

SHERIFF QUANTINED.

Smallpox Breaks Out In Jail and on the Chain Gang. Situation In Hand.

Consternation reigned in and around the Court House on Monday when it was announced that two cases of smallpox had been discovered in the county jail. The board of county commissioners were in session at the time and as soon as it was reported they ordered every precaution taken to prevent its spread. Sheriff McKenzie, his family, who live in the jail, and all the attendants are quarantined there. Yesterday morning, Capt. Carter came in from chain gang No. 1 with two negroes who, they are almost sure have the disease and Capt. Thomason, from gang No. 2, brought in one affected the same way. We hear that all those affected will be taken from the new jail and placed in the old jail until further arrangements can be made. The new jail will of course be thoroughly fumigated and disinfected before any more are put in there. It is likely that the outbreak of the disease will interfere with the Superior court, which convenes on Monday, as it would not be safe to bring prisoners from jail for trial and expose the court, the bar and the witnesses to the danger of infection.

This dread disease seems to be spreading rapidly all over the country. Several courts, in near by counties have been adjourned on account of it. Davidson County reports 100 cases in her borders. Rowan, owing to a thorough vaccination several years ago, has been remarkably free from it, but negroes slipping in from other places cause an occasional outbreak here.

The situation here is well in hand and the spread of the disease is not expected.

Boy Known Here Breaks Jail In South Carolina.

A Sunday special to the Charlotte Observer from Greenville, S. C., has the following concerning a young traveling man known here:

"News reached the city to-day of the sensational escape of G. Terrill Moore, a former traveling man, many times alleged forger and ex-convict from the jail at Honea Path. He sawed his way to freedom, cutting the bars on the windows to his cell. He left a consoling note to the Honea Path chief of police and to the Monroe Banking & Mercantile Co., saying that he was sorry to leave but he just had to go. The mercantile company recently cashed a bogus check for Moore.

Claimants Against the Esson Granite Company Have a Hearing.

Judge W. P. Bynum, who is special master in the case of the Esson Granite Co., which has for some months been in the hands of Geo. R. Collins, receivers, was in Salisbury on Tuesday and had a hearing of the case in the Court House. Evidence was taken claims received and passed upon and other business of importance was transacted. A strong array of lawyers was present. Among them were Jesse E. Roberts, of Chicago, Ill.; Linn & Linn, of Columbia, S. C.; Lyle & Lyle, S. Clay Williams and Francis E. Reynolds. A. H. Price, Esq., represented the receiver. Burton Craig, L. H. Clement, T. C. Linn, R. Lee Wright, Theo. F. Kluttz and B. B. Miller each represented claimants.

Special Master Bynum will examine the papers and report on same as soon as possible.

Delayed Attention Costs Money.

Your house wears out if not painted. It costs more to repair it than it costs to paint it. It doesn't cost much to paint with the L. & M. Paint, because 4 gallons of L. & M. Paint and 8 gallons of Linseed Oil makes seven gallons of ready-for-use paint at a cost of about \$1.50 per gallon. You can mix yourself. Thirty-five years use in every part of the United States proves it. Atlantic City and Pittsburgh Fence Tests, made by the Master Painters Association, prove it. Little Child Burned at Spencer.

Julia, the 10-year-old daughter of Mr. and Mrs. J. W. Trent, was seriously and perhaps fatally burned at their home at Spencer on Sunday. The little girl was using kerosene to kindle a fire in the kitchen stove when it exploded, throwing its burning oil on her and setting her clothes on fire. The upper part of her body, including neck, arms and face, were frightfully burned, her hair was almost completely burned off and the head badly blistered. In addition to this the little girl had a pin in her mouth which she swallowed and it lodging in her windpipe added to the gravity of the situation. Physicians were called in and did all they could to relieve the little sufferer, but it is doubtful whether her life can be saved.

Herbert Bailey Killed by a Tree Falling on Him.

Herbert Bailey, a white man 24 years of age, was killed on the farm of T. R. Kluttz, 8 miles west of Salisbury, last Thursday by a falling tree striking him. Bailey with two companions were cutting cord wood and a tree was ready to fall when the signal was given to get out of the way. Bailey had a defective eye and probably did not see just which way the tree was going to fall, and, instead of getting out of the way he ran right in the way. It was a pine tree and had several dead limbs on it, one of which, it is thought, struck and knocked him down, probably fracturing his skull. He fell right under the tree, but as it was held up by its branches and other obstacles Bailey was not otherwise injured. He soon regained consciousness and talked freely with his companions for some time, but became unconscious again and died in about two hours after the accident. The funeral was held at Franklin Presbyterian church Friday, Rev. R. R. Sowers conducting the services.

The Fountain Head of Life Is The Stomach

A man who has a weak and impaired stomach and who does not properly digest his food will soon find that his blood has become weak and impoverished, and that his whole body is improperly and insufficiently nourished.

Dr. PIERCE'S GOLDEN MEDICAL DISCOVERY makes the stomach strong, promotes the flow of digestive juices, restores the lost appetite, makes assimilation perfect, invigorates the liver and purifies and enriches the blood. It is the great blood-maker, flesh-builder and restorative nerve tonic. It makes men strong in body, active in mind and cool in judgement.

This "Discovery" is a pure, glyceric extract of American medicinal roots, absolutely free from alcohol and all injurious, habit-forming drugs. All its ingredients are printed on its wrappers. It has no relationship with secret nostrums. Its every ingredient is endorsed by the leaders in all the schools of medicine. Don't accept a secret nostrum as a substitute for this time-proven remedy of known composition. Ask your neighbors. They must know of many cures made by it during past 40 years, right in your own neighborhood. World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.

We give you a written guarantee that this Shoe will wear you six months.

If you want a shoe that will give you perfect satisfaction and will outwear any shoe you ever wore, try this

Hardware Shoe

"Hard Wear in Every Pair"

It is made of soft, pliable chrome tanned waterproof leather, the finest and most durable of all leather for heavy wear.

It has two full soles. These soles are made of overweight steer hide—the toughest leather made—and are secured by Puritan stitch and two rows of standard screws.

It has a heavy, full gusset (see illustration) that will not permit dirt to get in through the lacing. The pull strap is leather, sewed with waxed flax thread, double stitch saddle seam and the counter is sewed in—in fact every part of this shoe is built to stand hard wear. Comes in either plain toe or tip and in black or tan leather.

We believe this shoe will last you much longer than six months, but we will guarantee that you get at least six months' wear and satisfaction. If you do not, bring them back and we will give you a new pair free of charge.

The Curse of the South.

What is the matter with the South? According to government report of 1908 "The Secret is out at last—the Southerner, contrary to current opinion is not lazy, shiftless, indifferent or careless. "He is sick" he South is afflicted with and harbors that most dreaded treacherous and destructive of all diseases Anemia, Pernicious Anemia. The average Southerner is a sufferer of this health destroying parasite which destroys the red blood cells producing an impoverished condition of the blood; characterized by extreme pallor, general debility, weakness, loss of vigor, lack of ambition, and general undermining of vitality. The climate and atmospheric conditions destroy the vitality. Let him get over it. Get rid of it. Get well, and he is good physically as the best American can boast. If there is health of the slightest degree in your system, "WAKE IT UP! CALL IT FORTH. PULL YOURSELF TOGETHER! MAN, WOMAN OR CHILD; all can and should be well. To neglect yourself is to reflect upon the wisdom of your Maker. Nature intends all humanity to enjoy a full measure of health and vigor.
