

A BANK FOR GOLD HILL.

A Strong Company is Formed to do a General Business. Boys Home in Salisbury.

Gold Hill, Nov. 8.—The Gold Hill Trading Company has been organized to do business at Gold Hill, N. C., and will deal in produce and general merchandise, handle cattle, horses and other live stock and do a general banking and brokerage business. The officers of the company are; W. G. Newman, president; Fred. W. Downes, secretary and treasurer, and R. L. Mauney vice president and general manager. They are having the store formerly occupied by L. C. Holshouser & Co., repaired and generally overhauled to carry on their business in.

Prof. Kendal, of New York, has finished up his work here in examining and assaying and it is said he is favorably impressed with the mines here.

It seems that the farmers can't get fertilizers fast enough here. A car load came in last Saturday evening and was all gone before breakfast Monday morning, so great was the demand.

M. J. Misenheimer and his son, Arthur and his wife, came back from Florida, where they have been engaged in the whiskey business. Arthur brought home with him a wife, a Florida girl. We wish them much happiness.

The public school opened here last Monday morning with about 40 pupils, Miss Lucy Barger and Miss Lilly Morgau are the teachers.

R. B. Yancey has bought a residence in Salisbury and is moving from the old F. H. Mauney homestead here to his house on South Main street.

The Gold Hill cornet band has employed an instructor and will practice next week.

J. A. Arey has built a large addition to his store house here and carries a large stock of goods.

What the Increased Price of Cotton Means in North Carolina.

Counting the cotton crop in North Carolina this year at 700,000 bales, it means that at an average price of 15 cents a bushel for the lint and 40 cents a bushel for the seed, \$80,000,000 to the cotton farmers of the State. The crop is about an average one in this State, while it is much below the average in the extreme Southern States. The increased value of the crop this year over that of last year is about \$10 to every man, woman and child in the whole State, equal almost to per capita circulation of money in the United States 15 years ago.—New Enterprise.

Telephonic advices from New York tell of a fire Sunday. Early this Sunday morning fire was discovered at the cotton platform, on which were 200 bales. The platform was badly damaged. Several men were seen about the platform smoking cigarettes, but the origin of the fire is unknown.

Deafness Cannot be Cured.

by local application, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and the tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75. Take Hall's Family Pills for constipation.

STOMACH LIVER LUNGS

Each of the chief organs of the body is a link in the Chain of Life. A chain is no stronger than its weakest link, the body no stronger than its weakest organ. If there is weakness of stomach, liver or lungs, there is a weak link in the chain of life which may snap at any time. Often this so-called "weakness" is caused by lack of nutrition, the result of weakness or disease of the stomach and other organs of digestion and nutrition. Diseases and weaknesses of the stomach and its allied organs are cured by the use of Dr. Pierce's Golden Medical Discovery. When the weak or diseased stomach is cured, diseases of other organs which seem remote from the stomach but which have their origin in a diseased condition of the stomach and other organs of digestion and nutrition, are cured also.

The strong man has a strong stomach. Take the above recommended "Discovery" and you may have a strong stomach and a strong body.

Given away.—Dr. Pierce's Common Sense Medical Adviser, new revised Edition, is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the book in paper covers, or 31 stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

Horses and Cows are Victims of Pellagra.
Columbia, S. C., Nov. 4.—Addresses at this morning's session of the Pellagra Conference was largely technical.

Not alone corn and ordinary products of food made of that cereal, but distilled spirits of that grain, corn "liquor" plays an important part in the cause of the dread disease was declared today by more than one of the distinguished physicians in attendance.

There is a growing conviction, according to several of the speakers today, that pellagra already is ravaging horses, cows, hogs, etc., as well as human beings.

JUDGE FOR YOURSELF.

Which is Better—Try an Experiment of Profit by a Salisbury Citizen's Experience.

Something new is an experiment. Must be proved to be as represented. The statement of a manufacturer is not convincing proof of merit. But the endorsement of a friend is. Now supposing you had a bad back, A Lame, Weak or Aching one. Would you experiment on it? Endorsed by stranger from far-away place.

It's different when the endorsement comes from home. Easy to prove local testimony. Home endorsement is the proof that backs every box of Doan's Kidney Pills Read this case.

John W. Glover, 128 So. Long St., Salisbury, N. C., says: "In my estimation Doan's Kidney Pills are the best kidney remedy on the market. I suffered from kidney complaint for a long time and often was in a serious condition, due to the severe pain in the small of my back. In the morning I was often so lame and sore that I could not get out of bed without assistance and I was at a loss to know how to dispose of my trouble. Finally a friend told me about Doan's Kidney Pills and deciding to try them, I procured a box at McPherson & Co.'s drug store. They quickly drove away the pain in my back and improved my health. Whenever I notice a return of the trouble, I take Doan's Kidney Pills and prompt relief follows. For sale by all dealers. Price 50 cents.
