

WHAT SHOULD BE DONE?

An Appeal From A Woman To North Carolina Manhood.

Last week the secretary of the State Board of Health received a letter in which the following facts were set forth: The writer was an orphan girl, and judging from neatness, arrangement, and the general tone of her letter, she is a lady of refinement and culture.

Why does she write? What does she want? Simply to live. She has not the dollar a day which it is necessary for her to pay in order to enter the State Sanatorium for the Treatment of Tuberculosis.

But why write the secretary of the State Board of Health for this vitally necessary help? Because that office is commanded to discharge the public-health obligations of something like 200,000 able-bodied men.

Woman appealing to man to save her life! A man, too, who claims the inspiration of a noble parentage, a man who considers himself a pure-blood patriot, ready to die, if necessary, for North Carolina or North Carolina womanhood.

So far, North Carolina manhood speaking through their representatives has seen fit to make so small a public-health appropriation that our State, which is fourteenth in population, stands about thirty in her public-health appropriation.

What will you have your State do? If it is your duty to help save these lives, tell your representatives in the next Legislature to assist in making adequate provision for the public health.

DR. GUDGER SUICIDES.

Deceased Son Of Tenth-District Nominee, And Had Only Recently Graduated.

New York, Oct. 2.—With his mother frantically endeavoring to restrain him Dr. Haber Gudger, a young physician from Asheville, N. C., committed suicide today by cutting his throat with a razor in a room at the Grand Union hotel.

Dr. Gudger was a graduate from the school of medicine of the University of Pennsylvania in June last and returning to his home, broke down from overwork. It had been intended to place him in a sanatorium tomorrow.

Both father and mother accompanied the young man to the city and watched him closely lest he carry out his purpose of self-destruction, with which he seemed to be possessed.

This afternoon Mrs. Gudger, persuaded her husband to go for a walk, leaving her alone on guard. She must have dozed, for the next she knew she heard her son moving about in his room.

With a scream the mother rushed to her son's side, but he pushed her away, and though she still clung to his arm, he raised his hand to his throat and slashed himself with such force that the blade of the razor snapped. He died in 10 minutes.

He is the youngest son of former Congressman and Mrs. J. M. Gudger, and his father is the Democratic nominee who is seeking election to Congress over John G. Grant, the Republican incumbent.

NATURE'S WARNING.

Salisbury People Must Recognize and Heed It.

Kidney ills come quietly—mysteriously. But nature always warns you. Notice the kidney secretions. See if the color is unhealthy—If there are settlements and sediment. Passages frequent, scanty, painful. It's time then to use Doan's Kidney Pills.

To ward of Bright's disease or diabetes. Doan's have done great work in Salisbury.

J. M. Traxler, 512 No. Long St., Salisbury, N. C., says: "I have no hesitation in recommending Doan's Kidney Pills, as I consider them to be a reliable remedy. I suffered a great deal from backache and I had dull, miserable headaches. The kidney secretions passed irregularly and plainly showed that my kidneys were out of order. When Doan's Kidney Pills were brought to my attention, I procured a box at McPherson & Co.'s Drug Store and after using them I felt better in every way. My kidneys are now in a normal condition and the pains in my back are a thing of the past."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
