

# THE CAROLINA WATCHMAN

W. M. H. STEWART, Ed. and Prop  
Published every Tuesday at 120 West  
Innes street.

Entered as second-class matter Jan.  
18th 1895, at the post office at Salis-  
bury, N. C., under the act of Congress  
of March 3rd, 1879.

### SUBSCRIPTION PRICE.

Watchman and Record, one year two  
papers per week, cash in advance, \$1.00  
per year; six months, 50c.

SALISBURY, N. C. DEC. 29TH, 1909

The Watchman and Record's  
voting contest begin next week.  
If you want to be in it send in  
your name at once and call and  
get instructions, receipt books,  
etc. This contest will surely end  
by some one getting a good buggy,  
a sewing machine or something  
worth while. Start with the  
crowd and go in to win.

It will be noticed in another  
column that some several folks  
have "gone and took and got  
married," and that Register of  
Deeds Miller seems to think there  
will be others who will change  
from single bliss to double har-  
ness, or single harness to mutual  
bliss, as the case may be, within  
the next few days. We wish them  
all much joy, long and prosperous  
lives. THE WATCHMAN is enabled  
to print accounts of a number of  
these owing to the kindness and  
thoughtfulness of good friends  
who sent in the notices. We ap-  
preciate this. The editor cannot  
be all over the county at one time  
and gather these items, conse-  
quently must depend to some ex-  
tent on friends and the faithful  
correspondents. And right here  
we wish to make an explanation  
to our correspondents. During  
the last few weeks there has been  
an unusual amount of advertising  
This advertising was received and  
promised space. They were set in  
type, the items sent in by the cor-  
respondents were also put in type,  
but there was not always room  
for both, consequently on several  
occasions they were thus unavoid-  
ably omitted, but some were pub-  
lished in THE RECORD. It is our  
intention to continue to give  
space for the county correspond-  
ents and we hope they will con-  
tinue to send us the news; it will  
be printed, if it is possible to do  
so. Hereafter we will send both  
THE WATCHMAN and THE RECORD  
to them. There are a number of  
places in addition to those we  
have, where we are anxious to  
have correspondents. They are:  
Eochville, Mt. Ulla, Cleveland,  
Mt. Vernon, South River, Spen-  
cer, Trading Ford, etc.

### New Advertisements.

ing Co., has a change of ad-

### SOUTHERN EDUCATORS WELCOMED.

Opening Sessions of Southern Educational  
Conference Held in Charlotte Yesterday.

The solons have arrived and  
have taken possession.

The widely heralded South-  
ern Educational Association  
convened in its initial session  
in Charlotte yesterday morn-  
ing about 10:30 o'clock. Al-  
though the attendance at the  
preliminary exercises was  
rather meager, the numbers of  
visitors increased rapidly  
with the passing of the hours.  
Addresses considerably above  
the average in content and in  
expression were delivered,  
morning and evening, in the  
auditorium of the Presbyter-  
ian College. Proceedings are  
now in full swing and ever-  
ything is in readiness for  
two succeeding days which  
will eclipse even yesterday.

Addresses of welcome by  
State Superintendent J. Y.  
Joyner, Mayor T. W. Haw-  
kins and City Superintendent  
Alexander Graham, a re-  
sponse by R. J. Tighe, super-  
intendent of the Asheville  
schools and formerly secreta-  
ry of the association, and re-  
ports from several State su-  
perintendents of education  
were conspicuous features of  
the morning session.

The evening session was  
equally interesting, the larg-  
er attendance proving a  
source of added inspiration.

### WORK OF THE REAPER.

Two Die From Sickness and one is Killed  
by a Train.

Mrs. M. J. Trexler, aged 73  
years, one of the older resi-  
dents of Salisbury, but for  
several years a resident of Old  
Fort, died at the home of her  
son, Engineer Joe Trexler, at  
Spencer recently. The fune-  
ral was held from Christ Lu-  
theran church.

Mrs. Mollie F. Thaxton,  
one of Spencer's best known  
and highly esteemed women,  
died at her home there last  
Wednesday night, following  
a severe illness from typhoid  
lasting several weeks. She  
had been desperately ill and  
no hope was entertained for  
her recovery. She was about  
45 years old and is survived  
by two daughters, three sons  
four sisters and two brothers.  
She was the wife of the late  
B. W. Thaxton, a well known  
Southern Railway conductor,  
who died three years ago.  
The interment took place in  
Richmond, the old home of  
the family, to which place the  
remains were carried.

John M. Crowell, aged  
about 50, a painter by trade,  
formerly of New London, was  
instantly killed by a work  
train opposite the passenger  
station last Wednesday night  
at 7 o'clock, his body from  
hips to neck being literally  
ground to pieces, arms cut off  
and otherwise broken up. He  
came here the Monday previ-  
ous and was stopping at the  
Southern hotel. He had lately  
been working at Statesville  
and Haddenite. His remains  
were taken to Wright's un-  
dertaking rooms and positive-  
ly identified by Ben. A. Fore-  
man, of Albemarle, a travel-  
ing man. Crowell has a sister  
living near New London. He  
was an uncle of R. A. Crow-  
ell, of Albemarle and Attor-  
ney Lee Crowell, of Concord.

### PROCEEDINGS OF THE COUNTY COURT.

Negro Given Twelve Months for Throwing  
Rocks at a Street Car.

A young negro man, whose name  
we have not been able to get, was  
sent to the chain gang for one  
year by Judge Miller in the coun-  
ty court on Wednesday, for rock-  
ing a street car. This was an ag-  
gravated piece of meanness. The  
negro was drunk when he got on  
the car in Salisbury, and, after  
the car had passed the switch,  
going towards Spencer, he began  
cussing and raising a disturbance,  
on the rear end of the car, when  
Saretts store was reached the  
conductor put him off when he  
began throwing rocks at the car.  
There was quite a number of ladies  
on board and one with a child in  
her arms came very near being  
hit by a large rock which struck  
on the window facing close to her  
head. The negro denied that he  
was on the car, but the evidence  
was so conclusive and the charge  
so serious that many were of the  
opinion that he got off light.

Contrary to expectations there  
was only a short session of the  
county court on Monday. Whether  
it was because of more license  
being given on account of Christ-  
mas, or whether every body be-  
haved better than was expected,  
we can't say. There was only  
three white men who plead guilty  
to the charge of carrying more  
booze than was thought proper.  
They were let go upon payment  
of half the cost, but his honor  
informed them that they were let  
down thus lightly because of the  
festal occasion and that they had  
given no trouble so any one, but  
they might expect more severe  
treatment in case they were  
brought in again. Several cases  
were postponed to Tuesday, and  
one case was appealed to the Su-  
perior Court.

There was a night good crowd  
in the court room on Tuesday  
morning when Judge Miller open-  
ed. Some of it was simply the  
curious crowd which gathered  
there to see what is going on.  
But there was a much larger ar-  
ray of those who were guilty but  
claimed not, as their various of-  
fenses were called out. Jas. Dor-  
kins, J. H. Moore and Sam Bar-  
ber were up for stealing a small  
rifle from a negro restaurant in  
East Spencer and which they tried  
to pawn at the Salisbury Pawn  
Shop. Dorkins and Moore were  
held until Wednesday to allow  
his honor to look into the mat-  
ter.

John Rhinehart, colored, plead  
guilty of being drunk and using  
a pocket knife on a negro named  
Rogers, in which Rogers face was  
cut up some, how badly was not  
shown, he having a plastered up  
good with sticking plasters. Judg-  
ment was suspended on Rhinehart  
for the drunk upon payment of  
half the cost. In the other case  
he was assessed a fine of \$20.00  
and the cost.

Geo. Burton and John Gray  
were charged with disorderly con-  
duct and cursing on the street.  
Their accuser was a rather disre-  
putable looking yellow girl, who  
stated that Burton had cussed her  
and treated her badly. When  
asked where she was from she stated  
that she had hit town a day or  
two ago from St. Paul, Minn.  
She was advised by the Judge to  
hit the trail for St. Paul or some  
where else in the next few days  
as her presence here was not de-  
sirable. Burton was let off with  
half the cost.

Mary Hill, col., was given 30  
days on the roads for an affray,  
and Lou Hill, who was empli-  
cated in the affray and who was  
also charged with resisting an of-  
ficer and disorderly conduct on  
the streets and being a frequent  
offender, was required to pay a  
fine of \$20.00 and cost, or take  
four months on the roads.

Several cases were carried over  
to Wednesday.

Rich Men's Gifts Are Poor  
beside this: "I want to go on re-  
cord as saying that I regard Elec-  
tric Bitters as one of the great-  
est gifts that God has made to  
man, writes Mrs. O. Shivevault,  
of Vestal Center, N. Y. "I can  
never forget what it has done for  
me." This glorious medicine  
gives a woman buoyant spirit,  
vigor of body and jubilant health.  
It quickly cures Nervousness,  
Sleeplessness, Melancholy, Head-  
ache, Backache, Fainting and Dizzy  
Spells; soon builds up the  
weak, ailing and sickly. Try  
them, 50c. at all Drug stores.

## A Clean Man

Outside cleanliness is less than half the battle. A man may  
scrub himself a dozen times a day, and still be unclean. Good  
health means cleanliness not only outside, but inside. It means  
a clean stomach, clean bowels, clean blood, a clean liver, and  
new, clean, healthy tissues. The man who is clean in this way  
will look it and act it. He will work with energy and think  
clean, clear, healthy thoughts.  
He will never be troubled with liver, lung, stomach or blood  
disorders. Dyspepsia and indigestion originate in unclean stom-  
achs. Blood diseases are found where there is unclean blood.  
Consumption and bronchitis mean unclean lungs.

### Dr. Pierce's Golden Medical Discovery

prevents these diseases. It makes a man's insides clean  
and healthy. It cleans the digestive organs, makes pure,  
clean blood, and clean, healthy flesh.  
It restores tone to the nervous system, and cures nervous exhaustion and  
prostration. It contains no alcohol or habit-forming drugs.  
Constipation is the most unclean uncleanliness. Dr. Pierce's Pleasant Pel-  
lets cure it. They never gripe. Easy to take as candy.

### The Curse of the South.

What is the matter with the South? According to government report of  
1908 "The Secret is out at last—the Southerner, contrary to current  
opinion is not lazy, shiftless, indifferent or careless. "He is sick"  
The South is afflicted with and harbors that most dreaded treacherous  
and destructive of all diseases Anemia, Pernicious Anemia. The  
average Southerner is a sufferer of this health destroying parasite  
which destroys the red blood cells producing an impoverished con-  
dition of the blood; characterized by extreme pallor, general debility,  
weakness, loss of vigor, lack of ambition, and general undermining  
of vitality. The climate and atmospheric conditions destroy the  
vitality. Let him get over it. Get rid of it. Get well, and he is  
good physically as the best American can boast. If there is health  
of the slightest degree in your system, "WAKE IT UP! CALL IT  
FORTH. PULL YOURSELF TOGETHER! MAN, WOMAN OR  
CHILD; all can and should be well. To neglect yourself is to reflect  
upon the wisdom of your Maker. Nature intends all humanity to  
enjoy a full measure of health and vigor. If you do not the fault is  
your own, for you are yourself to blame for it. Wonders have been
