READ ALL THIS.

You Never Know The Moment When This Information May Prove of Infinite Value.

It is worth considerable to any citizen of Salisbury to know how to be cured of painful, annoying and itching piles. Know then that Doan's Ointment is a positive remedy for all itches of the skin, for piles, eczema, etc. One application relieves and soothes. Read this testimony of its merit:

Mrs. J. M. Litten, 202 E. Bank St., Salisbury, N. C., says: "Several years ago I suffered a great deal from a skin eruption. This appeared all over my body but was especially on my hands. The itching was almost unbearable and at night I was unable to obtain my proper rest I tried salves and ointments but obtained only slight relief and had about despaired of ever being cured. Finally Doan's Ointment was brought to my attention and after procuring a box from the Salisbury Drug Company, I started its use. The itching ceased at once and soon every trace of trouble disappeared. I know Doan's Ointment to be a wonderful preparation for any troubles of this kind and will never fail to recommend it."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
