

## SPECIAL SALE AND GUESSING CONTEST AT W. B. SUMMERSETT'S.

I am offering, for cash, during the next ten days, everything in the furniture line, at a discount of 33 1/2 per cent. This is something unusual in Salisbury, but true nevertheless, and its greatly to the advantage of those who wish some furniture or other house furnishing articles. In addition to this great reduction, I have arranged a guessing contest; as follows: In my window has been placed a candle, about 3 inches in diameter and 52 inches long. For every dollar's worth of goods purchased from me, paying cash therefor, I will give one as to how many days, hours, minutes and seconds this candle will burn. The person making the guess will be given a handsome brass bed. This bed can be seen in the window opposite the candle. This is a double opportunity and one that should secure your patronage. Come in and see my stock, get prices and any other information wanted.

Very cordially yours,

### THEY "RUBBERED."

Everybody Turned to Look at Mammoth New Electric Sign.

The Wallace Clothing Company, of Greensboro, a branch of the V. Wallace & Sons' store in Salisbury, has begun to attract attention. This new store has put up a sign that causes one to "rubber," whether it be his custom or not. The Greensboro Telegram, in speaking of this sign, says:

"The final touches were put on the big electric sign of the Wallace Clothing Company yesterday afternoon in time for the sign to be turned on full tilt last night.

"Perhaps no sign in the State ever caused so much "rubbernecking" in the same period of time as did this one last night from nightfall to mid-time. Practically every one that passed stopped to take a look.

The sign was described in detail in Sunday's paper the statement being made then that the lightning effect, a very important part of the sign, would not be in operation until last night. It was on in full blast last night with the result above set forth, namely, that scarcely any one passed without looking.

"Persons who have traveled all over the South say that the new electric sign of the Wallace Clothing Company is one of the most up-to-date anywhere in the entire Southern country. It was erected by the North Carolina Public Service Company and wired by G. E. Petty & Co.

"Wallace Clothing Company is a branch of V. Wallace & Sons, Salisbury, this firm having been founded by Victor Wallace and traveling, from its wholesale department, representatives over a number of states. W. H. Wallace is the manager of the Greensboro branch and his progressive methods are winning much prestige for his establishment."

Many a Salisbury Household will Find Them So.

To have the pains and aches of a bad back removed; to be entirely free from annoying, dangerous urinary disorders is enough to make any kidney sufferer grateful. To tell how this great change can be brought about will prove comforting words to hundreds of Salisbury readers.

Mrs. John T. Murdoch, Green St., Statesville, N. C., says: "I used Doan's Kidney Pills and am glad to say that they proved of great benefit to me after other remedies had failed to give me relief. My back ached a great deal and my kidneys were so weak as to cause much trouble. Doan's Kidney Pills promptly relieved me and they have always benefited me when I have taken them since. I heartily recommend this remedy to other kidney sufferers."
