

THE PRIZE WINNER APPRECIATIVE.

G. Calvin Peeler, awarded the First Prize, a Splendid Buggy, Extends Thanks.

G. Calvin Peeler, son of W. D. O. Peeler, of near Faith, a young man of splendid ability and high character, who by his active canvass, won the first prize in our recent contest, a splendid, rubber tire buggy, appreciates very highly the votes given and assistance rendered him by his many friends and makes his sentiments known as per letter below.

I desire to return my thanks to you for the nice prize which I have just received. It is a very nice and handsome prize, something that any one should appreciate and be proud of.

I thank you very much for the kindness and courtesy shown towards me during the contest, and for the fairness by which you conducted the contest.

I also want to return my many thanks to the good people of Rowan and adjoining counties for their help and kind assistance during the contest.

Again thanking the editor and the good people of the community and county for their hospitality and kindness, I remain,

Yours respectfully, G. CALVIN PEELER.

Good Roads Meeting.

THE COUNTY FINANCES.

A Splendid Showing for the Sheriff, Commissioners and Treasurer.

The County Finance Committee, Friday, May 27th, went over the books of the County Treasurer, Capt. J. R. Nicholas, and made the following statement relative to the various funds, in his hands:

All accounts against the school fund have been paid in full to May 27th, and there is a balance on hand of \$7,616.86.

All accounts against county funds due to May 27th, have been paid and there is a balance on hand of \$8,686.20.

There are no unpaid accounts against the road fund. Here also is a neat balance of \$4,648.78.

The County and Special township bond fund has paid all interest and coupons due and has a balance of \$19,992.90.

By adding these it will be seen that there is a clear balance in the hands of the County Treasurer amounting to \$85,889.69. This sum, except \$51.16, is on deposit at the various banks of Salisbury.

The above figures do not include the taxes collected by Sheriff McKenzie and Township Tax Collector A. M. Rice during the month of May.

This makes a splendid showing for the county officials including those who have done the collecting, those who have done the spending, and he who has been disbursing officer. Few counties can make a better showing.

AFTER SUFFERING ONE YEAR

Cured by Lydia E. Pinkham's Vegetable Compound

Milwaukee, Wis. — "Lydia E. Pinkham's Vegetable Compound has made me a well woman, and I would like to tell the whole world of it. I suffered from female trouble and fearful pains in my back. I had the best doctors and they all decided that I had a tumor in addition to my female trouble, and advised an operation. Lydia E. Pinkham's Vegetable Compound made me a well woman and I have no more backache. I hope I can help others by telling them what Lydia E. Pinkham's Vegetable Compound has done for me."

Mrs. Emma Lins, 583 First St., Milwaukee, Wis. The above is only one of the thousands of grateful letters which are constantly being received by the Pinkham Medicine Company of Lynn, Mass., which prove beyond a doubt that Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, actually does cure these obstinate diseases of women after all other means have failed, and that every such suffering woman owes it to herself to at least give Lydia E. Pinkham's Vegetable Compound a trial before submitting to an operation, or giving up hope of recovery.

Mrs. Pinkham, of Lynn, Mass., invites all sick women to write her for advice. She has guided thousands to health and her advice is free.
