

**THE CAROLINA WATCHMAN.**

The closing exercises of the Spencer graded school were held Friday night. After the class exercises Rev. Harold Turner, of Charlotte, delivered a strong address on the relation to the community. This school has had a very successful year, and is in every way a credit to the people of Spencer.

An additional appropriation of \$40,000 for the public building here has been made by Congress. This with the \$75,000 that had already been appropriated makes \$115,000. The building will be located on the corner of West Union and Church streets. The site has already been bought and work on it will likely begin soon.

Senator Lee S. Overman came home yesterday to vote.

Two important changes have been made in the personal force of the railroad shops at Spencer. Master Mechanic F. P. Roesh has resigned and has gone to Colorado, and Shop Supt. E. C. Sasser has been appointed Master Mechanic of the Southern's shop at Charleston, S. C. W. F. Kedley, of Virginia, has been appointed to succeed Mr. Roesh.

Just as upon DeWitt's Witch Hazel Salve. There are substitutes, but there is only one original. It is healing, soothing and cooling and is especially good for piles. Sold by James Plummer and all druggists.

Dr. Byron S. Clark, pastor of the First Presbyterian church, preached the baccalaureate sermon at Statesville Female College Sunday.

Mr. John Riha, of Vining, Ia., says, "I have been selling DeWitt's Kidney and Bladder Pills for about a year and they give better satisfaction than any pill I have ever sold. There are a dozen people here who have used them and they give perfect satisfaction in every case. I have used them myself with fine results." Sold by James Plummer and all druggists.

Senator Whitehead Klutz delivered the commencement address at the close of the Oxford graded schools Friday.

All persons having colts which they desire to have castrated will do well to call on J. S. Dorsett, deputy sheriff Rowan county, 'phone 129. Have had twenty year's experience. Have never lost a colt 5-6 3t

**Mr. Brown Seriously Hurt.**

C. M. Brown, manager of the Brown Shoe Store, was badly hurt in a runaway late Sunday afternoon. He and Mrs. Brown were driving along the macadamized road between Salisbury and Faith when a bolt that held the shaft dropped and caused the shaft to go to the ground. Mr. Brown caught the lines and as he did so the buggy was tilted throwing him under it. The horse began running but Mr. Brown still held to the lines. He was dragged several hundred feet before the horse was freed from the buggy. He was badly bruised but otherwise is not seriously injured. Mrs. Brown stayed in the buggy and was not hurt.

DeWitt's Little Early Risers are small, safe, sure and gentle little pills. Sold by James Plummer and all druggists.

**A Native of Rowan.**

By the way, Rev. Dr. J. A. B. Scherer, president of Newberry College, South Carolina, who is decidedly a young man of parts and who delivered a commencement address refreshingly different from the usual kind in this city several evenings ago, belongs among the North Carolinians. Within the past decade he has seen much of life in Japan, South Carolina and elsewhere, but he was born and bred in Rowan county and Salisbury, in the Old North State.—Charlotte Observer.

**A Californian's Luck.**

"The luckiest day of my life was when I bought a box of Bucklen's Arnica Salve," writes Charles F. Budahn, of Tracy, California. "Two 25c boxes cured me of an annoying case of itching piles, which had troubled me for years and that yielded to no other treatment." Sold under guarantee at all drug stores.

**COURT HOUSE HILL.**

May 27th, 1908.

The health of this community is very good at this writing.

Henry Trexler, who has been confined to his bed for the past few weeks, we are glad to say is improving.

Gold Knob and Rockwall crossed bats Thursday evening on Crescent diamond, the score stood 9 to 0, in favor of Gold Knob. After this game Ethel and Gold Knob crossed bats, the score being 4 to 1 in favor of Faith.

**Valued Same as Gold.**

B. G. Stewart, a merchant of Cedar View, Miss., says: "I tell my customers when they buy a box of Dr. King's New Life Pills they get the worth of that much gold in weight, if afflicted with constipation, constipation, malaria or biliousness." Sold under guarantee at all drug stores. 25c

**New Advertisements.**

Attention is called to the statement of the China Grove Bank. This is a carefully managed and safe bank. It has recently increased its surplus from \$600 to \$1,000 which indicates meeting with success.

James E. Corriher, Sr., one of the best farmers in China Grove township, was in the city Monday on business. He has qualified as administrator for the estate of the late Dr. Corriher, notice of which appears in this paper.

The report of the bank of Spencer appears in this issue. It shows the bank to be in a flourishing condition, and the citizens of Spencer are fortunate in having such a prosperous institution in their midst.
