THREE MARRIAGES AT GOLD HILL.

James Ducker and Family Arrive. Young Man Killed by Falling Out of a Car.

Gold Hill, April 27.—N. Lutfy and Miss Lillie Taylor were united in the holy bonds of matrimony Easter Sunday at the home of the bride's parents, Wm. Taylor's, Rev. Clint Cruse officiating.

Jas. F. McCarnes and Miss Lizzie Ritchie were united in marriage at Albemarle on Easter Monday and are living with the groom's parents for the present.

Neely Lisk and Minnie Shaver were united in marriage at the home of the bride on Easter Sunday, Rev. I. M. Shaver officiating.

James Ducker and family have arrived from Joliet, Ill., and have taken up their residence here in the Purvis House. They shipped a car load of household and kitchen furniture, also a family horse from Joliet, Ill., which was accompanied by a young man, "Len Stokes" by name, and while the car was passing through Tennessee, by some unknown cause the young man fell from the car and was killed. The car containing the furniture and horse, however, arrived here, safely, and the horse has been doing service since its arrival. It is reported that Mr. Ducker's brother and mother will arrive in about a month and will build a nice residence on the mining property recently acquired by them here. They will work the mine and spend the winters here for their health, in order to escape the vigorous cold of their western home.

The Union mine mill in course of erection is dragging along slowly, only 4 or 5 men being employed in its erection. The Southern mine is only working one shaft which is being sunk on a contract. Messrs. Hinson and Casper having contracted to sink same for \$14 per foot. The Gold Hill Co. is doing nothing but pumping water night and day, Sunday and Monday, a very monotonous and unprofitable business apparently.

Mike and party went fishing to the Bald Mountain mill, on the Yadkin river, Easter Monday, but unfortunately somehow the fish evaded us and we returned empty handed. Guess we didn't understand fishing very well.

Rev. John Summey preached a temperance sermon last Saturday night at the Baptist church, he also preached Sunday at 11 a. m.

C. A. Helderman's residence is nearing completion and is a nice and attractive home, located near the Gold Hill depot. We will perhaps have another wedding to report when this residence is completed.

LOWER ROWAN.

April 25.—The wheat crops of this section are not looking so well.

Rev. and Mrs. R. C. Kirk, of Lower Stanly visited friends and relatives in this community during Easter.

Bro. Kirk, preached an excellent sermon, at Zion M. E. church on Sunday, to a large audience.

Isaac F. Cotton and Eddie L. Kirk, of New London High school, were welcome visitors in our community during Easter.

There will be another ball game in D. S. Brown's pasture Saturday evening, May the 9th. Come one and all, at this time we will organize a team and join the League, and, if any team doubts our championship, it can be made manifest unto them upon application.

Kennedy's Laxative Cough Syrup—the cough syrup that tastes nearly as good as maple sugar and which children like so well to take. Unlike nearly all other cough remedies, it does not constipate, but on the other hand it acts promptly yet gently on the bowels, through which the cold is forced out of the system, and at time it allays inflammation. Always use Kennedy's Laxative Cough Syrup. Sold by James Plummer and all druggists.

ST. LUKE'S.

April 26.—We had a fine rain Saturday morning.

Cotton planting is claiming the attention of the farmers at this time.

Maggie Moree, the infant daughter of Mr. and Mrs. L. A. Peeler, was baptized by Rev. Rowe Sunday.

Notwithstanding the inclemency of the weather the temperance rally at St. Luke's was a grand success. There were about 50 people present. There were 20 voters and they stood as follows: 2 wets, 4 doubtful, but they say if they vote at all they will vote dry, and 14 who will vote a dry ticket if they live until the 26th of May. Messrs. Capps and Carlton made splendid addresses and some votes were gained. We forget to say that there were 8 from Salisbury and you bet your life they were wet. The exercises consisted of songs, prayer by J. C. Peeler, in which the blessings of a Divine Providence was asked in behalf of the workers on both sides, asking that the promoters of the temperance cause might be encouraged and that the leaders and workers on the other side might be made to see the errors of their way and be led from their sin and folly into paths of righteousness. The best order that could be expected prevailed and all "wets" behaved in a gentlemanly manner. There will be another rally May 2nd. Messrs. Smoot and Wright will speak.

So E. Spencer Blackburn says "that prohibition is not a moral question" and that he is against it. Good bye, "old Blackburn," you are a gone "snocor."

There is an old adage: "When you hear nothing say nothing," so that will account for our silence on some subjects hereafter.

Rev. W. W. Rowe preached one of the strongest temperance sermons to a well filled church of good sober people, at St. Luke's Sunday evening, that we ever heard. Bro. Lee with a part of the St. Peter's choir added greatly to the occasion with their splendid song, "Down with the Licensed Saloon." The music was certainly fine and we are truly thankful to these good people.

The 26th of May is rapidly approaching and everybody we hear tell of "wets" coming over to the prohibitionists, but we very seldom hear of a "dry" man turning "wet." Good prohibitionists stand firm in your tracks and on the 26th of May we will place our good old North State on the list that stands for the church, for morals, for the homes of her people, for the daughters that are her proud boast, for the happy children in whom her dependence is, and for the brave heroes that are ever ready to come to her defense. Stand by our statesmen, such as our beloved Governor and our ex-Governors, our judges and all the men who by their works have distinguished themselves as great and good men, let these little one horse city officials go their way, and may peace go with them and joy trot along behind. They will soon come to the end of their glowing career and fade away into nothingness.

There will be another ball game in D. S. Brown's pasture Saturday evening, May the 9th. Come one and all, at this time we will organize a team and join the League, and, if any team doubts our championship, it can be made manifest unto them upon application.

BOSTIAN'S X ROADS.

April 27.—The weather has very fine for farming. The people are getting along very well planting corn and cotton seed. Wheat is looking well.

Rev. J. M. L. Lyerly held communion service in Mr. Hope Reformed church Sunday. He preached a very interesting sermon, which was listened to very attentively by a large congregation.

The relatives and friends of Joseph Meisnor gave a surprise, Easter Monday, by giving him a birthday dinner. It being his fiftieth birthday. In the morning about 10 o'clock, the people began to gather in, until about 160, old and young had come together, they set a table about 86 feet long and filled it with the good things the ladies had prepared for the occasion. After the blessing, asked by Rev. H. A. Trexler, all partook heartily of the many good things to eat. After dinner was over and the presents were given, the people set about to have a general good time. Will Casper entertained the crowd with his talking machine for a long time. The father-in-law of Mr. Meisnor, Dr. Haines and wife, of Mt. Pleasant, came to enjoy the occasion. He is 85 years old and is in good health. He practiced medicine about 60 years. All enjoyed the day very much. Ajax is now wondering where the next one will be.

Absolem Cross visited his daughter, Mrs. M. A. J. Roseman, Easter Sunday and spent the night with her.

James H. McKenzie paid our section a visit last week in the interest of his election, at the primaries, as candidate for the office of sheriff. Mr. McKenzie is a gentleman of high standing and a man well qualified for the place. We wish for him a success and a big majority in the convention.

John Lewis Rendleman, who has been in ill health for several years, died the 11th inst., and his remains were taken to St. Paul's E. L. Church, where the funeral was preached by his pastor, Rev. Sowers, and assisted by Dr. Cox and Rev. Fisher. The remains were laid at rest in the cemetery.

AJAX.

LIBERTY X ROADS.

At this writing the farmers are busy planting their cotton seed. Some few are done.

Ivey Morgan, the smartest man in this vicinity, has plowed his entire corn crop and we guess taken a good rock in his rooking chair by this time.

Messrs. Thos. Morgan and W. C. Poole were pleasant visitors at C. A. Campbell's last Sunday afternoon.

Rev. W. C. Cruse preached an interesting sermon at the Holiness church last Sunday.

That grand walk as Leora termed it, was in the afternoon, not in the evening, and we are glad to say the party enjoyed themselves if there was some exclusion.

A. L. Poole and wife visited Geo. Trexler last Sunday. Geo. Ribelin was also a visitor at the same place.

The Jackson College and Gold Knob baseball teams will cross bats on the Liberty ground the second Saturday in May.

Messrs. J. T. and J. C. Klutz started to Palmville recently and for some cause stopped at Whitney where they were pleasant visitors at Prof. Eddin's and failed to get to the former place.

Zebulon Trexler was a pleasant visitor at James Morgans Sunday.

Adam Jackson purchased a fine colt some weeks ago and it works like a top.

Some time ago a girl received an invitation and it said, "Come up Polly and bring somebody with you."

BILLY.

A Twenty Year Sentence.

"I have just completed a twenty year health sentence, imposed by Bucklen's Arnica Salve, which cured me of bleeding piles just twenty years ago," writes O. S. Woolver, of LeRaysville, N. Y. Bucklen's Arnica Salve heals the worst sores, boils, burns, wounds and cuts in the shortest time. 25c at all drug stores.

CHESTNUT HILL.

April 27.—The people of the hill are having very good health at present.

Miss Susan Overman, of Chestnut Hill who has been so sick, is improving fast we are glad to note.

Miss Della Shaver, of Piney Woods came up to spend a few weeks with her sister, Mrs. Cora Taylor, on Ginger Hill.

Dinal and Math Glover, were in Salisbury Saturday looking for work.

Mr. and Mrs. M. C. Eagle, were pleasant visitors at J. W. Taylor's Sunday.

Miss Ida Cornelison visited relatives and friends at New London recently.

We are glad to see peaches hanging on the trees. It makes us think we will get something to eat.

W. A. Stokes is visiting John I. Shaver, and family. We are always glad to see him. Come again you have a cordial invitation.

I have a few remarks to make in the line of prohibition, for I feel that each and every man ought to be concerned about this great question, for there is no man that will say from the depth of his heart that it is not an evil to drink whiskey, that if he will pray to God earnestly, the reason so many are in darkness and in sin is because they don't ask the good master to guide them.

A Mineral Water that Defies Drugs

NATURE'S GREAT BLOOD TONIC

The recent drug exposures in this Country have proven to all that deadly poisons and stimulants lurk in many Patent Medicines. You never know when you might be taking some of that class.

Nature has made ample provision for restoring vigor and vitality to humanity, and the public, as well as doctors, resort to Natural Remedies, when all others have failed.

Are you troubled with **Dyspepsia, Nervousness, Malaria, Kidney or Bladder Trouble, Chronic Diarrhoea or Dysentery**, and above all, that dreadful disease **Scrofula**, which has almost baffled human skill, or **Diseases peculiar to Females?**

Piedmont-Bedford Concentrated Iron & Alum Water

Is Nature's Remedy for Nature's Ills. Yes, when you consider that disease comes from impoverished or run down conditions of the system, this Natural Mineral Water furnishes the system what it needs.

The analysis of this Water, shown on the bottle, tells you what Nature thinks you should take when sick, and the doctor who reads it will agree.

Do you think the grouping together in this Water of 17 different minerals, which are recognized by medical writers as **most powerful blood tonics**, could have been accidental? Reason answers, NO!

An 18-oz bottle of Piedmont-Bedford Concentrated Iron and Alum water contains all the minerals of 25 gallons of the average natural water—Then why buy a barrel of water when you can get a bottle of minerals at the trivial cost of one dollar. The dose is a teaspoonful in a glass of your own spring water.

How this Water acts upon the system is not clearly known. It is judged mainly by its works. It has cured all the diseases enumerated above, and many more, evidently through its action as a powerful **BLOOD TONIC**.

We have many valuable certificates, which we will be glad to mail, if you are interested.
