops multiply enormously; quality improves, and profits are doubled and trebled. Tobacco is seldom planted nowadays without the use of some fertilizer; but the great point to remember is otherwise the results will not be satisfactory. Over one million tons of Virginia-Carolina Fertilizers were sold last year, a sure proof of their great popularity and value.

The whole story of the composition, treatment, and productivity of the soils of the tobacco region are told by government and private experts in the Farmers Year Book or Almanac of the Virginia-Carolina Chemical Co.—sent free if you write to any sales office of the Company.
