**CONVINCING PROOF**

OF THE VIRTUE OF

**Lydia E. Pinkham's Vegetable Compound**

What is the use of procrastinating in the face of such evidence as the following letters represent? If you are a sick woman or know one who is, what sensible reason have you for not giving Lydia E. Pinkham's Vegetable Compound a trial? For 30 years we have been publishing such testimonial letters as these—thousands of them—they are genuine and honest, too, every one of them.

Mrs. S. J. Barber says:

"I think Lydia E. Pinkham's Vegetable Compound is the best medicine in the world for women—and I feel it my duty to let others know the good it has done for me. Three years ago I had a tumor which the doctor said would have to be removed by an operation or I could not live more than a year, or two, at most. I wrote Mrs. Pinkham, at Lynn, Mass., for advice, and took 14 bottles of Lydia E. Pinkham's Vegetable Compound, and today I am a perfectly well woman. I hope my testimonial will be of benefit to others."—Mrs. S. J. BARBER, Scott, N. Y.

Mrs. George May says:

"No one knows what I have suffered from female troubles, neuralgia pains, and backache. My doctor said he could not give me anything to cure it. Through the advice of a friend I began to use Lydia E. Pinkham's Vegetable Compound, and the pain soon disappeared. I continued its use and am now in perfect health. Lydia E. Pinkham's Vegetable Compound has been a God-send to me as I believe I should have been in my grave if it had not been for Mrs. Pinkham's advice and Lydia E. Pinkham's Vegetable Compound."—Mrs. GEORGE MAY, 86 4th Ave., Paterson, N. J.

Mrs. E. F. Hayes says:

"I was under the doctor's treatment for a fibroid tumor. I suffered with pain, soreness, bloating, and could not walk or stand on my feet any length of time. I wrote to Mrs. Pinkham for advice, followed her directions and took Lydia E. Pinkham's Vegetable Compound. Today I am a well woman, the tumor was expelled and my whole system strengthened. I advise all women who are afflicted with tumors or female troubles to try Lydia E. Pinkham's Vegetable Compound."—Mrs. E. F. HAYES, 1890 Washington St., Boston, Mass.

Mrs. W. K. Housh says:

"I have been completely cured of a severe female trouble by Lydia E. Pinkham's Vegetable Compound, and want to recommend it to all suffering women."—Mrs. W. K. HOUSH, 7 Eastview Ave., Cincinnati, Ohio.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health free of charge. Address Mrs. Pinkham, Lynn, Mass.

**An Increase in Taxes for the Schools.**

At a regular meeting of the city aldermen, to be held on the night of March 4th, the matter of the city schools will be taken up and an effort made to devise ways and means for their continuation. It seems that when the new charter for the city was drawn that no provision was made for the maintenance of the schools, and it being distinctly stated in the charter that no money could be taken from the general fund for this purpose, the schools have been since the revision of the city charter, unprovided for except their proportion of the county funds, which are totally inadequate for the demands.

We understand that an effort will be made to call an election to vote a special tax of 20c on each one hundred dollars worth of property and sixty cents on

each poll for the benefit of the schools. It is claimed that this will just about furnish money enough to run all the schools for nine months each year.

John C. Dancy, a colored citizen of Salisbury, who has been Recorder of Deeds in the district of Columbia for the past eight years has been succeeded by Henry Johnson, a colored lawyer of Atlanta, Ga. Dancy seems to have given satisfaction, as there was no charges preferred against him and no reason has been given for his removal.

Don't Throw It Away. Clean your old and worthless furniture with soap and water. Then apply one coat of L. & M. Varnish—all ready-for-use. It makes it new at a cost of almost nothing. Get it from Salisbury supply & Commission Co.

James McKenzie, a Scotchman and a rook cutter at Granite Quarry, died on Sunday from bronchitis and paralysis of the heart. The interment was made there on Monday evening.

**WELCOME WORDS TO WOMEN**

Women who suffer with disorders peculiar to their sex should write to Dr. Pierce and receive free the advice of a physician of over 40 years' experience—a skilled and successful specialist in the diseases of women. Every letter of this sort has the most careful consideration and is regarded as strictly confidential. Many sensitively modest women write fully to Dr. Pierce that they would shrink from telling to their local physician. The local physician is pretty sure to say that he cannot do anything without "an examination." Dr. Pierce holds that these distasteful examinations are generally needless, and that no woman, except in rare cases, should submit to them.

Dr. Pierce's treatment will cure you right in the privacy of your own home. His "Favorite Prescription" has cured hundreds of thousands, some of them the worst of cases. It is the only medicine of its kind that is the product of a regularly graduated physician. The only one good enough that its makers dare to print its every ingredient on its outside wrapper. There's no secrecy. It will bear examination. No alcohol and no habit-forming drugs are found in it. Some unscrupulous medicine dealers may offer you a substitute. Don't take it. Don't trade with your health. Write to World's Dispensary Medical Association, Dr. R. V. Pierce, President, Buffalo, N. Y.—take the advice received and be well.
