

Prominent Republican Paper Talks Plainly

where to the scope of the pension system. Congress laid down such a limit in the law of 1890, and reaffirmed it in the law of 1908. Why should it be removed now? The trouble with extensions of this sort that one breeds another, and if the widow who married a veteran forty-eight or forty-nine years after his discharge from the service of the United States is entitled to a pension, it may be urged next that the oldest surviving son cr daughter of every veteran is likewise entitled to life support from the government Under existing laws the nation has provided most generously for the civil war and those legitimately dependent upon them and af fected by their disabilities. But the line must be drawn somewhere, and Congress, having
