

THE CAROLINA WATCHMAN
SHORT LOCAL ITEMS

Deputy Sheriff W. A. Brandon left for Richmond last week to consult a specialist in that city regarding what he fears is cancer. His many friends both in the city and county hope that he is mistaken, that it may be diagnosed as a minor trouble and that he may be able soon to return entirely relieved.

A charter has been granted by the Secretary of State to the Griffith Barnhardt Transfer Co., of this city, with a capital stock of \$10,000. This firm will succeed. It is an enlargement of the former Griffith Transfer Co. The new firm will do a general transfer business and all kinds of heavy hauling.

An important meeting of the W. C. T. U. will be held at the home of Mrs. S. S. Cole on Wednesday afternoon at 8 o'clock. Miss Elizabeth Moore, the state president, will be present. Miss Moore will address a meeting to be held at 7:30 o'clock in the First Methodist church the same evening, to which all ministers of the city and the public, are invited.

A. E. Lentz, formerly of the Empire Store force and later with A. W. Winecoff, has accepted a position with the Century Hosiery Co., of South Boston Va., as traveling salesman, and has just returned to the city after a successful maiden trip for this firm.

J. E. Hennessee, the genial host of the dining room and lunch room at the passenger station, is on the streets again after a very serious operation for appendicitis at St. Leo's hospital in Greensboro. Everybody in the city is delighted to see him out again and to express the pleasure which the news of his recovery gives.

Nearly all of the men in the machine shops at Spencer, and in some of the other departments, were laid off on Monday for that day because the appropriation for the month was exhausted. They all went back to work on Tuesday.

Capt. J. M. Small whose run is from High Point to Asheboro, has moved his family, which has been in Salisbury for the past year, to Asheboro, so that they may be with him. It is probable that he and they will return to Salisbury in the near future.

Mess. P. B. Beard, F. M. Thompson and John Webb, a committee appointed to go to Newton, yesterday, to meet with a delegation from Iredell and Catawba counties, to see the working of a creek cleaning machine, went to the depot prepared to go but got a phone message from Newton, just before the train left, saying that the waters were so high that nothing could be done, and asked the gentlemen to postpone their visit to a more propitious time, which they did.

Will Champ, a young white man of rather bad reputation, was before the County Court on Tuesday morning charged with forcible trespass. It was shown that he had gone to a neighbors house looking for his woman, and, upon being told that she was not there, proceeded to break the glass out and tried to kick the door down, which was accompanied by a profusion of threats and oaths. Will's only excuse was that he was drunk, and as such excuses do not go very far with this court, he was pronounced guilty and given three months on the roads.

Mantels—Doors—Small Rooms. May be quickly painted by any one with a small can of our Domestic Paints in all colors put up in open mouth cans, will make a door, or a mantel or any small interior work look as bright as when first painted. Get it from Salisbury Supply & Commission Co.

NEGRO WOMAN SHOT THROUGH WINDOW.

Her Husband, Geo. Hargrave, Suspected and Held by Coroners Jury for Crime.

The court room was filled Monday morning, with negroes, men, women and children, who came as witnesses and to hear what was to be developed at the coroner's inquest, which was held in the court room just after the morning session of the County Court, regarding the killing of Minnie Hargrave, which occurred at her home at 531 East Monroe street about 8 o'clock Saturday night, and about which a mystery hangs. The woman was killed, according to the statement of a 13-year-old negro boy who was in the room with her, by being shot with a shot-gun which was pushed through the sash where a glass was out, while she was washing the supper dishes. When the shot was fired, the boy, and another smaller boy in the room, saw the woman fall over in the corner and the lamp went out. They did not see anybody and did not know who fired the shot. As soon as the boys had recovered from their fright they went to a nearby house and told what had happened. The sheriff was notified and soon had his men on the scene. When asked if Minnie and her husband had been quarreling, he said they had some days before, and that each had threatened the other's life.

Tracks were found by the officers going from the house which were followed for quite a half mile and lost then lost. The tracks were freshly made. Geo. Hargrave, the husband of the murdered woman was suspected of the killing and a search was made for him.

Ben Montgomery, a colored lack driver, told of meeting a negro man late Saturday evening, coming from towards Spencer, who resembled Hargrave, but would not swear positively that it was him.

Special Officer Attwater testified that he saw a negro, to whom he paid very little attention at the time, cross the track at the Spencer depot about 9 o'clock, with a gun in his hand, but was not sure that Hargrave was the man.

Hargrave was arrested at Linwood on Sunday by deputies Locke McKenzie and Frank Tolbert and brought here and put in jail. He denies all knowledge of the killing. He admits that the tracks found near the house were his, but claims that they were made on Monday night, nearly a week before the killing. Sheriff McKenzie states that the tracks are fresh and could not have been made so early as that.

After hearing all the evidence obtainable, the coroner's jury decided that it was sufficient to hold Hargrave, so he was sent to jail without bond for trial at the May term of the Superior court.

Mrs. Kate Hall says: "I have kept house 15 years, and the mother of four children, and I would not keep house without Hollister's Rocky Mountain Tea." Wiss woman, why? Drives away sickness, brings health and happiness to the whole family. It's the world's health preserver. Cornelison & Cook.

Rev. Chas. Byrd Coming.

Rev. S. P. Tarrentine of the First Methodist church informed his congregation on Sunday that Rev. Charles W. Byrd was coming here the latter part of April to conduct a series of meetings to be held in that church. Rev. Byrd is well remembered here, having been pastor of this church for several years some twenty years ago, and will be warmly welcomed by all who knew him then and still remember him. He is considered one of the brainiest men in the ministry and has filled some very large churches since leaving Salisbury. He is spoken of prominently in connection with the election of bishop at the general conference which meets in Asheville in May.

Tickling in the Throat

"Just a little tickling in the throat!" Is that what troubles you? But it hangs on! Can't get rid of it! Home remedies don't take hold. You need something stronger—a regular medicine, a doctor's medicine. Ayer's Cherry Pectoral contains healing, quieting, and soothing properties of the highest order. Ask your doctor about this. No alcohol in this cough medicine. J. C. Ayer & Co., Lowell, Mass. Constipation positively prevents good health. Then why suffer? An efficient liver is a great preventive of disease. Ayer's Pills are liver pills. What does your doctor say?

IMMANUEL.

Feb. 28.—We are certainly having our share of rough weather this winter.

Jas. Mesimer has been very low with diphtheria. He is improving a little at this writing.

Miss Myrtle Beaver, has returned home this time she says to stay.

Miss Maud Powlass visited at Jno. Isenhour's Saturday night.

H. A. M. Barringer visited at Geo. Barringer's Sunday.

R. W. Trexler traded his mules off last week for a pair of better ones.

Geo. L. Brown traded horse last week.

Mrs. Mary S. Earnhardt and Elicil Earnhardt have been on the sick list for the last week.

Just south of here, in Cabarrus, the measles are all the go. About 30 school children in one school caught them from one person who took them while in school.

L. A. Beaver and wife visited in Cabarrus Sunday and Sunday night.

Injured by Jumping off Train.

A negro, whose name could not be learned, was brought to Salis-

bury on No. 8, Monday night and was met at the station by the Harper Livery Company's ambulance and carried to the Whitehead-Stokes Sanatorium. We learned that he was going to China Grove on a train and being told that that train did not stop there, jumped off, at or near China Grove, and was thrown against a cross-tie, or something of the kind. He was picked up and brought here in an unconscious condition. We understand that he was badly injured about the head and it is thought he cannot recover.

Mr. London writes: "If I owned your Tea, I would guarantee a cure or refund their money. I say it's a Nature's cure and the only one for the blood." Hollister's Rocky Mountain Tea cured him where other remedies failed. Try it with yourself. Cornelison & Cook.

Miss Henrietta Kessler and Edgar Lewis Ketchie were married 8:45 o'clock on Sunday evening at the Baptist parsonage by Rev. R. L. Metley. The couple left the bride's home, ostensibly for church, but had made preparations for this event and were quietly in the presence of a few friends at the ceremony when the ceremony was performed. Mr. Ketchie is a son of Frank Ketchie and is a young engineer on the Southern. The bride is daughter of John Kessler, of E. Bank street.

FATHER 80-MOTHER 76

The aged father and mother of a prominent Boston lawyer safely carried through the last two winters by

Vinol

The son says: "My father and mother owe their present strength and good health to Vinol. During the last two trying winters neither of them had a cold, and were able to walk farther and do more than for years. I think Vinol is perfectly wonderful. It certainly is the greatest blood-making, strengthening tonic for old people I ever heard of."

We want every feeble old person in this town to try Vinol. We will return their money without question if it does not accomplish all we claim for it.

SMITH DRUG CO., Salisbury.

Are You Honest?

With your land when for the sake of saving a few dollars you use a fertilizer whose only recommendation is its analysis. It requires no special knowledge to mix materials to analyses. The value of a fertilizer lies in the materials used, so as not to over feed the plant at one time and starve at another. This is why Royster brands are so popular. Every ingredient has its particular work to do. Twenty-five years experience in making goods for Southern crops has enabled us to know what is required.

See that trade mark is on every bag
