Published every Tuesday at 120 West Innis Street.

Subscription Price: \$1.00 per year; spot cash with order, 75cts.

Entered as second-class matter Jan. 19th, 1906, at the post office at Salisbury, N. C., under the act of Congress of March 3rd, 1879.

SALISBURY, N. C., FEB. 9, 1909

SHORT LOCAL ITEMS

Spencer is making strides in the direction of a city. A number of important matters are now under consideration by the board of trade of that place, and among them are an electric plant and an ice factory.

The Dixie Furniture Company, a new concern, has opened for business at 118 East Innis street. John Howard and several others are the proprietors of the business and many friends hope their venture will be profitable.

Citizens of Woodleaf will ask the legislature to incorporate that town.

Reuben J. Holmes is the earliest aspirant for aldermanic honors. He is a candidate for alderman from the west ward.

Work began Monday, with a small force, on the new car line to the fair grounds.

It is announced that the Democratic Executive Committee of this city, will shortly hold a meeting to arrange for the municipal primaries.

The district meeting of the Odd Fellows will be held March 20th, with Beulah lodge, at Spencer. W. R. Beau, district supervisor, will arrange a programme for the occasion.

A mass meeting will be held tomorrow evening at the First Methodist church, the members of the congregation and their friends, being invited to be present. This meeting was to have been held last Wednesday night, but was unavoidably postponed.

A meeting of the Salisbury Minister's Association was held Monday, in the Baraca class room of the First Baptist church. The subject considered was the scope of the association.

The Southern Railway offers a low rate to Washington on account of the inauguration ceremonies.

There will be a meeting of a Men's Bible class Thursday night, at the Y. M. C. A. building at Spencer. Hon. John S. Henderson will be the teacher, with A. L. Smoot as assistant. It goes without saying, that the class will be a large one when it gets fairly started.

Miss Ella Holman and Kerr Mowery were united in marriage last Wednesday night. The wedding occurred at the Reformed church, Rev. W. B. Dutera, pastor of the church officiating.

Vernon Early employed by the Southern at Spencer as call boy, was badly injured a few nights since, while crawling under some cars the train moved and a wheel mangled one of his legs. Amputation will not have to be resorted to.

D. P. Williams, of Spencer, lost his residence by fire last week. The prompt and efficient service rendered by the Spencer Fire Department, saved the adjacent buildings. The loss is said to be nearly \$2000.

W. A. Carter, who has been superintendent of the Rockwell Furniture Company, has resigned that position and has gone to Atlanta.

Miss Willie Mahaley, of this city, and P. B. Daily, of Greensboro, were married early last week by Rev. W. B. Dutera, at his home on East Innis street.

It is reported that work on the proposed new trolley line will begin at an early date. The line from Main street to the fair grounds is to be built first.

L. E. Fisher, a resident of the county, will shortly move to Hendersonville where he will engage in the real estate business.

The infant son of Dr. and Mrs. R. V. Brawley, died at the sanatorium last Tuesday, after a brief illness.

The Facts About Peru-na.

Is Peru-na an alcoholic beverage in disguise? Is it possible to use Peru-na as a substitute for whiskey? Do people buy Peru-na and use it as a toddy, or a bitters, or a brewer?

It would be the easiest thing in the world for any one to demonstrate the falsity of such statements. Let any one go to the drug store and purchase a bottle of Peru-na. Let him undertake to use it as a beverage, or take this remedy in doses considerably larger than those prescribed on the bottle. Would the result be alcoholic intoxication? Nothing of the sort. Let any one try it and see.

Peru-na is a medical compound quite heavily loaded with medicinal ingredients. If taken in doses larger than prescribed it would produce a positive drug effect. No one could take it as a beverage. If any one doubts these statements, try it and see. We know that Peru-na cannot be used as a beverage; that it will not intoxicate; that it cannot be used as a substitute for liquor. We guarantee that PERUNA CONTAINS NO CHEAP WHISKEY—OR ANY OTHER WHISKEY, for that matter.

It contains a small per cent of cologne spirits, absolutely essential to dissolve and hold in solution medicinal ingredients, but the drugs contained in Peru-na prohibit its use as a beverage. It would be the easiest thing in the world for any one to demonstrate this if they chose to do so.

Peru-na is sold everywhere. THE INGREDIENTS ARE PLAINLY PRINTED ON EACH BOTTLE. It has been said over and over again that chemists have analyzed Peru-na and found it to contain only cubeb and whiskey. Now we challenge any chemist to demonstrate any such statement. Let any one who has even a smattering knowledge of chemistry purchase a bottle of Peru-na and see whether or not it contains whiskey, find out for himself whether or not it is composed of cheap whiskey and cubeb. Of course, cubeb is one of the ingredients of Peru-na, but there are many other ingredients. It contains hydragric canadensis, corydalis formosa, collinsonia, and at least four other medicinal ingredients. To be sure, no chemist could so analyze Peru-na as to be able to identify the various medicinal ingredients. This is beyond the ability of any chemist. But any ordinary chemist would be able to say that Peru-na is heavily loaded with medicinal ingredients of some kind in addition to cubeb.

Now why are these statements repeated when their falsity could be so easily demonstrated? Simply because there is continued hostility toward Peru-na on the part of the medical profession. Very likely the magazines which took up the crusade against Peru-na and denounced it as a cheap beverage were misled by statements of the medical profession. Probably they were sincere in their attitude towards it. But now, after all these things have been said and refuted, it would seem to be in order for such people to use a little fairness and common sense in the matter.

Every time any one says that Peru-na is nothing but cheap whiskey and cubeb he is telling a lie, an absolute falsehood. Most people intend to speak the truth. But the prevalent habit of repeating other people's statements, without investigation as to their truth, has led many well-meaning people to say these false things about Peru-na.

Used according to the directions on the bottle, PERUNA IS A SAFE AND RELIABLE CATARRH REMEDY, but, like any other good medicine, if taken in excess of those doses, it will produce drug effects very unpleasant to the person who takes it.

It is therefore up to every honest person to quit making such statements concerning Peru-na, or acknowledge that he is repeating slanders about which he knows nothing. One might just as well say that Castor Oil is an intoxicant; that if taken in large enough doses it will operate as a "booze." If people never tried to see, but simply repeated such statements about Castor Oil, the majority of people would come to believe them. It is no easier to demonstrate such a statement about Castor Oil than it would be about Peru-na.

Any one who takes Peru-na knows that such statements are false. To say that Peru-na is cheap whiskey and cubeb may constitute good material for jokes on the vaudeville stage, but there is no excuse for any one who pretends to be truthful saying over again this oft-repeated falsehood.

Court in Session.

The February term of the Superior Court is now in session. Court convened Monday morning, with Judge E. B. Jones, on the bench.

The judge charged the grand jury at some length, explaining the duties of this body, at length.

The case of Henry Young, charged with an assault upon Mrs. Moss, is set for to-morrow. It will be remembered that this case was moved here from Stanly county.

The grand jury is composed of the following citizens:

Grand jury: L. E. Heilig, foreman; John A. Brady, J. J. Sechler, A. L. Peeler, H. N. Woodson, Cicero A. Ludwick, W. T. Rainey, Milo A. J. Bost, R. F. Fleming, Julius A. Earnhardt, H. C. Kennerly, Paul Peeler, B. R. Ketchie, W. R. Lyerly, Henry W. Cauble, W. J. Fesperman, J. R. Steele, G. W. Connel.

Following are the names of the petit jury: L. J. Hess, J. C. Sloan, Geo. L. Klutz, Geo. Klutz, Jno. D. Kennerly, C. D. McDaniel, G. A. Ruffey, C. A. Boyd, Pinkney Ludwick, M. V. Cooper, R. C. Kuox, Wm. M. L. Fesperman, Archie A. Bost, L. M. Safrin, R. J. Loflin.

Work Commenced.

A force of men and teams has commenced the grading where the annex to the Kesler Cotton Mill is to be erected. The contract has been awarded to F. C. Thompson & Co., of Charlotte. The new building will be 120 feet by 80 and two stories in height.

HIDDEN DANGERS.

Nature Gives Timely Warnings That no Salisbury Citizen can Afford to Ignore.

DANGER SIGNAL NO. 1 comes from the kidney secretions. They will warn you when the kidneys are sick. Well kidneys excrete a clear, amber fluid. Sick kidneys send out a thin, pale and foamy, or a thick, red, ill-smelling urine, full of sediment and irregular of passage.

DANGER SIGNAL NO. 2 comes from the back. Back pains, dull and heavy, or sharp and acute, tell you of sick kidneys and warn you the approach of dropsy, diabetes and Bright's disease. Doan's Kidney Pills cure sick kidneys and cure them permanently. Here's Salisbury proof: J. B. Collins, 519 So. Main St., Salisbury, N. C., says "I have a great faith in the curative powers of Doan's Kidney pills as I have used them at different times and have always received the best of results. I suffered a great deal from a disorder of the kidneys but was unable to obtain relief until I heard of Doan's Kidney pills and procured a box at the Salisbury Drug Company, after using them I experienced prompt relief and on several occasions since when I have felt a return of the annoyance, they have never failed to benefit me. I have no hesitancy in advising others afflicted in a similar way to try them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Door Blown Open With Explosives.

Early last week the store of D. M. Miller, corner Ellis and Cemetery streets, was entered and robbed. Entrance was effected by blowing the door to pieces with dynamite, or some other explosive. The affair occurred shortly after midnight and a number of persons in the vicinity heard the unusual noise, and promptly paid no attention to it. J. M. Miller, a son of D. M. Miller, has charge of the store. A rifle, some cigars and about \$10 in small change was stolen.

That Liquor License.

The citizens of East Spencer don't fancy the granting of that liquor license a little bit. There has been considerable talk and the matter has been commented upon quite freely.

It is expressly stated in the charter of the town that no intoxicating liquor shall be sold within the corporate limits of the place. It is probable that the end is not yet and that some action will be taken by the people of East Spencer, Salisbury and the county.

Fair Association in a Bad Way.

The enterprise known as the Yadkin Valley Fair Association, which has had a series of mishaps to contend with since its organization, has been placed in the hands of a receiver and its affairs will be wound up as soon as possible. Walter H. Woodson, Esq., has been appointed receiver. The late P. W. Brown was one of the creditors of the organization, and as his estate is to be settled, the indebtedness has to be arranged. It is understood that an effort will be made to adjust matters so a fair will be held in the fall as usual.

As a rule it is a safe practice not to put into the stomach anything that is not nourishing and easy of digestion.

DR. PRICE'S WHEAT FLAKE CEREAL FOOD

is easily converted by the digestive organs and supplies the nutritive wants of all parts of the body.

For sale by all Grocers

Mrs. Dr. Moore will be in Dr. Fox's office January 25th for the extraction of teeth. Remember the date. 1-9-2t

Farmers Take a Hand.

A number of Rowan county farmers, who are growing uneasy over the decrease of the number of quail in this section, are circulating the following petition. This petition will be presented to the legislature if enough names are secured, and it is believed there will be no difficulty on that score:

"To the General Assembly of North Carolina: We the undersigned citizens of Rowan county respectfully submit to your Honorable body, That the skill of the sportsmen and the unfavorable weather conditions have largely diminished the number of quail in our county as to suggest the danger of their early extermination. That we view such threatened conditions with alarm; We, therefore, earnestly beg that you enact such law or laws at your present session that for two ensuing years will give to Rowan county a closed or shut season, in which no quail will be allowed killed."

Good News for Mr. Rolf.

It is reported that O. N. Rolf of Chestnut Hill neighborhood was notified of some news last week which pleased him exceedingly. In fact, similar news would please most anyone. Mr. Rolf has an uncle in west Virginia who is blessed with a snug lot of this world's goods, some \$40,000 worth, to put it in figures, and Mr. Rolf has received a letter to the effect that his uncle has made him his sole heir. The lucky nephew is an employe of the Salisbury Cotton Mill.

SAVED FROM AN OPERATION

By Lydia E. Pinkham's Vegetable Compound

Louisville, Ky.—"Lydia E. Pinkham's Vegetable Compound has certainly done me a world of good and I cannot praise it enough. I suffered from irregularities, dizziness, nervousness, and a severe female trouble. Lydia E. Pinkham's Vegetable Compound has restored me to perfect health and kept me from the operating table. I will never be without this medicine in the house."—Mrs. SAM'L LEX, 3228 Fourth St., Louisville, Ky.

Another Operation Avoided. Adrian, Ga.—"I suffered much misery from female troubles, and my doctor said an operation was my only chance, and I dreaded it almost as much as death. Lydia E. Pinkham's Vegetable Compound completely cured me without an operation."—LENA V. HENRY, R. F. D. 3.
