Entered as second-class matter Jan.
19th, 1906, at the post office at Salis-
bury, N. C., under the act of Congress
of March 3rd, 1879.

SALISBURY, N. C., JUNE 17, 1908.

It is past time to accept the re-
sult, settle down to business and
ways of peace and normal rela-
tions.

We were handed a copy of the
Spencer Crescent, Saturday. It
is a bright, new sheet and a
credit to our neighbor town. Here
is wishing Brother Allen and the
Crescent all kinds of success.

So Mr. Taft, candidate for the
high office of president of the re-
public wanted a negro to dine
with him. We have no objection
to his dining a negro, or mix-
ing with them in anyway that may
suit his pleasure, but we do object
to such a man occupying the of-
fice which he seeks.

In the defeat of Hoke Smith,
of Georgia there is a great lesson
to the demagogues and tricksters.
When the people learn the truth
about a man, and this they do
sooner or later, they speak in no
uncertain tones. They seldom do
any one injustice, but are often
misled by unscrupulous politi-
cians.

Maj. E. J. Hale, of Fayetteville,
an old-time rock-ribbed Democrat
who has served his party long and
well both in the State and nation-
ally, seeks re-election as a dele-
gate-at-large to the National Dem-
ocratic convention to be held at
Denver. Maj. Hale should be re-
elected by all means. He has
served three terms as such and is
probably better qualified to rep-
resent the State on such an oc-
casion than any one else.

The talk about testing the legal-
ity of the prohibition law is fool-
ishness. The majority by which
the measure was carried is suffi-
cient to assure any reasonable
mind that the people of North
Carolina want prohibition and in-
tend to have it. If the present
law is not legal the people will
not lose much time in putting one
on the statute books that is. So
nothing can be gained by test-
ing or invalidating the law re-
cently voted upon by the people.

Whether the rank and file of
the Democratic party likes it or
not, it seems to be almost a sure
thing that Mr. Bryan has the
nomination almost in his grasp
now. An effort will of course be
made to nominate Johnson or
Gray, but those who are unfriend-
ly to Bryan had as well be pre-
pared to yield to the inevitable
with grace and dignity. Unless
there be a most astounding change
of sentiment Mr. Bryan will be
nominated for the third time.

Just a word regarding the result
of our late campaign over the
question of liquid refreshment.
The State has gone dry by a large
majority. Whether or not we are
pleased with the result, no matter
how we may have voted, when the
law goes into effect let us all do
what we can, individually and
collectively to see that the law is
enforced in letter and in spirit.
Let us resolve to give prohibition
a fair, honest trial and see what
it will do. If the law results in
good to the people of the State we
want it to remain as it is, but if
it proves to be a farce, if we can-
not enforce it, or if we see that it
is an injury instead of a blessing,
the people have the same right to
repeal the law as they had to
adopt it. Let us give it a fair
trial.

Death of W. W. Reid.
REID, W. W., died at the home
of his daughter, Mrs. Harry Bern-
hardt, last night. He was 80 odd
years of age and leaves only one
child and many relatives and
friends to mourn his death. Mr.
Reid was quite wealthy and led
an active life until his last illness,
which lasted about two weeks.
The funeral will likely be held
tomorrow from the Lutheran
church, of which he was a mem-
ber.

YOUNG MEN LEAVING GOLD HILL.

Considering a New Location for the Post-
office. A Marriage.

Gold Hill, June 15.—We are
having nice rains almost daily
which are good on the growing
crops, but somewhat troublesome
to haryestors.

Blackberries are getting ripe
and blackberry parties are the
order of the day now.

A representative of the post-
office department from Washing-
ton, D. C., was here last week
and made a partial canvass of the
town in regard to the removal of
the postoffice to the depot. The
office is now located one and one-
twelfth miles from the depot and
a carrier is paid \$180 a year to
convey the mails to and from the
office. The representative failed,
however, to visit 6 or 8 families
who live almost in sight of the
proposed location of the office be-
cause the incorporate limits do
not take them in, but are patrons
of the office.

C. A. Helderman and Lottie
Russel were married June 10th.
W. R. Russel is filling the place
of C. A. Helderman as station
agent during his absence.

Gold Hill will be an Adam-less
eden after while if the boys keep
leaving. Only a few weeks ago Irvin
Shaver and Gray Myers left their
respective homes for Washington,
D. C., where they both secured
positions as street car conductors,
and encouraged by their success
Ed Leonard, Coy Peeler and Chas.
Montgomery left last week for the
same destination, about half a
score of girls followed them to
the station and it is said shed
copious tears on their departure.

Mrs. Lizzie McCarnes, nee
Ritchie, is in a very precarious
condition. Drs. Bowers and Good-
man are in attendance, they have
diagnosed her ailment as typhoid
fever. She was delivered of an
infant Friday eve. It was still-
born, however, and she is report-
ed to be doing very well consid-
ering the circumstances.

Wheat has about all been har-
vested around here and seems to
be fairly good, or, a little above
the average.

Well, the buggy contest closes
next Saturday, so if any one
wishes to avail themselves of the
50 cent subscription offer it must
be done at once, as after next Sat-
urday the price will be strictly
\$1 per year. ring or send in
your name and 50 cents to W.
H. Martin at once, not later than
Friday eve the 19th. MRK.

The price now for the paper is
75c, but agents are allowed 25c
for securing names, so, as seen
above Mr. Martin, as a number
of others are doing gives his com-
mission to the subscriber. This
is a deep cut and should be taken
advantage of by all who want to
keep up with the stirring events to
follow during the fall campaign.

ORGAN CHURCH.

June 15.—We have been having
some fine weather for the crops
lately.

Geo. Parks was a welcome vis-
itor of Rev. H. A. Trexler's Satur-
day night.

There was preaching at Organ
Sunday. As the weather was not
very good there was not a large
crowd present.

We understand that Calvin
Shive and his brother, Luther,
are doing considerable business
down about Lower Stone.

Daniel Barger has plenty of
fruit this year. He has been hav-
ing apples in abundance since the
1st of the month. He has been
giving to all the neighbors that
come after it.

Luther Fesperman was visiting
Rev. H. A. Trexler Sunday.

Frank Park and family were
also the visitors of Rev. H. A.
Troxler Sunday.

John Ketner is farming this
year.

Paul Deal, who has been quite
ill with appendicitis, is improv-
ing now.

Miss Esther Fisher will teach
the summer school at Klutz's
school house this summer. She
has been going to Crescent for the
last two years. OLD HAPPY.

Mrs. Dr. Moore, lady tooth extract-
or, will be at Dr. Fox's office,
Salisbury, June 26th and 27th, on
her regular monthly visit. Re-
member the date. Two days
only. 26.

LOWER ROWAN.

June 15th.—The farmers of this
community are through harvest-
ing.

Albert T. Eagle, of Salisbury,
is visiting relatives and friends in
our community this week.

The Quarterly meeting will be
held at Zion M. E. church, Satur-
day and Sunday, June 20th and
21st. Everybody is invited to
come.

Misses Lou Eller and Sallie
Maie Snider, of Davidson county,
visited at W. C. Lisk's, Sunday
evening and Sunday night, Miss
Sallie Maie will spend the week
at Mr. Lisk's.

Burlie Lisk, youngest son of W.
C. Lisk, who came very near get-
ting his eye put out, Sunday June
7th, is doing well. Dr. C. M.
Poole is the attending physician.
He says by close attention he
thinks his eyesight can be regain-
ed.

Miss Lillie Shaver visited at
Jas. A. Miller's Saturday night.

Mrs. Linda Arey who has been
sick sometime with dropsy is very
low and is not expected to live
very long, we are sorry to say.
BLUE EYES.

GOLD KNOB.

The health of the community is
good.

Gold Knob and Liberty crossed
bats last Saturday and the score
stood 9 to 1 in favor of Gold
Knob.

T. J. A. Barger is the earliest
bird in this community. He has
his wheat all hauled in and hay
made.

G. H. Lyrly visited at Miss
Pratt Trexler's last Sunday and
Sunday night.

Gold Knob and the Pasture boys
will play ball next Saturday, June
20th on the Pasture ball ground.
Everybody invited to come out.

A. L. Klutz is so interested in
ball playing that the grass has
about got his cotton.

Say Bro. Fred, what has be
come of you. Step in and give us
the news. CORNELIATORUMATUS.

The Pension Roll.

It will be well for the old Con-
federate Veterans who draw pen-
sions from the State, to remem-
ber that it will be necessary for
them to call on Superior Court
Clerk J. F. McCubbin, in order
that their names may be properly
certified to the Auditor. This is
done that only the names of those
who are still living may be carried
on the pension roll.

SADNESS IN GOLD HILL.

Several Deaths. A Marriage and Some
Short Items of Interest.

There have been some happen-
ings in this community within the
past two weeks that have over-
shadowed some homes with gloom.
The sudden death of James Dreck-
er, of Illinois, on the night of
Monday, the 1st, was a very sad
occurrence. He had come south for
his health and has been living at
Gold Hill for a few weeks. He had
a sudden stroke about 10 o'clock
at night and died the next morn-
ing between 5 and 6 o'clock. The
remains were embalmed and taken
back to Illinois for interment.
They were accompanied by the
bereaved wife and three fatherless
children, a sad journey to them.

An equally distressing occur-
rence, only a few doors from the
other, was the sudden and unex-
pected death of Mrs. Maggie
Crowell, daughter of L. D. Mc-
Carnes, on Friday, June 6th. She
became a mother at 10 o'clock
and one hour later the little girl
was left motherless.

Col. J. C. Snuggs, about, if not
the oldest citizen of Gold Hill
community, has been critically
ill, hardly expecting to recover,
but he appears to be convalescent
now.

On Wednesday evening, June
10th, Charlie A. ... agent of Southern railway Co. at
Gold Hill, and Miss Lottie J. Rus-
sell, daughter of J. L. Russell,
were married in the Methodist
church of Gold Hill, Rev. James
Willson the pastor performing the
ceremony. The church was beauti-
fully decorated with evergreens
and was lighted and a large com-
pany witnessed the marriage. The
bridal party left on Thursday
morning for Newton, Catawba
county, to spend a few days, with
relatives at the old home of the
bridegroom. They will soon oc-
cupy their newly built house ne
the Southern depot in this town.

We are having refreshing rains,
and the season is a fine one. Corn
and later planted potatoes, with
garden vegetables generally, are
quite promising.

The mining interests of the
community appear to be lagging
just now.

Cupid, it seems, is shooting his
arrows about and they are strik-
ing, and we are listening for the
mariage bells to ring again and
again. J. W.
Gold Hill, N. C., June 15th, 1908.

BELK-HARRY CO'S

COST SALE

Brittain & Campbell, Commencing June 10th.

Owing to the unsettled markets and business depressions now existing we have decid-
ed to hold a cost sale during the month of June on almost everything in our store. We
have a big stock of clean merchandise and the people of Salisbury, Spencer, Rowan and
adjoining counties, will have an opportunity of reaping a harvest of bargains, the like of
which has not been seen in Salisbury since cotton was 8c a pound. We have just bought
a big lot of goods that was sold in New York at auction and the manufacturer lost big
money on them. Now all the new goods go in this sale. It would take us two weeks hard
work to tell you all that will be in this sale, but suffice it to say that we will have bargains
to go around, but it pays to be first.
