AYER'S HAIR VIGOR
Does not Color the Hair
J. C. AYER & COMPANY, Lowell, Mass.

NOW IS THE TIME TO GET BUSY.

Plenty of Time and Opportunity to Get in the Race and Win One of Our Valuable Prizes.

Our voting contest, in which we expect to give away free of all charge, a splendid rubber-tired buggy, as first prize, and a splendid sewing machine, as a second prize, and numerous other articles for smaller prizes, is now fully open to all who will observe the rules previously published. There is plenty of material in this and adjoining counties to work on and plenty of time and opportunity to succeed by putting forth the proper efforts. It is not worth while to tell of the benefit and pleasure to be derived by owning a good buggy or sewing machine. They are standard articles, representing real value and are worth much more than the time necessary to secure them. Even if the winner should have a buggy or sewing machine he can sell his prize and still be the winner in actual cash, besides being well paid for his time. Why not get in the fight and win. Some one will surely get those prizes, it had as well be you.

At the time of going to press, today, the vote stands as follows:

The Curse of the South.

What is the matter with the South? According to government report of 1908 "The Secret is out at last—the Southerner, contrary to current opinion is not lazy, shiftless, indifferent or careless. "He is sick!" the South is afflicted with and harbors that most dreaded treacherous and destructive of all diseases Anemia, Pernicious Anemia. The average Southerner is a sufferer of this health destroying parasite which destroys the red blood cells producing an impoverished condition of the blood; characterized by extreme pallor, general debility, weakness, loss of vigor, lack of ambition, and general undermining of vitality. The climate and atmospheric conditions destroy the vitality. Let him get over it. Get rid of it. Get well, and he is good physically as the best American can boast. If there is health of the slightest degree in your system, "WAKE IT UP! CALL IT FORTH. PULL YOURSELF TOGETHER! MAN, WOMAN OR CHILD; all can and should be well. To neglect yourself is to reflect upon the wisdom of your Maker. Nature intends all humanity to enjoy a full measure of health and vigor. If you do not the fault is your own, for you are yourself to blame for it. Wonders have been accomplished for the people of Tennessee, Alabama, Georgia and Mississippi, let us now do as much for the people of the Carolinas. A postal will bring you the necessary information. Send no money. Write to-day. Don't neglect this chance here offered you. Address, **The Cleveland Institute of Medicine and Surgery,** CLEVELAND, OHIO. CORNER KINSMAN RD. AND 72D. STREET
