COUNTY CORRESPONDENCE

Items of Interest in Various Neighborhoods Sent in by Our Friend

DUNN'S MOUNTAIN.

We are in hopes that spring has put in its appearance for good.

We will soon hear the "Gee haw!" of most all the farmers. There will be some plowing done if we don't have another miniature flood.

We notice Bro. Lee has gotten right and is driving a couple of jar heads. Good for you Lee!

Work has been resumed at C. L. Kesler's quarries.

One of our neighbors informs us he has wrecked his last vehicle and as a result had to walk to church. The unmacadamized road is responsible for this.

Mrs. M. J. Canble is thinking of having a small quarry opened on her place. Messrs Smith and Horah will operate the same on a royalty.

Dunn's Mountain College has just closed a very successful term. Floyd B. Lingle, of Chestnut Hill, conducted this school in a most successful and satisfactory manner. Mr Lingle is a splendid young man and we wish for him a successful future.

Well, since we had that gully washer and so many bridges and roads have been damaged, it will cost the county quite a sum of money to repair the damage. The county will have to build a cheaper court house.

Frank Kintz has purchased a fine horse. He will probably farm on a big scale this summer and is thinking of buying a riding cultivator.

Some of the farmers in our community are sowing oats.

Some one has propounded an old question which we are not sure we have ever heard of any decision being handed down from the higher courts as a final settlement. The question is in regard to a pumpkin vine on one man's land having crossed the line and grown a pumpkin on the other man's land. Whose pumpkin is it? It seems that if the vine were strong enough to go on a visit and produce fruit on the other man's place, the owner of the vine could easily pull the vine back home and drag the pumpkin back with it. The fruit not being a fixture, it seems to us that it is the land owners pumpkin on whose land the vine grew. We hope this will be final unless some one can settle the question more satisfactorily for all concerned. BARTETTE.

To Mothers—And Others.

You can use Bucklen's Arnica Salve to cure children of eczema, rashes, tetter, chaffing, scaly and crusty humors, as well as their accidental injuries,—cuts, burns, bruises, etc., with perfect safety. Nothing else heals so quickly. For boils, ulcers, old, running or fever sores or piles it has no equal. 25 cents at All Druggists.

For Sale.—A lot of registered fine Duroc pigs. Apply to W. G. Honeycutt, Gold Hill, N. C. 24pd.

Catawba to The Front.

Catawba county joins the ranks of good road progressives. In an election just held in Newton township a \$50,000 bond election was carried by 818 majority, and there is great rejoicing. Other Catawba townships will catch the contagion and we may expect that good county to forge right to the front. It is one of the state's best agricultural counties, and good roads constitute its most crying need. The people there are coming to a lively realization of the importance of local means for transportation, good roads, and are not going to be left behind in the race of progress. It was a good day's work for Newton township, and will now prove to be the wisest investment the people of that section have ever made.—Greensboro Daily News.

Repels Attack Of Death.

"Five years ago two doctors told me I had only two years to live." This startling statement was made by Sillman Green, Malachite, Col. "They told me I would die with consumption. It was up to me then to try the best lung medicine and I began to use Dr. King's New Discovery. It was well I did, for two days I was working and believe I owe my life to this great throat and lung cure that has cheated the grave of another victim." It's folly to suffer with coughs, colds or other throat and lung troubles now. Take the cure that's safest. Price 50 cents and \$1.00. Trial bottles free at All Druggists.

Confederate Veterans and Crosses of Honor.

The United Daughters of the Confederacy have decided that no more crosses shall be presented to veterans after November 1, 1912. Any veteran entitled to a cross is requested to make application as soon as he possibly can. All orders for crosses must be filed with the custodian at least three weeks before the day of bestowal. The 10th of May is the next day for cross bestowals. Hon. John S. Henderson, if called on at his office will cheerfully make out the blanks.

Law Against Cricket.

Until a century and a half ago England's great national pastime figured in the statute books as a crime. The game was declared illegal in the time of Edward IV., owing to its having become so popular as to interfere with archery, the then sport of kings. The law against it was vigorously enforced, and every person convicted of playing the game was fined £10 or sent to prison. It was not until the formation of the famous Hambleton club, in 1749, that the statute was repealed.—Pall Mall Gazette.

Moral Discipline.

"You helped send that man to congress because you liked him, did you not?"

"No," replied Farmer Cornstossel. "He was getting so overbearing and egotistical that I wanted to see him put somewhere that 'ud probably put it up to him to apologize and explain sometimes."—Washington Star.

DODGE THE SHADOWS.

Why destroy present happiness by a distant misery which may never come at all or you may never live to see it? Every substantial grief has twenty shadows and most of them shadows of your own making.—Sydney Smith.

A Quick Way to Restore Old Fields.

I have found that the quickest way to bring up an old run-down field is to plow it deeply, harrow well and sow or drill cow peas, fertilizing well with acid phosphate. When the peas are turning yellow disk them all in and sow to oats in October. Topdress oats with stable manure during the winter and you will have a fine lot of feed and can still grow a crop of late corn after the oats. Lay-by corn with crimson clover and you're almost sure of a catch. With a good growth of clover to plow under, we are well on our way towards better lands.—Agnew Webster in Progressive Farmer.

Relieves Backache Instantly

Sloans's Liniment is a great remedy for backache. It penetrates and relieves the pain instantly—no rubbing necessary—just lay it on lightly.

Here's Proof.

"I had my back hurt in the Box War and in San Francisco two years ago I was hit by a street car in the same place. I tried all kinds of drugs without success. Two weeks ago I saw your liniment in a drug store, and got a bottle to try. The first application caused instant relief, and now since for a little stiffness, I am almost well."

THE PLAIN TRUTH.

What More Can Salisbury People Ask?

When well-known residents and highly respected people of Salisbury make such statements as the following, it must carry conviction to every reader:

William A. Baker, 1015 S. Fulton St., Salisbury, N. Car., says: "My experience with Doan's Kidney Pills has been so satisfactory that I recommend them highly. I had backache and my kidneys were out of order. A friend advised me to try Doan's Kidney Pills and I did so. They helped me immensely and a couple of boxes stopped my trouble."

If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills. The same that Mr. Baker had—the remedy backed by home testimony. 50c all stores. Foster-Milburn Co., Props., Buffalo, N. Y.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.
