**WHITEHEAD KLUTTZ.**  
Senator from the Twenty-Sixth Senatorial District.

In Sunday's edition of the Raleigh News and Observer, its legislative edition, we find the following interesting sketch of Hon. Whitehead Kluttz and his services during the session of the recent legislature:

No Senator's activities have been more strenuous than those of Whitehead Kluttz. Although presiding over many sessions of the Senate, he has spoken in frequent important debates. A further heavy burden of work fell upon him as chairman of the big and busy committee on Counties, Cities and Towns, in addition to his work on such other committees as Judiciary, Appropriations and Education.

In spite of all this responsibility Senator Kluttz has originated and enacted some important and interesting laws. That which protects human life by means of fire escapes and other modern precautions against fire in hotels, theaters, factories and all other places of public use and resort is one of the best of the session. He has also succeeded in having forbidden the sale of narcotic drugs or "dope" except on prescription and increasing the punishment for violation of the act of 1907. His act making the giving of worthless checks prima facie evidence of fraud where credit or goods are obtained thereby, is generally approved. The old soldiers at the Soldiers' Home will have their hearts gladdened and their last days made happier by his act providing each of them with a suit or uniform of Confederate gray each year. Future legislators will owe him gratitude for the passage of a resolution providing for a modern system of ventilation for the dangerous and unsanitary Capitol.

In addition to these laws Senator Kluttz vigorously opened the fight for good roads and State aid thereto. The battle royal of the session was led by him in the last two days in his successful fight for this measure. On the last Saturday of the session a tie vote was broken by the Lieutenant-Governor against the bill, but on Monday Senator Kluttz secured the passage of a substitute providing for expert advice and assistance to counties and towns engaged in making good roads. The feature of the contest and its importance lie in the fact that this is the first recognition by the State of the good roads movement which has heretofore been a county, township or town proposition. It is undoubtedly the successful opening of a great fight to be waged in North Carolina for State aid to good highways which will join the East to the Piedmont and the Piedmont to the mountain sections of North Carolina.

The highest honor that can be bestowed upon a Senator was greeted by Mr. Kluttz, the Senate having elected him President Pro Tempore. He is the youngest man ever to have held that office.

Mr. Kluttz was born in Salisbury September 21, 1881, and is the son of H. C. Theo. F. Kluttz, ex-member of Congress. He was educated in Church High School and the University of North Carolina, and has for many years been active in public life, both as newspaper man and lawyer. He was a member of the Senate of 1907, achieving distinction at that session as an orator and wise legislator. There was not a more versatile member of the Senate.

Mr. Kluttz is a member of the Presbyterian church.

Scales and Ellis Clement were captured yesterday, by Sheriff McKenzie and Deputy Sheriff J. L. Beasley, on a charge of raising a Southern Railway check from \$2.70 to \$27.00. Upon being arrested they implicated others and more arrests are expected to follow.

In sickness, if a certain hidden nerve goes wrong, then the organ that this nerve controls will also surely fail. It may be a Stomach nerve, or it may have given strength and support to the Heart or Kidneys. It was Dr. Shoop that first pointed to this vital truth. Dr. Shoop's Restorative was not made to dose the Stomach nor to temporarily stimulate the Heart or Kidneys. That old fashioned method is all wrong. Dr. Shoop's Restorative goes directly to these failing inside nerves. The remarkable success of the prescription demonstrates the wisdom of treating the actual cause of these failing organs. And it is indeed easy to prove. A simple five or ten days test will surely tell. Try it once, and see! Sold Cornelison & Cook.

**MRS. TIERNAN WILL RECEIVE MEDAL.**

Gift Highly Esteemed Among Roman Catholics Is Awarded the Salisbury Author.

Notre Dame, Ind., March 20.—The Laetare Medal which is annually conferred by the University of Notre Dame, a Roman Catholic institution, on some lay member of the Roman Catholic church in the United States for what it believes to be distinguished service in art, literature, science or philanthropy, will be given this year to Frances Christine Fisher Tiernan, the author, better known in the literary world as Christian Ried. She has written nearly forty novels of distinct literary merit, and she is also a constant contributor to the literary magazines. Her books and arguments are of strong moral tone, wholesome and elevating, and it was for this reason especially that the officials of Notre Dame conferred the medal on her.

Announcement of the award will be made by the president of the university from the pulpit of the college church to-morrow. Although the award will be made to-morrow and the recipient named, the actual presentation will not take place until some time later. The occasion of the formal giving of the medal always brings together noted officials of the Roman Catholic church and also other men and women prominent in their lines of work.

The Laetare Medal takes its name from the fourth Sunday of Lent, on which it is always awarded. The gift of the medal is confined to the members of the Roman Catholic church in the United States. It is a large disc of pure gold beautifully enamelled and chased, and bears some appropriate design, which changes from year to year, and which is suited to the profession or line of work for which the recipient is distinguished. Surrounding the design appears in Latin the motto: "Truth is Mighty and Shall Prevail." The address of award which accompanies the medal is a beautiful piece of art work, done in water colors on silk.

This is the first time in history that the medal will go to the south.

The recipient of the medal this year was born in Salisbury, North Carolina, where she now lives, in 1846. She is the eldest daughter of Colonel Charles Frederic Fisher who was killed in the battle of Bull Run. She was married to James Marquis Tiernan, of Maryland in 1887. Her first novel, "Valerie Aylmer," was published in New York by D. Appleton & Co., in 1871, and was so eminently successful that it was shortly followed by "Morton House," a story of southern life thirty years ago. Her novels now number nearly for y. By literary critics her style is pronounced as singularly pure. The award of the medal is expected to meet appreciation everywhere, especially among Roman Catholics among whom Mrs. Tiernan is admired and beloved.

**Mrs. Dr. J. B. Gaither's Death.**

Mrs. Mollie Gaither, wife of Dr. J. B. Gaither, of China Grove, died at the Whitehead-Stokes sanatorium, here last night at 11 o'clock, after suffering for months with complications of diseases, heart failure being the immediate cause of her death.

Mrs. Gaither was born in 1850, and was therefore in her 59th year. She was a daughter of the late J. Samuel McCubbins, Sr., and was married to Dr. J. B. Gaither in 1869. Four children, James F., John, Edgar, who make their homes in Texas, Miss Mary and Dr. Gaither survive. Mrs. Gaither's mother was a Miss Chunn before marriage and she was a sister of the late Dr. Locke Chunn, Mrs. Susan Murphy, Mrs. James Murphy, J. F. McCubbins, clerk superior court, and was widely connected throughout the country. She was an excellent woman in every sense and her death brings sorrow to a wide circle of friends and relatives. The funeral will probably be held from the first Presbyterian church, Rev. John Clark officiating, and her remains will be interred in the Chestnut Hill cemetery. The details will not be completed until members of the family arrive.

**TWENTY YEARS.**

That is What the Jury has Assigned to Duncan Cooper and his Son.

Col. Duncan B. Cooper and Robin Cooper were found guilty of murder in the second degree and sentenced to twenty years in the State penitentiary for the murder of ex-Senator Edw. W. Carmack. The verdict was appealed at once.

Immediate application was made by the Coopers' attorneys for bail. Judge Hart said it would be granted and fixed the amount at \$25,000 for each. Both took the verdict calmly. The Colonel's two daughters, however, were heartbroken.

Eighteen ballots were taken. The jury first stood five for the first degree, six for the second degree and one to acquit. Matters remained the same until last night when Juror Hyde, who voted to acquit came over to the second degree for murder and the verdict resulted. Under the Tennessee law the jury fixes the penalty. The maximum of twenty years was decided upon.

McCarn is pleased with the verdict, considering it a personal vindication. He consented to bail until the Supreme Court passes on the validity of the conviction. The appeal will be on the grounds that the court in refusing to discharge the jury when it reported that it was hopelessly apart as to the Coopers', erred.—Nashville, Tenn., dispatch.

J. J. Daniels, who has been employed on the chain gang, as guard, was dismissed March 8th because he did not vote for any of the county commissioners. The gang was located at China Grove on the day of the election and Mr. Daniels, superior officers were in Salisbury till late in the day and did not return in time for Mr. Daniels to make the trip to Salisbury, his voting place. Mr. Daniels is a good citizen and has always voted the Democratic ticket and feels that he has been badly treated.

**FEEBLE OLD LADY**  
**Has Strength Restored By Vinol**

Mrs. Michael Bloom of Lewistown, Pa., who is 80 years of age, says: "For a long time I have been so feeble that I have had to be wheeled around in an invalid's chair. I had no strength and took cold at the slightest provocation, which invariably settled on my lungs, and a cough would result. My son learned of the cod liver preparation called Vinol, and procured a bottle for me. It built up my strength rapidly, and after taking three bottles I am able to do most of my work, and I can walk a quarter of a mile easily. Every aged or weak person who requires strength should try Vinol. I am delighted with what it has done for me."

As a body builder and strength creator for old people, delicate children, weak, run-down persons, and after sickness, Vinol is unexcelled. If it fails to give satisfaction we will return your money.

**Making More Money Out of Cotton Crops**

is merely a question of using enough of the right kind of fertilizers.

**Virginia-Carolina Fertilizers**

are the right kind.

The cotton plant cannot feed on barren land. Study your soil. Find out what it lacks. Then apply the necessary fertilization and the results will surprise you.

See what Mr. W. C. Hays of Smith Station, Ala., did. He says: "I planted about 30 acres of some 'gray sandy land' that had been in cultivation for over 20 years, and used 300 pounds of Virginia-Carolina Fertilizers per acre, and I expect to gather 30 bales from the 30 acres." This is why we say it is the right kind. We have hundreds of letters like this, and even stronger, in praise of Virginia-Carolina Fertilizer for cotton.
