### Temporary Heat Quickly

Did you ever stop to think of the many ways in which a perfect oil heater is of value? If you want to sleep with your window open in winter, you can get sufficient heat from an oil heater while you undress at night, and then turn it off. Apply a match in the morning, when you get out of bed, and you have heat while you dress. Those who have to eat an early breakfast before the stove is radiating heat can get immediate warmth from an oil heater, and then turn it off. The girl who practices on the piano in a cold room in the morning can have warmth from an oil heater while she plays, and then turn it off. The member of the family who has to walk the floor on a cold winter's night with a restless baby can get temporary heat with an oil heater, and then turn it off. The

**PERFECTION SMOKELESS OIL HEATER**  
Absolutely smokeless and odorless

is invaluable in its capacity of quickly giving heat. Apply a match and it is immediately at work. It will burn for nine hours without refilling. It is safe, smokeless and odorless. It has a damper top, and a cool handle. An indicator always shows the amount of oil in the tank. It has an automatic-locking flame spreader which prevents the wick from being turned high enough to smoke, and is easy to remove and drop back so that the wick can be cleaned in an instant. The burner body or gallery cannot become wedged, and can be quickly unscrewed for reworking. Finished in Japan or nickel, strong, durable, well-made, built for service, and yet light and ornamental.

#### FAITH.

Augustus Basinger and young bride have just returned from Mt. Airy and are with the bride's parents until Mr. Basinger gets his new residence built.

Henderson Gant and his young bride are getting their furniture together to move to themselves.

The chemical fire engine bought by the town arrived today. A man from the factory is expected here tomorrow to show the boys how to operate it. An old building will be set on fire and then put out with the engine to show how it works.

We are glad to hear the good news that a new railroad is to be built from Salisbury to Faith and on down by Mt. Pleasant. The railroad that runs along with the granite belt will make more money hauling granite than any other road in the United States of the same length. There is untold wealth and an unlimited amount of the finest granite the world has ever seen right in and around Faith, and for eleven miles northeast and southwest from Faith are great fields of it.

People are 'phoning here from other towns trying to get our good blacksmith to come and locate in their town, but we are not going to let him go. He shod a good many horses here to-day and when our machinery breaks down he knows how to fix it.

An organ grinder and little monkey passed through Faith the other day. We got the monkey's picture. See it at the Dixie Studio in Salisbury. We snap off every queer thing that passes through our town, if it don't out run us and then we get it running.

The Faith Granite Co. shipped another big car load of building stones today to Aiken, S. C., for the U. S. P. O. going up there, and they are getting out granite to finish the Episcopal church in Raleigh, N. C., which is being built entirely out of granite. It will be a beautiful church when done. The pastor of the church, Rev. I. McK. Pittinger, was at our quarries to show us how to do the work. He was pleased with our fine granite and quarries.

Evan Wyatt, widow of Gilbert Ivey Wyatt, of Co. K, 5th N. C. volunteers, and Pinkney Ludwick, an old Confederate veteran, will soon receive their pension money. They are getting old and need it.

A telegram was received here today from Oklahoma asking what C. C. Wyatt would charge per month and board to come and boss a quarry. Mr. Wyatt is a well known quarry developer and has many years experience.

Saturday, December 8rd, the children of John Fraley, deceased, had his remains removed from the old Patsy Crowell grave yard to the new cemetery at Zion M. E. Church South. Mr. Fraley has been dead for about twenty-five years. They expected to find the coffin and body, but to their surprise they found nothing but his ashes, bones and part of his shoes.

Charley Arey and family moved to Salisbury last week.

The many friends of Misses Ellen, Fannie and Lottie Harkey, of Albemarle, will be sorry to learn that they are all down with typhoid fever. We wish them a speedy recovery.

Miss Dora Elizabeth Casper, daughter of Mr. and Mrs. John Casper, died on December 8rd, after a short illness and was laid to rest in the cemetery at Piney Woods E. L. church, of which she was a consistent member, Rev. W. A. Dutton, her pastor, conducted the funeral services. We extend our greatest heartfelt sympathy to the bereaved relatives and friends.
