

## THE TOWN THAT PUSH BUILT

V.—The Wily Furniture Man

HERE is the furniture dealer who read a clothier's ad. and by it was led to spend for clothing the selfsame bill. That he got from the dry goods merchant's till, where it had been placed when the butcher bought. And paid with the bill that he had got when the grocer with him had settlement made. With the money the honest workman paid.

P.S.—The local dealer who's up to snuff will always advertise his stuff in the columns of

BLUE EYES.

### GOLD HILL.

Aug 9.—We have now an abundance of rain and corn is improving wonderfully. The crop of early potatoes is very good and are selling for 50c per bushel.

The "mighty" Haag show has come and gone. They gave a very creditable performance for a second rate circus, and it must be said that they have a clean show. There was no gambling, no games of chance, neither was there any immoral features connected with it, as is usually the case with circuses. The crowd was small here, however, and the show fell in debt heavily, it is said.

John Hill and Miss Lula Basinger were united in marriage last Tuesday a week at Reems Basinger's residence. May they be happy and prosper.

Rev. Wm. Ashley is preaching at the Holiness church two miles from here. They are having a 10-days meeting. Much interest is being shown, and large crowds are in attendance day and night.

Dr. Monk, who has been practicing medicine here since the death of Dr. Bowers, has left, and located at Spencer. Dr. Moorefield is now our only physician. He will build an office near N. Lufy's store. Dr. Moorefield is a very clever gentleman and we wish him success in his profession.

Mrs. Addie Hart is visiting relatives here.

Miss Carrie McCarnes is visiting at Spencer at her brother's.

Miss Ollie Foll, of Mt. Pleasant, is visiting friends here.

J. H. Moyle, of Salisbury, is visiting here at his brother's. He says Salisbury has "gone dead" since the State went dry, that there is no work hardly going on, and plenty empty houses.

This condition exists in plenty places besides Salisbury and Gold Hill. It exists in towns where there are plenty of bar-rooms. Such a state is more often attributable to the presence of bar-rooms than to any other cause. Salisbury's progress is now upward and consequently not as rapid as sliding down into the bottomless pit on skids greased with the tears of hungry and naked wives and children and the blood of the Hell-broth victims.—ED. WATCHMAN.

The Gold Hill miners have not yet received their pay and the mines have again been advertised for sale. MIKE.

What has become of our correspondent? Come right along and help make the paper lively. Come along Betsy and let us hear from you. SUDA.

### GOLD KNOB.

After a damaging drought it has been broken by a continuous rain estimated to be the largest rain fall this season.

The farmers are about through with their work except turning land for wheat and oats.

Corn and cotton are looking well at present and the right season would prove fruitful to the tiller of the soil.

An election was held recently by the school committee of this district which resulted in Rev. P. M. Trexler being made principal and Miss Nellie O. Park, assistant. Miss Maggie Park, who taught the school for two years, will take a course at Mt. Amosna Female Seminary at Mt. Pleasant, N. C.

Paul C. Barger covered his house last Thursday for the third time in 78 years. ### The Yost Re Union.

Aug 5.—The ninth annual reunion of the Yost generation was celebrated at Yost, on yesterday, by a large gathering of relatives and friends, but on account of the inclemency of the weather it was not quite so largely attended as on last year and, a number of the speakers on the programme were unable to attend on account of excessive rains.

Devotional exercises were conducted by Wm. A. Yost, of Lumberton, N. C.

Among the speakers on the programme was Prof. J. B. Moore, of Mt. Pleasant, who delivered an excellent address on the subject of "education." He handled the subject with ease and the entire audience listened most attentively. This is a great subject at the present, and these people are to be congratulated on having such subjects discussed. All the subjects on the programme were equally as good, and it was a misfortune that all the speakers could not be present. A reception was given by Miss Maggie Stirewalt.

Another interesting part of the programme was the dinner which was spread on a large table prepared in the grove. It is useless to make mention of all the many good things that were had to eat. A number of people brought their baskets well filled with the choicest eatables, to which justice was done. Refreshments were also served.

We must not forget to make mention that J. A. Yost was master of ceremonies and that with his tact and ability and the esteem in which he is held by his community he filled his part of the programme with honors.

The music was furnished by the China Grove Silver Band, which added greatly to the enjoyment of all. The committee on music were fortunate in securing the services of this band.

After the exercises of the day were over, all bid adieu, and expressed their regret that the day was not a longer day, that they might spend more time together.

The conduct throughout the day reflects honor on the community.

We all extend our sincere thanks to these people for the royal treatment received at their hands, and wish for them a happy and prosperous year, and with this, to you we bid adieu hoping again to meet you at the next annual reunion. A VISITOR.

E. D. Lowder, of Albemarle, is at the sanitarium for treatment. Some days ago Mr. Lowder accidentally sat upon a kerosene can, and the spot inflicted serious injury.

### Davidson Young Man in Trouble.

Mooreville, Aug. 7.—J. F. Sawyer, a young man of about 20 years of age of Davidson, came to Mooreville to-day and went to the Mooreville Loan and Trust Company to secure a loan of \$105. He presented as collateral a note purporting to be legally signed by himself and three other men. E. C. Deaton, to whom the note had been presented for payment, suspected forgery and deferred payment until an investigation. The result was that Sawyer was arraigned before Mayor Brown this afternoon and bound over to court under a \$250 bond, in default of which he went to jail. Sawyer admitted his guilt at the preliminary hearing.—Special to Charlotte Observer.
