

# \$17.50 AND \$20 VERY FINE CUSTOM MADE MEN'S SUITS \$10.75 AND \$11.75.

Our buyer secured these high grade Men's Suits from several large manufacturers of New York city who were overstocked. On every side the makers of stylish, seasonable clothing have been calling for Cash! Cash! Cash!--and they secured it by sacrificing their products to us as never before in the history of this store. These goods are by far the finest lot of Men's suits ever brought to Salisbury. Every garment is guaranteed to be pure wool and each garment is made by America's most skilled tailors. The prettiest shades of Light, Medium and Dark Browns with the new elephant and shadow stripes, all the newest shades of Olives, Tans, Modes and Greens with all the latest weaves.

The coats are made in the new three-button single and double-breasted models, with or without fancy cuffs on sleeves. All coats are silk lined. The Trousers are either extreme, full or medium peg tops. The vests are cut in the latest designs with new flaps on each pocket.

Come and try on one of these suits whether you purchase or not.

125 SOUTH MAIN STREET,

SALISBURY, NOR. CAR.

### DUNN'S MOUNTAIN.

Here we are Bro. P. P.'s after a vacation and rest. Since we have been on a vacation we have traveled considerably.

For the past few weeks every man's house we have been to we could hear the hum of the baby thrasher.

Jr. O. U. A. M. Council No. 106, had the pleasure of giving Luther Holsinger the degrees in the order.

D. L. Cauble visited in our neighborhood during the threshing season. Come again.

Some of the young folks who went on the excursion to Asheville were advised to go out in the country and sleep in a barn. How is that for economy? But the young men did the proper thing. We would not be surprised to hear of some going on an excursion and walking. That's right, economy is the road to wealth.

D. M. Kesler is digging a well for himself. Mrs. M. J. Canble is visiting among her children.

We are informed that Uncle Josh is conducting a "prescription" school. Well, this may be true. We venture to say if the children will neethe "prescription" as per directions of Uncle Josh, it will cure them of the awful malady commonly known as ignorance.

We learn from a reliable source that Uncle Josh has departed from the ancient colonial dress and has donned a derby hat and frock coat. Well, nothing succeeds like succeeds, and nothing progresses like progress. We hope to see Uncle Josh ere long.

Moses E. Klutz has purchased the L. T. Cauble farm near here and will occupy same this fall. The consideration, we understand being \$1,000.

Earnhardt and Co. have finished their season's work threshing and has put the baby outfit in the shed. This company has threshed between 8,000 and 9,000 bushels of wheat and oats. Pretty good!

E. E. Procter and family have been visiting friends and relatives during his vacation.

Our old friend Vance Eller and one of Uncle Sam's R. F. D. men paid us a pleasant visit Friday evening. We are always glad to see out friends. Come again and see the comedian.

Rowan Council, No. 106, side degree the A. D. K will soon have a big blow out. There are a couple of candidates who wish to probe into the mysteries thereof. The date will be announced later. All members are expected to be present to enjoy the occasion.

Protracted meeting at the Dunn's Mountain Baptist church will begin next Saturday night. Rev. Kirk will conduct these services (so we are informed). We trust much good will be accomplished. We will vouch for this Rev. gentleman as a speaker, for we heard him at Corinth church the 2d inst.

We had the pleasure of seeing our Bro. Comedian, Napoleon, Sunday, the 1st, inst. Such meetings are always a pleasure to us.

One of our friends passed us a nice piece of watermelon Sunday evening as we passed his house. Thanks!

### ORGAN CHURCH.

August 8, 1908.—The people of this community are done with their work and will rest a while.

There will be a missionary day at Organ August 9th beginning at 10 o'clock and lasting all day. There will be recitations, songs, etc., and Rev. Jeffcoat will be present also. Let everybody come and bring a well-filled basket.

We would like to know who Marion, who hails from Park Academy, is. If anyone can inform Old Happy he will be very much obliged.

Monroe Ketner has the finest watermelon patch that has ever been seen in this section. He says he is going to live on them for a while. Anyone can go and take a wagon load and they would not be missed.

S. J. Shive was visiting down at Lower Stone Sunday night. We hope and think we can report a marriage pretty soon.

Mrs. H. A. Trexler, who suffered a severe sprain of one of her limbs three weeks ago, is improving, but is not yet able to walk without crutches.

The new schoolhouse is going to be built at Organ church instead of where the old one stood. The subscription list has now reached \$800 and is still growing. We think this will be a good improvement, and this is the right location for it.

The subscription school taught by Miss Estie Fisher is progressing finely.

We like to have writers to THE WATCHMAN take great interest and write every week, as Marion.

Derby Barger was visiting Old Happy Sunday.

Callie Shive is going on a trip to Barium Springs soon. His health has been failing for some time and his attending physician advises him to go to a healthier place. It is hoped, however, that he will soon be able to come back, especially by some Lower Stone friends.

There will be a good many from this community who will go to school at different places when September comes. The following are some of them: Geo. H. Park, to Roanoke, Va.; Luther Fesperman, to Mt. Pleasant, N. C.; Calvin Shive, has not yet decided; Miss Daisy Trexler, to Mt. Pleasant, N. C. Old Happy and Xerxes are also going to Mt. Pleasant. Several others are undecided. OLD HAPPY.

### For Sore Feet.

"I have found Bucklen's Arnica Salve to be the proper thing to use for sore feet, as well as for healing burns, sores, cuts, and all manner of abrasions," writes Mr. W. Stone, of East Poland, Maine. It is the proper thing too for piles. Try it! Sold under guarantee at all drug stores. 25c.

M. A. Cauble, of the Earnhardt & Co. threshing machine, who was seriously hurt by a belt on the machine while threshing at M. G. M. Fisher's, near Faith, was getting along nicely at last report. He had a very narrow escape from permanent injury and possibly his death, his right arm being bruised and burnt and the sleeve of his shirt and overall jacket being torn off at the shoulder.

Well, Bro. P. P.'s, we will try and be with you more regular and often. BARTLETTE.

### NORTH LIBERTY.

Aug. 4.—The weather is very hot and dry at the present and a good rain would be a blessing to the community.

Some corn has already fired very bad and is not earing so well.

The protracted meeting commenced at Corinth Baptist church August 2nd.

Given Pool spent a short while with Calvin Sunday. He says he has a plow boy at his house that weighs 10 pounds. He didn't say whether he stood on his head or not.

Joseph Pool and wife, J. T. Eagle and family paid Calvin a visit Sunday evening. Glad to see you all. Come again and stay longer.

Here comes George Canup again bragging. He says he has cotton that the bloom is red when it comes open. Can any one beat this? If you can trot out your cotton.

Say Bro. Xerxes, you seem to be a professed hand to give out receipts for the destruction of jiggers. Now, can you tell me why the end of a dog's tail is like the heart of a tree?

Ivy Morgan says he has a horse to sell or trade. Any one wishing to own a good horse will do well to see Mr. Morgan. It's the horse that tops cotton.

We agree with I. L. E., no one gets married before they want to, but lots of people want to before they do.

Otho Morgan contemplates painting his house in the near future. CALVIN.

### SALEM CHURCH.

July 31.—We are having a fine season, rain about every day and corn is looking fine. The outlook for a large crop is good.

C. W. Graham is remodeling his house and fitting up a new "J."

Miss Carrie Lingle will teach school in town this coming winter, so I understand.

Farmers are about through breaking wheat land.

This is the last item you all will see from John, as he will give up his corresponding to his successor, who is "Jack." He lives on the 'phone line and gets all the news. He lives in the village called Nain, near the cross roads.

Country people are living cheaply now, they have plenty of corn, watermelons and sweet cider.

The communion at Salem will be the second Sunday in August. Preaching on Saturday at 8:00 p. m.

There will be two missionary quilts sold at the Sunday school convention at Salem at noon. Come out you that want fine quilts.

C. W. Graham is talking of selling his farm. JOHN.

### Excellent Health Advice.

Mrs. M. M. Davison, of No 879 Gifford Ave., San Jose, Cal., says: "The worth of Electric Bitters as a general family remedy, for headache, biliousness and torpor of the liver and bowels is so pronounced that I am prompted to so say a word in its favor, for the benefit of those seeking relief from such afflictions. There is more health for the digestive organs in a bottle of Electric Bitters than in any other remedy I know of." Sold under guarantee at all drug stores. 50c.

### LOWER ROWAN.

Misses Ada and Nannie Eagle and Susie Overman, of Salisbury, visited relatives in this community recently.

The revival meeting will begin at Luther's E. L. Church on Wednesday before the fourth Sunday in August.

Ed. L. Kirk visited relatives and friends in this community a few days last week.

Mrs. Izora Kirk and little son, also Mrs. Nannie Morgan and little son visited relatives in lower Stanly last week.

The wheat and oat crops of this community are very good. Calvin Morgan, our champion farmer, made 780 bushels. D. D. Shaver made 550 bushels. Who can beat this?

Alexander Shaver lost a good horse lately.

On Saturday night, July 18th, G. G. Morgan gave an ice cream and watermelon supper, which was attended by a large crowd and enjoyed very much by all.

Calvin Miller, of Millertown, began his subscription school at Prosperity on July 27th. We wish him much success. S. A. D.

### LIBERTY X ROADS.

The baseball fever has about died out around here.

James Crauford is making a new two-horse wagon so as to break his mules.

W. A. Campbell and wife, of Cabarrus, visited L. A. Troutman last Sunday.

Mr. Fowler is teaching a ten-day writing school at Liberty.

Messrs. Geo. A. Trexler, J. F. Crawford, and James Morgan have been appointed as a committee for the new schoolhouse at Liberty. The work will begin soon.

Geo. A. Trexler is building a new blacksmith shop on the Spencer style.

John Morgan and family visited

Moss Troutman in Cabarrus last Sunday.

Messrs. L. A. Troutman and C. A. Campbell are expecting a contract to make about 750 gallons of cider this week.

The big meeting will begin at the Holiness church the first of August. Let everybody come and hear the lady preachers. The protracted meeting will also begin at Corinth Baptist church next Sunday.

The people of this community have the telephone fever and the sooner they get the 'phones in the better it will be for them.

Messrs. D. A. Weaver, C. A. Campbell, and Nat Troutman are ready to start to the Yadkin river on a fishing trip.

East Liberty street was well packed last Sunday, owing to the many buggy riders.

F. M. Tyack and wife and Miss Emma Arey visited at Richfield last Sunday.

C. B. Eagle, of the Faith neighborhood, was a pleasant visitor in this vicinity last Sunday. BILLY.

### GOLD KNOB.

August 5.—Hot weather and politics is the order of the day.

Corn and cotton is in need of rain very much. Another week of dry weather will out the corn crop in half.

W. M. Stoner's well caved in, house and all, Tuesday evening, which rendered the well useless.

H. F. Morgan is erecting a nice residence near here.

There was an error in Bro. Corneliatoriamatus' items as to the exercises at St. Peter's church on the third Sunday in August. Instead of all day the exercises will only be in the morning. Rev. J. P. Miller, of Mt. Pleasant, will be with us to make an address on missions.

Bro. Corn. got his dates mixed in beginning his letter "Dear

### Dr. Price's Wheat Flake Celery Food

It is said that nine children out of ten are in a fair way to be dyspeptics at six years of age. The plainer children live the better for them. Dr. Price's Wheat Flake Celery Food is the ideal food for children; made from wheat and so prepared as to bring out its full nutritive value and render it most digestible. The best food for all classes.

**Plain Talks on Fertilizers**  
Increasing and Safeguarding the Wheat-Crop

The use of commercial fertilizers on the wheat crop is yearly becoming more general—proof enough that it pays, and pays well.

Too many farmers, however, use fertilizers without due regard for the special needs of their soils. Often they buy the cheapest grades. Or they use very small quantities.

That such unscientific use of fertilizers has proved profitable indicates what can be accomplished for wheat growers if used more carefully and intelligently.

The best way to learn just what fertilizers will pay you best is to make comparative tests on a small scale with your soils—then use a sufficient amount and you will undoubtedly increase not only the average yields, but your profits as well.

Write to the Virginia-Carolina Chemical Company for its new Year Book or Almanac, a costly 180 page book, written by government and private experts. It shows how and why you can increase your crops three or four fold by following modern agricultural methods. A postal to any of the Company's offices given below will bring a copy by mail free of charge.
