A Girl's Wild Midnight Ride

To warn people of a fearful forest fire in the Catskills a young girl rode horse-back at midnight and saved many lives. Her deed was glorious but lives are often saved by Dr. King's New Discovery in curing lung trouble, coughs and colds, which might have ended in consumption or pneumonia. "It cured me of a dreadful cough and lung disease," writes W. R. Patterson, Wellington, Tex., "after four in our family had died with consumption, and I gained 87 pounds." Nothing so sure and safe for all throat and lung troubles. Price 50c and \$1.00. Trial bottle free. Guaranteed by all druggists.

Woman's Power Over Man

Woman's most glorious endowment is the power to awaken and hold the pure and honest love of a worthy man. When she loses it and still loves on, no one in the wide world can know the heart agony she endures. The woman who suffers from weakness and derangement of her special woman organ soon loses the power to sway the heart of a man. Her general health suffers and she loses her good looks, her attractiveness, her amiability and her power and prestige as a woman. Dr. R. V. Pierce, of Buffalo, N.Y., with the assistance of his staff of able physicians, has prescribed for and cured many thousands of women. He has devised a successful remedy for woman's ailment. It is known as Dr. Pierce's Favorite Prescription. It is a positive specific for the weaknesses and disorders peculiar to women. It purifies, regulates, strengthens and heals. Medicine dealers sell it. No honest dealer will advise you to accept a substitute in order to make a little larger profit.

IT MAKES WEAK WOMEN STRONG, SICK WOMEN WELL.

Not being satisfied with what they had already done in the way of a cash present, on Wednesday following, upwards of fifty of the members of the congregation called at the parsonage a short while before noon and spread a most sumptuous repast, and every one present ate to their heart's content and yet much remained to be taken up. After the sumptuous meal, when we thought all was over, they began giving us a regular old fashion pounding with potatoes, corn, canned fruit, sugar, coffee, postum, rice, sausage, steak, baking powder, fresh meat, etc. Constantly, since the season of hog killing came in we have been supplied with sausage and fresh meat.

For all these tangible tokens of appreciation we are truly grateful. They encourage us and unite more closely the pleasant relation and friendship that exists between pastor and people.

May the Lord abundantly bless these dear good people, and our labors among them.
