Mrs. E. Yates, 6 Park Ave., Salisbury, N. C., says: "My kidneys were badly disordered and my health was poor. I did not seem to have any strength or ambition and my head ached nearly all the time. Often I was so dizzy that I could hardly stand and there was so much lameness and soreness in my back that it was difficult for me to stoop. For Women Who Care
Of course you use an antiseptic in your family and in the care of your own person, and you want the best.

Instead of what you have been using such as liquid or tablet antiseptics or peroxide, don't you please try Paxtine, a concentrated antiseptic powder to be dissolved in water and used for the toilet, after smoking, to cleanse the perspiration odors by sponge bathing.

Paxtine
ANTISEPTIC
In the toilet—to cleanse and whiten the teeth, remove tartar and prevent decay, inflamed eyes, cuts and scratches, disease germs, and purify the breath. To keep artificial teeth and bridgework clean and odorless. To remove nicotine from the teeth and purify the breath after smoking. To eliminate perspiration odors by sponge bathing.

As a medicinal agent for local treatment of feminine ills where pelvic soreth, inflammation and irritation exist, nothing equals hot douches of Paxtine. For ten years the Lydia E. Pinkham Med. Co. has been regularly advising their patients to use it because of its extraordinary cleansing, healing and germicidal power. For this purpose alone Paxtine is worth its weight in gold. Also for nasal catarrh, sore throat, inflamed eyes, cuts and scratches. All druggists, 25 and 50 cents a box. Trial box and testimony of 31 women free on request.
