

COTTON

GETTING CHEAPER EVERY DAY.

The cotton market seems to be on a general decline. Prices getting lower and lower. With the short crops raised in this county and low prices being offered makes it hard for the consumer to pay for all the necessities of life and, in order to meet the conditions now prevailing, we have decided to inaugurate on

FRIDAY, DECEMBER 8TH, 1911, the Greatest Reduction Sale

ever held in Rowan County. We shall reduce everything to prices **AT AND BELOW COST**, and for 10 days, you can buy the best seasonable merchandise to be found in any store in the county at prices almost one half less than is usually asked for same goods.

This is no fake sale, nor is our entire stock in the hands of any sale syndicate, but it is a bona fide clean up sale for **CASH ONLY** and a sale that should be taken advantage of by every family in the county. If you don't have the money sell a bale of cotton and the money will get you as many goods as if you were getting 12 1/2 cents for your cotton.

Remember the date, **FRIDAY, DECEMBER 8TH**, and come early and get your choice of the many great bargains offered. Don't throw this aside but read every word of it for it means money saved to you.
